

key events israeli palestinian conflict

key events israeli palestinian conflict have shaped one of the most enduring and complex disputes in modern history. This conflict, rooted in territorial, political, and religious disagreements, has witnessed numerous critical moments that have influenced the region's dynamics. Understanding these key events helps illuminate the ongoing challenges and the prospects for peace between Israelis and Palestinians. From the early 20th century developments to recent diplomatic efforts, each milestone carries significant implications for both parties involved. This article provides a comprehensive overview of these pivotal events, highlighting their causes, outcomes, and impacts. The discussion will cover historical foundations, wars, peace initiatives, and recent escalations to offer a thorough understanding of the conflict's evolution.

- Historical Background and the British Mandate
- The 1948 Arab-Israeli War and Creation of Israel
- The Six-Day War and Its Aftermath
- Peace Efforts and Oslo Accords
- The Second Intifada and Ongoing Violence
- Recent Developments and Diplomatic Initiatives

Historical Background and the British Mandate

The origins of the Israeli-Palestinian conflict trace back to the late 19th and early 20th centuries, particularly with the rise of nationalist movements among both Jews and Arabs in the region. The area known historically as Palestine was under Ottoman rule until the end of World War I, after which the League of Nations granted Britain the mandate to govern the territory. The British Mandate period (1920-1948) was a formative era marked by increasing tensions between Jewish immigrants and the indigenous Arab population.

Zionist Movement and Jewish Immigration

The Zionist movement, advocating for the establishment of a Jewish homeland, encouraged waves of Jewish immigration to Palestine. These migrations led to demographic changes and heightened tensions with the Arab residents who opposed the establishment of a Jewish state on what they considered their ancestral land. Land purchases by Jewish organizations and settlement expansions further complicated relations.

Arab Resistance and British Policies

Arab opposition to Jewish immigration culminated in a series of protests and revolts, notably the Arab Revolt from 1936 to 1939. The British government attempted to manage the conflicting interests through various white papers and policy adjustments, but these efforts largely failed to reconcile the competing national aspirations.

The 1948 Arab-Israeli War and Creation of Israel

The 1948 Arab-Israeli War, also known as the War of Independence for Israelis and the Nakba (catastrophe) for Palestinians, is one of the most crucial key events in the Israeli-Palestinian conflict. Following the United Nations' 1947 Partition Plan, which proposed dividing Palestine into separate Jewish and Arab states, violence erupted leading to full-scale war after Israel declared independence on May 14, 1948.

UN Partition Plan and Reactions

The UN plan was accepted by Jewish leaders but rejected by Arab states and Palestinian Arabs. This rejection triggered armed conflict that escalated rapidly, involving neighboring Arab countries. The war resulted in the establishment of Israel within the borders recognized by the 1949 Armistice Agreements.

Displacement and Refugee Crisis

The 1948 war caused the displacement of approximately 700,000 Palestinian Arabs, creating a long-lasting refugee problem. Many Palestinians fled or were expelled from their homes, a core issue that remains central to peace negotiations and regional politics.

The Six-Day War and Its Aftermath

The Six-Day War in June 1967 stands as a pivotal turning point in the Israeli-Palestinian conflict. Israel's swift military victory against Egypt, Jordan, and Syria dramatically altered the geopolitical landscape of the region and intensified the dispute over land and sovereignty.

Territorial Gains and Occupation

During the conflict, Israel captured the Gaza Strip and Sinai Peninsula from Egypt, the West Bank and East Jerusalem from Jordan, and the Golan Heights from Syria. The occupation of the West Bank and Gaza placed a large Palestinian population under Israeli military control, further complicating the conflict.

Impact on Palestinian Nationalism

The war's outcome galvanized Palestinian nationalism, leading to the rise of the Palestine Liberation Organization (PLO) as a central representative body advocating for Palestinian self-determination. The occupation also became a major focus of international diplomatic efforts and conflict resolution attempts.

