kang shin il actor: *Movie Migrations* Hye Seung Chung, David Scott Diffrient, 2015-07-06 As the two billion YouTube views for "Gangnam Style" would indicate, South Korean popular culture has begun to enjoy new prominence on the global stage. Yet, as this timely new study reveals, the nation's film industry has long been a hub for transnational exchange, producing movies that put a unique spin on familiar genres, while influencing world cinema from Hollywood to Bollywood. *Movie Migrations* is not only an introduction to one of the world's most vibrant national cinemas, but also a provocative call to reimagine the very concepts of "national cinemas" and "film genre." Challenging traditional critical assumptions that place Hollywood at the center of genre production, Hye Seung Chung and David Scott Diffrient bring South Korean cinema to the forefront of recent and ongoing debates about globalization and transnationalism. In each chapter they track a different way that South Korean filmmakers have adapted material from foreign sources, resulting in everything from the Manchurian Western to *The Host's* reinvention of the Godzilla mythos. Spanning a wide range of genres, the book introduces readers to classics from the 1950s and 1960s Golden Age of South Korean cinema, while offering fresh perspectives on recent favorites like *Oldboy* and *Thirst*. Perfect not only for fans of Korean film, but for anyone curious about media in an era of globalization, *Movie Migrations* will give readers a new appreciation for the creative act of cross-cultural adaptation.

kang shin il actor: *Korea Annual* , 2003

kang shin il actor: *A Kim Jong-Il Production* Paul Fischer, 2024-05-01 The absurd, harrowing, and true story of South Korean cinema stars kidnapped by Kim Jong-Il and forced to make movies before their daring escape (*Esquire.com*). Before becoming the world's most notorious dictator, Kim Jong-Il ran North Korea's Ministry for Propaganda and its film studios. Underwhelmed by the talent pool available to him, he took drastic steps, ordering the kidnapping of Choi Eun-Hee (*Madam Choi*)—South Korea's most famous actress—and her ex-husband Shin Sang-Ok, the country's most famous filmmaker. When *Madam Choi* vanished, Shin went to Hong Kong to investigate—where he, too, was abducted. While Choi lived in isolated luxury, Choi was sent to a prison camp and re-educated. When the couple was reunited, it was announced that they would remarry and act as the Dear Leader's film advisors. Together they made seven films, gaining Kim Jong-Il's trust in the process. While pretending to research a film in Vienna, they flee to the US embassy and are swept to safety. A nonfiction thriller packed with tension, passion, and politics, *A Kim Jong-Il Production* offers a rare glimpse into a secretive world, illuminating a fascinating chapter of North Korea's history that helps explain how it became the hermetically sealed, intensely stage-managed country it is today.

kang shin il actor: *MOVING CAMERAS AND LIVING MOVIES* STEVE ESOMBA, Dr., 2013-03-12 I can say with absolute certainty that, everybody enjoys watching movies, cinema, films and television. But few, if any, know how a film is made: a film has inbuilt special effects or 'tricks' to make it appealing to audiences. *MOVING CAMERAS AND LIVING MOVIES* reveals to you ALL about films & Filmmaking; it is a hard and tasking enterprise involving tens of thousands of workers and millions of investment dollars. After reading *MOVING CAMERAS*...your love for movies will triple. Movie technicians and camera gurus have a license to mould, alter, and manipulate the screen to produce or induce rain, sunlight, snow, fire, or fly any object in space in defiance of gravity or even

cause 'accidents' or 'raise' the dead to life. Learn the fascinating, exciting world of film, actresses, actors, fashion, and fictional entities.

kang shin il actor: Kaiju Unleashed Shawn Pryor, 2024-10-29 Celebrate the world of movie monsters and beasts with *Kaiju Unleashed*, a complete reference guide to strange creatures in film and how they came to be. Kaiju (Japanese for "strange creature") is a film genre that emerged in Japan in the early '50s. The movies center on giant monsters battling humans, machines, or other beasts. This film category has stomped its way back into mainstream culture. This comprehensive guide features: A thorough discussion of monster movies (*Gamera*; *Rodan*; *Destroy All Monsters*) Insight into how kaiju has impacted international films (*Ant Man*; *50-Foot Woman*; *Jurassic Park*) Stunning movie posters and film stills, plus fan-made tributes to some of the kaiju classics (*Godzilla*; *King Kong*; *Mothra*; *Pacific Rim*) And more! If you are a kaiju fan or are interested in kaiju's cultural influence worldwide, this volume provides the perfect general introduction to the genre, reference to its film highlights, and celebration of its practitioners, trends, and stories.

