khadijah fatima barkatulla death: **TRAGEDY OF FATIMA DAUGHTER OF PROPHET MUHAMMED** Yasin T. al-Jibouri, 2013-10-24 Fatima, daughter of the Prophet of Islam, did not enjoy this life for long and passed away only few days after the demise of her father. She was not sick; rather, grief and sorrow snatched his soul away. This book sheds light on certain historic

circumstances as well as on the individuals who were bitter enemies of her husband, Ali ibn Abu Talib, and who were jealous of his merits and accomplishments. The author wrote this book initially in response to another written by someone who cast doubts about certain very serious and shameful facts which the author of this book details. He cites numerous references (more than three hundred and fifty) written by historians and biographers from both branches of the Islamic faith and throughout the Islamic history. One who reads this book with an open mind will conclude that Fatima died prematurely, and that, ironically, those who were responsible for her early death have since the very first Islamic century been glorified by the vast majority of the Muslims, that even the whereabouts of her grave remain unknown, something which she herself desired and planned. Who were those people? Why did they disrespect the "Head of the Women of the World," the mother of the two masters of the youths of Paradise and wife of the Prophet's right hand, the people who even confiscated her inheritance from her revered father? This book answers all these questions and many more.

khadijah fatima barkatulla death: *Noble Women of Faith* Shahada Sharelle Haqq, 2012-04-16 Islamic tradition praises Asiyah, Mary, Khadijah, and Fatimah as the four women who showed monumental examples of excellence in faith. While Mary, the mother of Jesus, is the only woman mentioned by name in the Qur'an, the other three are mentioned in the sayings of the Prophet Muhammad, peace be upon him. Asiyah was the wife of Pharaoh and she was the one who protected Moses in the palace from the wrath of her furious husband. Mary is the epitome of purity and submission, who was miraculously blessed with Jesus, and she stood firm against all kinds of slanders and accusations. Khadijah was the first believer to the Prophet Muhammad. She spent all her fortune in her husband's cause, including her life. Fatimah, the Prophet's daughter, is the person through whom the Prophet's generation still continues. This book depicts the lives of these four remarkable women of the human history.