Peace Efforts and Oslo Accords

Multiple peace initiatives have attempted to resolve the Israeli-Palestinian conflict, with varying degrees of success. Among these, the Oslo Accords of the 1990s stand out as landmark agreements that established a framework for future negotiations and limited Palestinian self-governance.

Oslo Process and Mutual Recognition

In 1993, secret negotiations in Oslo resulted in mutual recognition between Israel and the PLO. The accords created the Palestinian Authority and set out a roadmap for resolving key issues such as borders, refugees, and Jerusalem. This breakthrough generated international optimism for a two-state solution.

Challenges and Setbacks

Despite initial progress, the peace process faced significant obstacles including continued violence, settlement expansion, and political changes. Key issues remained unresolved, and subsequent talks failed to achieve a comprehensive peace agreement.

The Second Intifada and Ongoing Violence

The Second Intifada, which erupted in 2000, represented a major escalation in violence between Israelis and Palestinians. Triggered by political tensions and failed peace talks, this period was marked by widespread clashes, suicide bombings, and military operations.

Causes and Course of the Intifada

The visit of Israeli political figure Ariel Sharon to the Temple Mount/Haram al

Frequently Asked Questions

What was the significance of the Balfour Declaration in the

Israeli-Palestinian conflict?

The Balfour Declaration of 1917 was a statement by the British government expressing support for the establishment of a 'national home for the Jewish people' in Palestine, which laid the groundwork for future conflict between Jewish and Arab populations in the region.

How did the 1948 Arab-Israeli War impact the Israeli-Palestinian conflict?

The 1948 Arab-Israeli War, following the declaration of the State of Israel, resulted in the displacement of hundreds of thousands of Palestinians (known as the Nakba) and established the armistice lines that defined Israeli territory, intensifying the conflict.

What was the outcome of the Six-Day War in 1967 regarding Palestinian territories?

In the Six-Day War, Israel captured the West Bank, Gaza Strip, East Jerusalem, Sinai Peninsula, and Golan Heights, significantly altering the territorial landscape and leading to Israeli military occupation of Palestinian territories.

What role did the Oslo Accords play in the Israeli-Palestinian peace process?

The Oslo Accords, signed in the 1990s, were the first direct agreements between Israel and the Palestine Liberation Organization (PLO), aiming to establish a framework for peace and Palestinian self-governance, though lasting resolution was not achieved.

How did the First Intifada influence the dynamics of the Israeli-Palestinian conflict?

The First Intifada (1987-1993) was a Palestinian uprising against Israeli occupation characterized by widespread protests and violence, which brought international attention to the conflict and eventually led to peace negotiations including the Oslo Accords.

What was the impact of the Gaza Wars on the Israeli-Palestinian conflict in recent years?

The Gaza Wars, including conflicts in 2008-09, 2012, 2014, and subsequent escalations, resulted in significant casualties and destruction in Gaza, deepened divisions, and complicated peace efforts between Israel and Hamas, the governing body in Gaza.

Additional Resources

1. 1948: A History of the First Arab-Israeli War

This book provides a comprehensive account of the 1948 Arab-Israeli War, which led to the creation of the State of Israel and the Palestinian Nakba. It explores the military, political, and social

dynamics of the conflict and its lasting impact on the region. The author draws on firsthand accounts and archival materials to present a balanced narrative of this pivotal event.

2. *The Oslo Accords: A Critical Assessment*

Focusing on the 1993 Oslo Accords, this book examines the peace process between Israel and the Palestine Liberation Organization (PLO). It analyzes the intentions, breakthroughs, and failures of the negotiations, as well as the reasons behind the accords' limited success. The book offers insights into the complexities of diplomacy in deeply rooted conflicts.

3. *Intifada: The Palestinian Uprising*

This detailed study covers the First and Second Intifadas, grassroots Palestinian uprisings against Israeli occupation. It delves into the causes, major events, and consequences of these uprisings, highlighting their effects on Israeli-Palestinian relations and international perceptions. The author incorporates personal stories and political analysis to capture the human dimension of the conflict.