kang shin il actor: The Korean Singer of Tales Marshall R. Pihl, 2024-11-01 P'ansori, the traditional oral narrative of Korea, is sung by a highly trained soloist to the accompaniment of complex drumming. The singer both narrates the story and dramatizes all the characters, male and female. Performances require as long as six hours and make extraordinary vocal demands. In the first book-length treatment in English of this remarkable art form, Pihl traces the history of p'ansori from its roots in shamanism and folktales through its nineteenth-century heyday under highly acclaimed masters and discusses its evolution in the twentieth century. After examining the place of p'ansori in popular entertainment and its textual tradition, he analyzes the nature of texts in the repertoire and explains the vocal and rhythmic techniques required to perform them. Pihl's superb translation of the alternately touching and comic *Song of Shim Ch'ong*—the first annotated English translation of a full p'ansori performance text—illustrates the emotional range, narrative variety, and technical complexity of p'ansori literature. *The Korean Singer of Tales* will interest not only Korean specialists, but also students of comparative literature, folklore, anthropology, and music.

kang shin il actor: Rethinking Historical Injustice and Reconciliation in Northeast Asia Gi-Wook Shin, Soon-Won Park, Daqing Yang, 2007-01-24 Korea is a nation that has addressed issues of both internal and external injustices from past wrongs that were committed in times of colonialism, war and dictatorship. Using examples of this injustice, this book focuses on Korea and looks towards reconciliation in the region.

kang shin il actor: North Korea and the Global Nuclear Order Edward Howell, 2023-04-26 For a state that has gained a global reputation as a violator of international norms, not least through its unwavering pursuit of nuclear weapons, North Korea's determination to become a nuclear-armed state is puzzling. If nuclear weapons beget security, insecurity, and other costs for the state, how might we understand this pursuit, and the delinquent behaviour that has arisen from it? In *North Korea and the Global Nuclear Order*, Edward Howell offers an answer to this question, focusing on North Korea's quest for status in the international system and developing the theoretical framework of 'strategic delinquency'. Featuring previously unpublished and new interviews with international negotiators with North Korea, and drawing upon new academic literature, Howell proffers an original theoretical framework to apply to the North Korean case. Covering a time period from the 1990s to the present-day, and using unprecedentedly rich empirical evidence, he makes the overarching argument that North Korea has strategically deployed behaviour that breaks international norms in order to reap benefits. In so doing, this book posits how over time, North Korea has learnt that despite the low status and opprobrium that might ensue, bad behaviour can pay.

kang shin il actor: Global Development of Asian Cinema in the Film Industry Wang, Changsong, Yong, Cheng Fei, Marta, Rustono Farady, 2025-02-18 The global development of Asian cinema has shaped the international film industry, introducing diverse storytelling, unique cultural

perspectives, and innovative filmmaking techniques. From the rise of Bollywood in India to the acclaimed cinema of East Asia, Asian filmmakers have made a mark on global audiences. Films from Asia have gained widespread recognition for their artistic merit, critical acclaim, and box-office success, breaking barriers in both content and form. As the industry evolves, the influence of Asian cinema grows, fostering cross-cultural collaborations, expanding global markets, and challenging traditional norms in filmmaking, highlighting the increasing importance of Asian voices in the future of the global film industry. *Global Development of Asian Cinema in the Film Industry* explores the reception of Asian film aesthetics and consumption behaviors among global audiences. It provides practical guidance for advancing the international development of the Asian film industry. This book covers topics such as digital streaming, political science, and posthumanism, and is a useful resource for filmmakers, business owners, media and communications professionals, sociologists, historians, academicians, and researchers.

kang shin il actor: *Black Belt* , 1981-01 The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, *Black Belt* produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known martial arts figure in the world.

kang shin il actor: *Autophagy and Cancer* Hong-Gang Wang, 2013-03-30 With the explosion of information on autophagy in cancer, this is an opportune time to speed the efforts to translate our current knowledge about autophagy regulation into better understanding of its role in cancer. This book will cover the latest advances in this area from the basics, such as the molecular machinery for autophagy induction and regulation, up to the current areas of interest such as modulation of autophagy and drug discovery for cancer prevention and treatment. The text will include an explanation on how autophagy can function in both oncogenesis and tumor suppression and a description of its function in tumor development and tumor suppression through its roles in cell survival, cell death, cell growth as well as its influences on inflammation, immunity, DNA damage, oxidative stress, tumor microenvironment, etc. The remaining chapters will cover topics on autophagy and cancer therapy. These pages will serve as a description on how the pro-survival function of autophagy may help cancer cells resist chemotherapy and radiation treatment as well as how the pro-death functions of autophagy may enhance cell death in response to cancer therapy, and how to target autophagy for cancer prevention and therapy – what to target and how to target it.
