john famularo band: The Master of Drums Elizabeth J. Rosenthal, 2025-04-29 The first definitive biography of Gene Krupa, the most famous drummer on the planet, whose feverish rhythms defined the Swing Era, changed jazz music forever, spurred rock and roll, and influenced generations. From the early 1930s onward, Gene Krupa was a drum-centric rarity in the jazz world. Never before had a drummer been in the forefront as a solo artist. His galvanizing, unrestrained passion for percussion demanded it. Rocking the rafters, Gene thrilled audiences in ballrooms, nightclubs, and movies. He always knew he would. It was in his blood. Seemingly born jazz-drum crazy in 1909 to a Polish-immigrant working-class family in South Chicago, Gene was a professional by the age of thirteen and soon made his first recordings. By the early 1930s, he was New York City's most in-demand drummer, and starting in 1934, he joined brilliant clarinetist Benny Goodman's band, helped inaugurate the Swing Era, and played the first-ever swing concert at Carnegie Hall, which made history. So did Gene, whose celebrity spread with every ride cymbal beat and bass drum bomb drop. He formed his own band, hired such dazzlingly outsized personalities as singer Anita O'Day, and unconditionally shattered racial boundaries by sharing the spotlight with the blistering African-American trumpeter Roy Eldridge. But after a skyrocketing ride to the top, Gene experienced a roller-coaster ride of good and bad luck, emotional highs, and devastating depths. In *The Master of Drums*, biographer Elizabeth J. Rosenthal crafts a celebratory, honest, and exhaustively researched portrait of a twentieth-century music legend whose acolytes would include such rock-era artists as Ringo Starr, Keith Moon, John Bonham, and Apollo 440. When he died, Gene Krupa may have left behind a world of grieving friends, colleagues, fans, students, and progeny, but as *The Master of Drums* proves, his dynamic musical and cultural influences live on. john famularo band: Drew's Blues Drew Page, 1999-03-01 "Congratulations on a much needed book on the Big Band era, especially from the viewpoint of the 'side man'. Having been one for about eight years before becoming a 'leader' I can really appreciate your approach. A bandleader is no better than the men behind him and I have had some great ones, including of course Drew Page." —Freddy Martin Having lived behind the scenes during the Big Band era of the thirties and forties, Page invites us to share that era with him. An instrumentalist or sideman, in many touring bands, he recounts friendships with now-famous as well as unknown musicians who made American dance music. Like them, Drew Page loved his music and the road. He did not want to stay in one place and one job for thirty years, repeating one year or experience thirty times. He wanted to see things, to observe people and places. After a lifetime of traveling and music, "every town began to seem like home." Page's life was touched with humor, disappointment, triumph, and some tragedy. "Perhaps it's the variety of my experiences, none seeming to relate to the others, that has given my life its discontinuity." Certainly, discontinuity characterized his daily life, but continuity—his music—characterized its essence. Brought together by their art, the traveling bandmembers were apt to encounter each other any place, any time, and so they avoided goodbyes. "I'll be seeing you." That's the way I left Harry James and the boys in the band," recalls Page. In this well-illustrated autobiography, he tells us what it was like to travel in the days before paved roads, and how the Great Depression, the death of vaudeville, and World War II affected the music business. He gives us anecdotes about the famous musicians he worked with—Harry James, Red Nichols, Freddy Martin among others—and he talks about his fellow sidemen. His narrative unrolls like a scroll inscribed with the names of those who made American dance music and jazz famous. Every music lover, nostalgia seeker, and student of American culture will want to own this book.