4. *Six-Day War: The Clash That Shaped the Middle East*

The book explores the 1967 Six-Day War, a brief but consequential conflict that dramatically altered the geopolitical landscape of the Middle East. It discusses the military strategies, political motivations, and aftermath, including Israel's occupation of the West Bank, Gaza Strip, and East Jerusalem. This work provides a thorough understanding of how the war intensified the Israeli-Palestinian conflict.

5. *The Camp David Summit 2000: Missed Opportunities*

This book analyzes the 2000 Camp David Summit, where Israeli and Palestinian leaders attempted to resolve their long-standing disputes. It critiques the negotiation process, the sticking points, and the reasons the talks ultimately failed, leading to renewed violence. The author provides a nuanced view of the complexities involved in peace negotiations.

6. *Gaza Wars: A History of Conflict and Resistance*

Covering multiple conflicts in the Gaza Strip, this book traces the history of Israeli military operations and Palestinian resistance from the early 2000s to the present. It examines the humanitarian impact, political consequences, and international responses to the recurring violence. The narrative highlights the challenges of achieving peace in one of the most volatile areas of the conflict.

7. *The Palestinian Refugee Crisis: Origins and Impact*

This work investigates the origins of the Palestinian refugee problem stemming from the 1948 and 1967 wars. It discusses the displacement of hundreds of thousands of Palestinians, their living conditions in refugee camps, and the ongoing debates about the right of return. The book offers a critical perspective on one of the most sensitive issues in the conflict.

8. *Jerusalem: The Contested City*

Focusing on Jerusalem's central role in the Israeli-Palestinian conflict, this book explores its religious, cultural, and political significance. It traces the city's history from ancient times to the present day and examines the competing claims and tensions surrounding control of holy sites. The author highlights how Jerusalem remains a core obstacle to peace efforts.

9. *The Roadmap for Peace: Challenges and Prospects*

This book reviews the 2003 Roadmap for Peace proposed by the United States, European Union, Russia, and the United Nations. It evaluates the plan's goals, implementation efforts, and obstacles faced by both Israelis and Palestinians. The analysis sheds light on the international community's

role in attempting to mediate the conflict and the ongoing difficulties in achieving a lasting settlement.

key events israeli palestinian conflict: The Israeli-Palestinian Conflict: A Comprehensive Introduction Julian Gen, 2023-10-15 The Israeli-Palestinian Conflict: A Comprehensive Introduction This book provides a thorough introduction to the complex and longstanding Israeli-Palestinian conflict, covering its history, current situation, and potential solutions. The book begins with an overview of the conflict's origins, including the establishment of the State of Israel in 1948 and the subsequent displacement of Palestinians, known as the Nakba or catastrophe in Arabic. It then delves into the various conflicts and uprisings that have taken place over the years, including the Six-Day War, the First and Second Intifadas, and the ongoing protests and marches. The book also examines the political and social dynamics at play, including the role of religious and nationalist ideologies, the impact of foreign intervention, and the struggles faced by Palestinians living in the West Bank, Gaza, and East Jerusalem. It discusses the various peace proposals and negotiations that have taken place, such as the Oslo Accords and the Arab Peace Initiative, and assesses their successes and failures. Throughout the book, the author presents a balanced and nuanced perspective on the conflict, acknowledging the legitimate claims and grievances of both Israelis and Palestinians. The book concludes by considering potential solutions to the conflict, including the two-state solution, the one-state solution, and the possibility of a binational state. The Israeli-Palestinian Conflict: A Comprehensive Introduction is an essential resource for anyone seeking to understand the complex history and current state of this longstanding conflict. It provides readers with a deep appreciation for the political, social, and cultural factors at play and offers a balanced perspective on the various solutions that have been proposed. key events israeli palestinian conflict: *The Israeli-Palestinian War* Anthony H. Cordesman, 2005-10-30 The Israeli-Palestinian conflict is more than a local or regional dispute. Its ongoing and escalating nature increases the risk that the violence will spill over its present borders and contribute to both extremism and terrorism. While the Intifada from 1987 to 1993 was largely a popular uprising and a political struggle, the recent clash is a war with a steady escalation between conventional and unconventional forces. It is in the interest of all major powers, the international community, and the United Nations to press both sides to accept a realistic peace plan. Noted Middle East expert Anthony Cordesman details this continuing struggle by explaining the issues at stake for each side; the various combatants (both directly and indirectly engaged); as well as the course of the war in its various incarnations. The situation on the ground is complex and the quest for peace is ever more uncertain. If the Intifada was a struggle for recognition that a peace had to be reached that was just for both sides, the Israeli-Palestinian War has polarized both sides away from peace, convincing them of the justice of their own cause and tactics and the fundamental injustice of the other side's tactics and goals. Each side has used human rights, international law, and civilian casualties as political weapons. The history of a near century of conflict is used to justify war rather than a search for peace.

key events israeli palestinian conflict: *A History of the Israeli-Palestinian Conflict* Mark Tessler, 2009-03-24 Mark Tessler's highly praised, comprehensive, and balanced history of the Israeli-Palestinian conflict from the earliest times to the present—updated through the first years of the 21st century—provides a constructive framework for understanding recent developments and assessing the prospects for future peace. Drawing upon a wide array of documents and on research by Palestinians, Israelis, and others, Tessler assesses the conflict on both the Israelis' and the Palestinians' terms. New chapters in this expanded edition elucidate the Oslo peace process, including the reasons for its failure, and the political dynamics in Israel, the West Bank, and Gaza at a critical time of transition.

key events israeli palestinian conflict: *Israeli-Palestinian Conflict in the Francophone World* Nathalie Debrauwere-Miller, 2011-02-09 With interdisciplinary analyses of texts whose origins span the diversity of the Jewish and Muslim traditions, the provocative essays collected in *Israeli-Palestinian Conflict in the Francophone World* offer startling insights into the meaning of the volatile history of this conflict in the Francophone world. In France and the Francophone world, the hostilities of the on-going Israeli-Palestinian conflict are consistently reenacted in cultural clashes between the large Muslim and Jewish populations within France and throughout the Francophone Diaspora. The notable scholars appearing in this collection interrogate the complex history of this conflict - from the beginnings of Zionism in 1897 to the first and second Intifada of 1987 and 2000 - and give unique perspectives culled from a diverse range of literary, philosophical, historical, and psychoanalytic frameworks. An important and unique volume, *Israeli-Palestinian Conflict in the Francophone World*, will shed new light for the reader on the dense ideological antagonisms at the heart of the Israeli-Palestinian conflict and will surely be celebrated as an invaluable resource for scholars, students, and teachers alike.

key events israeli palestinian conflict: *Negotiation in War and Peace: Strategies from Key Historical Moments* LIDIA ERNEST-HALLOWAY, 2024-06-27 This comprehensive book explores the history and practice of negotiation and diplomacy from ancient civilizations to contemporary global politics. It examines key historical milestones, including the Code of Hammurabi, the role of rhetoric in Ancient Greece, Roman diplomatic practices, and the impact of religious and imperial influences through the Middle Ages and Renaissance. The book also addresses modern developments in negotiation strategies, international relations, and significant diplomatic events such as the Camp David Accords, the Iran Nuclear Deal, and Brexit negotiations. It highlights the evolution of negotiation tactics and the impact of major treaties, wars, and global organizations on shaping the art of diplomacy.

key events israeli palestinian conflict: The Evolution of American Foreign Policy Shawn Armstrong, 2025-02-10 This book outlines the evolution of American foreign policy, tracing its principles and key historical events from the founding era to the present. Chapter 1 establishes the foundational goals of U.S. foreign policy, emphasizing the protection of national territory and natural rights, while discussing the founders' views on sovereignty and noninterference. Chapter 2 focuses on national sovereignty, highlighting the federal government's exclusive authority over foreign affairs and the criteria that define sovereignty. In Chapter 3, America is characterized as a commercial republic, with George Washington's warnings about foreign entanglements underscoring the importance of a strong economy in shaping foreign policy. Chapter 4 addresses national honor, exploring its influence on public opinion and reputation through historical events like the XYZ Affair. The subsequent chapters delve into significant historical crises and doctrines that shaped U.S. foreign policy, including the Monroe Doctrine (Chapter 7), which established America's geopolitical stance in the Western Hemisphere, and the Spanish-American War (Chapter 8), marking a shift towards colonialism. Chapters 10-12 discuss America's involvement in World War I, Wilson's diplomatic efforts, and the resulting international agreements like the Treaty of Versailles. The book further examines post-World War II dynamics in Chapters 14-19, detailing shifts in policy such as containment strategies against communism during the Cold War, nuclear arms competition, and military interventions in Korea and Vietnam. Chapters on modern presidents from Reagan to Biden highlight changing approaches to foreign policy, including Reagan's confrontational stance towards the Soviet Union, Bush's vision for a new world order post-Cold War, Clinton's Middle East interventions, and Obama's focus on diplomacy alongside military engagement. The final chapters explore contemporary issues such as terrorism and America's role in global conflicts under Trump and Biden, reflecting ongoing debates about interventionism versus restraint in U.S. foreign policy. Overall, this comprehensive overview illustrates how American foreign policy has evolved through historical challenges and shifts in leadership philosophies, continuously balancing national interests with global responsibilities.

key events israeli palestinian conflict: Routledge Handbook on Middle East Security Anders Jägerskog, Michael Schulz, Ashok Swain, 2019-02-11 Routledge Handbook on Middle East Security provides the first comprehensive look at Middle East security issues that includes both traditional and emerging security threats. Taking a broad perspective on security, the volume offers both analysis grounded in the 'hard' military and state security discourse but also delves into the 'soft' aspects of security employing a human security perspective. As such the volume addresses imminent challenges to security, such as the ones relating directly to the war in Syria, but also the long-term challenges. The traditional security problems, which are deep-seated, are at risk of being exacerbated also by a lack of focus on emerging vulnerabilities in the region. While taking as a point of departure the prevalent security discourse, the volume also goes beyond the traditional focus on military or state security and consider non-traditional security challenges. This book provides a state-of-the-art review of research on the key challenges for security in the Middle East; it will be a key resource for students and scholars interested in Security Studies, International Relations, Political Science and Middle Eastern Studies.

key events israeli palestinian conflict: Heroism and the Changing Character of War S. Scheipers, 2014-04-01 Post-heroism is often perceived as one of the main aspects of change in the character of war, a phenomenon prevalent in western societies. According to this view, demographic and cultural changes in the west have severely decreased the tolerance for casualties in war. This edited volume provides a critical examination of this idea.

key events israeli palestinian conflict: Echo Chambers of Conflict Jonathan Matusitz, Jonah Lynne, 2025-10-20 This volume offers a detailed description of how media propaganda shapes public perception in conflict zones, drawing on key communication theories like framing and agenda-setting. It analyzes disinformation campaigns by Hamas and Israel, showing how psychological warfare plays out on social media platforms. The book delves into polarization and radicalization, emphasizing social media's role in exacerbating these processes, and exploring how

individuals, especially youths, are radicalized online through gradual stages of desensitization. This discussion is expanded through an analysis of digital activism and the role of social media in facilitating global protest movements.

key events israeli palestinian conflict: A Season in Bethlehem Joshua Hammer, 2004-06-03 Newsweek's Middle East bureau chief offers an unparalleled--and balanced--insider's perspective on the Palestinian intifada between 2000 and 2002.

key events israeli palestinian conflict: Handbook of Israel: Major Debates Eliezer Ben-Rafael, Julius H. Schoeps, Yitzhak Sternberg, Olaf Glöckner, Anne Weberling, 2016-10-24 The Handbook of Israel: Major Debates serves as an academic compendium for people interested in major discussions and controversies over Israel. It provides innovative, updated and informative knowledge on a range of acute debates. Among other topics, the handbook discusses post-Zionism, militarism, democracy and religion, (in)equality, colonialism, today's criticism of Israel, Israel-Diaspora relations, and peace programs. Outstanding scholars face each other with unadulterated, divergent analyses. These historical, political and sociological texts from Israel and elsewhere make up a major reference book within academia and outside academia. About seventy contributions grouped in thirteen thematic sections present controversial and provocative approaches reflecting, from different angles, on the present-day challenges of the State of Israel. Other Major Works by the Editors: Eliezer Ben-Rafael *Is Israel One? Religion, Nationalism and Ethnicity* Confounded, Brill (2005) *Ethnicity, Religion and Class in Israel*, Cambridge University Press (paperback) (2007) Julius H. Schoeps *Begegnungen. Menschen, die meinen Lebensweg kreuzten*. Suhrkamp (2016) *Pioneers of Zionism: Hess, Pinsker, Rülff. Messianism, Settlement Policy, and the Israeli-Palestinian Conflict*. De Gruyter (2013) Yitzhak Sternberg *World Religions and Multiculturalism: A Relational Dialectic*. Brill (2010). *Transnationalism*. Brill (2009) Olaf Glöckner *Being Jewish in 21st Century Germany*. De Gruyter (2015, with Haim Fireberg) *Deutschland, die Juden und der Staat Israel*. Olms (2016, with Julius H. Schoeps)

key events israeli palestinian conflict: Thieves of Palestine Jagdish Krishanlal Arora, 2023-10-31 The Israel-Palestine conflict, rooted in competing historical claims to the land of historic Palestine, has endured for over a century, marked by wars, uprisings, and numerous attempts at peace. At its core are disputes over territory, the rights of Palestinian refugees, security concerns, and the status of Jerusalem. This deeply entrenched and multifaceted conflict has profound humanitarian consequences and remains a significant issue in international diplomacy with lasting implications for the people in the region.

key events israeli palestinian conflict: Routine Emergency Julia Chaitin, Sharon Steinberg, Elad Avlagon, Shoshana Steinberg, 2022-03-22 This book explores the meaning of life for Israelis from communities bordering the Gaza Strip, whose lives are bound to the intractable conflict between Israel and the Hamas regime. Based on a psychosocial qualitative study of narrative interviews, photographs, YouTube videos, and Facebook posts created by residents, the book presents the life stories of ordinary people, their perspectives of patriotism and Zionism, and their perceptions of the Gazan Palestinians. *Routine Emergency* captures these perspectives through analyses of residents' interviews and photographs, the social media materials and poems fashioned from interviewees' words. The results challenge simplistic notions of what it means to live in this warzone, offering a multi-layered analysis of life in this region, which alternates between being Heaven and Hell. Written in a reader-friendly format, *Routine Emergency*, offers new theoretical insights into societal beliefs connected to living in an intractable warzone on the personal, family, community and national levels.

key events israeli palestinian conflict: Data Science and Security Samiksha Shukla, Hiroki Sayama, Kapil Tiwari, Joseph Varghese Kureethara, 2025-09-24 This book presents best-selected papers presented at the International Conference on Data Science for Computational Security (IDSCS 2024), hosted by Christ (Deemed to be University), India, and technically sponsored by The Tejas Scientific Researcher Foundation, India, from 08-09 November, 2024. The book targets the current research works in the areas of data science, data security, data analytics, artificial

intelligence, machine learning, computer vision, algorithms design, computer networking, data mining, big data, text mining, knowledge representation, soft computing, and cloud computing.

key events israeli palestinian conflict: History of Jerusalem Kelly Mass, Jerusalem is one of the world's oldest cities, with a history that stretches back thousands of years. Over the course of its existence, it has been invaded 52 times, seized and regained 44 times, besieged 23 times, and destroyed twice. The oldest portion of the city dates back to the 4th millennium BCE, making it not only a significant historical center but also a symbol of resilience and conflict. Its role in the ancient world has been central to the development of various cultures, religions, and empires that have passed through the region, contributing to its complex and contested history. Given the city's profound significance in both Israeli and Palestinian national identities, the interpretation of its long history is often influenced by ideological predispositions. For Israeli nationalists, the Jewish eras of Jerusalem's past are paramount, as they claim continuity with the ancient Israelites and view their connection to the city as a fundamental part of their modern identity. This narrative emphasizes the city's historical importance to the Jewish people, highlighting key moments such as the establishment of the First Temple and the city's central role in Jewish religious and cultural life.

key events israeli palestinian conflict: Armed Conflict Survey 2023 The International Institute for Strategic Studies (IISS), 2023-12-06 The Armed Conflict Survey 2023 provides an exhaustive review of the political, military and humanitarian dimensions of active armed conflicts globally in the period from 1 May 2022-30 June 2023. The review is complemented by a strategic analysis of regional and global drivers and conflict outlooks, providing unique insights into the geopolitical and geo-economic threads linking conflicts regionally and globally, as well as into emerging flashpoints and political risks to monitor. This edition's regional-focused approach also includes Regional Spotlight chapters on selected key conflict trends of regional and global importance. Reflecting the growing significance of geopolitical factors in shaping current conflict trends across the world, The Armed Conflict Survey 2023 features the third edition of the IISS Armed Conflict Global Relevance Indicator, which compares the global relevance of armed conflicts in terms of their geopolitical impact, as well as their human impact and intensity. This edition also includes maps, infographics, key statistics and the accompanying Chart of Armed Conflict.

key events israeli palestinian conflict: Transnational Terrorism Steven M. Chermak, 2019-11-11 The dramatic terrorist attacks of 9/11 highlighted significant gaps in research on the topic as governments, community groups, social service agencies and law enforcement agencies were forced to respond without any evidence-based guidance on best practices for tactics, strategies, and policy development. The essays selected for this volume demonstrate that transnational terrorism is now a thriving area of study and display the breadth and depth of scholarship that has recently been published. The research draws attention to global patterns of transnational terrorism; highlights various structural and cultural explanations; provides an overview of some of the ways that terrorism impacts society; and discusses strategies used to effectively respond to transnational terrorism. This volume, which is of interest to academics, policymakers and practitioners, provides a repository of some of the best contemporary research in this field.

key events israeli palestinian conflict: Routledge Handbook on Israel's Foreign Relations Joel Peters, Rob Geist Pinfold, 2024-02-28 This Handbook provides a comprehensive account of contemporary Israeli diplomacy and analyses the changing dynamics of Israel's bilateral relations with other states and the international community over the past seventy-five years. Research into Israeli foreign policy has been largely sidelined by debates over security, domestic politics and the Israeli-Palestinian conflict. This Handbook addresses the gap in the literature. Comprising 31 essays written by leading scholars of Israel, the Handbook explicates how domestic, societal and economic interests, together with changing Israeli narratives of identity and location, shape and impact Israeli foreign policy. It illustrates how those factors have influenced foreign policy choices and the instruments – economic cooperation, arms sales, military training, and intelligence sharing – that Israel has utilized in order to promote its interests and build relationships

with countries and actors throughout the world. Ultimately, the Handbook refutes Kissinger's famous dictum that Israel has no foreign policy, and instead follows the whims of its domestic politics. By contrast, this Handbook highlights the rich, diverse and changing tapestry of Israel's foreign relations. Written in an accessible style, the book is designed for students taking courses in Israel studies and Middle Eastern studies, as well as a general readership interested in Israeli affairs.

key events israeli palestinian conflict: *The Revolution Within* Yael Zeira, 2019-10-24 Using original, difficult-to-gather survey data, Zeira advances a new theory of participation in anti-regime protest that focuses on the mobilizing role of state institutions.

key events israeli palestinian conflict: *Trading Away from Conflict* Massimiliano Calì, 2014-12-18 Violent conflict weakens governance, undermines economic development and threatens both national and regional stability. Trade shocks can also have stark impact on conflict. This book sets out to empirically test these linkages between trade shocks and conflict via cross-country and intra-country analysis.
