Foundations of Les Feldick Teachings

The foundations of les feldick teachings rest firmly on a literal and contextual reading of the Bible. Feldick emphasized the importance of understanding scripture in its original language, culture, and historical setting. This approach avoids allegorical interpretations that can lead to misunderstandings or misapplications of biblical truths. Les Feldick's teachings start with the premise that the Bible is the inspired Word of God and is intended to be understood by believers through careful study. His lessons often begin with a verse-by-verse examination of biblical texts, aiming to uncover clear meanings and practical insights.

Literal Interpretation of Scripture

One of the key foundations of les feldick teachings is the insistence on literal interpretation whenever possible. This means interpreting the text according to its plain meaning unless context clearly indicates a figurative or symbolic sense. Feldick argued that this method prevents spiritual confusion and helps believers grasp the true messages God intended to communicate.

Respect for Historical Context

les feldick teachings: *The Future According to Bible Prophecy* Paul S. Horvath, 2019-02-22

This book will give the reader a much better understanding of what God has planned for this world's future. Prior to Tribulation, the Church (the believers in Jesus Christ) will be caught up, raptured, and will meet the Lord in the air. Much of what is written in numerous books of the Bible that deal with prophecy is written in symbolic language, often making it difficult to understand. One purpose of this book is to reveal and explain to the reader what is meant by those symbols, thereby giving the reader a glimpse and a better understanding of what the future holds. Additionally, when dealing with a specific subject such as an event that was prophesied in the book of Revelation, often, that subject is covered in other verses of that book and/or in other books within the Bible. The comparing of scripture with scripture supports, sheds light, explains, and/or reinforces our understanding of that particular passage. Following the Tribulation is the Millennium, the one-thousand-year reign with Christ.

les feldick teachings: *Essays in Apocalypse* Terry James, 2018-08-08 A tense world struggles in chaos...and the clock is ticking. Events are aligning as mankind spirals into anger, war, fear, and hopelessness. Nations are at odds with populism and globalism. Political leaders and dictators vie for power and influence. Looking back, you wonder "how did we get here?" Yet, these events are only signposts to the real future of mankind...the prophetic end of days. Globalism and Israel remain the two important factors to understanding key biblical prophecies. Signals abound that this generation is on the edge of experiencing a transition into the Tribulation. There may be no more dramatic proof that this sudden change is about to happen than what has resulted from the election of Donald J. Trump as president of the United States. In addition to being staunchly anti-globalism, Trump is stridently pro-Israel; moving the American Embassy from Tel Aviv to Jerusalem is proof. Now discover: Why Israel is such an important target for Satan How America is part of the biblical prophecies Which country is Babylon the Great - and why it will be destroyed Follow prophecy expert Terry James as he shares a collection of pivotal essays from 2015 to 2017 that reveal and highlight the prophetic clues that have brought us to this point in the countdown to a coming judgment. It all comes down to a single question — are you prepared for what is to come?

les feldick teachings: *Living in the Times of the Signs* David R Barnhart, 2007-10 LIVING IN THE TIMES OF THE SIGNS Bible Prophecy for the 21st Century We are living in exciting times. The present generation has witnessed the fulfillment of more prophetic signs than any generation in history; and no more significant sign has been fulfilled than the return of the Jews to the reestablished State of Israel. This book explains Bible prophecy as it applies to events unfolding in the 21st century. The foundations of our culture, our churches and our nation are being shaken by those who would have us all worship at the altar of the politically correct god. But the Lord calls His people to walk in love, obedience and faithfulness. FIND ANSWERS TO THESE QUESTIONS: What is Israel's place in end-time events? What is Islam's role in Bible prophecy? When and where will the Temple be rebuilt? How will the Israeli/Palestinian conflict be resolved? How close are we to a global religion and a global government? Does the Bible teach about the rapture and the tribulation? David

R. Barnhart, pastor, evangelist and prophecy teacher, has made twenty-six trips to Israel and visited the sites of the seven churches of Revelation. For the past twenty-four years, he has served as the director of Abiding Word Ministries, an organization that promotes revival and reformation in the churches of America. les feldick teachings: **Isaiah** Marlene Hales Holley, 2021-11-19 Most importantly, you need to know that Satan has deceived us and blinded us. When you study scriptures, ask who is talking and to whom are they talking to. Know that there are seven dispensations of time. What is law in one may not be law in another. Do not be afraid of Isaiah! Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross (Col. 2:15). When Jesus died on the cross, he set the gospel of the Jews aside until his Second Coming. When Jesus appeared to Saul on the road to Damascus, he changed his name to Paul and sent him to the Gentiles with the gospel of grace. We follow the apostle Paul because he is following the Lord Jesus Christ. The Apostle Paul is for us in this dispensation of grace. We must study Paul's epistles diligently. The gospel of Jesus Christ is his death, burial, and resurrection. God wants us to find his truth. I pray for all humanity to know God.

les feldick teachings: **The Only Way to Heaven** ,Buddy, 2022-08-01 The Only Way to Heaven covers an array of different topics that explain not only how you are going to heaven, but the circumstances you may run into later may cause problems for the child of God. The Bible is explained in a concise and very accurate way for the Bible student that proves it is the Word of God. The plan of salvation is also explained in a simple format. The importance of prayer shows us how we can have victory over defeat. The Only Way to Heaven shows us our archenemy, Satan, and how he has tried to destroy the Christian and his testimony from the beginning. There are also grave warnings for the church and how they are supposed to react to these opposing forces. We see how we can use biblical language to promote the things of God. We see and better understand how the overall biblical view helps us see the big picture whereas we can better live a life whole, complete, and with a peace that passes all understanding. When we seek the things of God and pray for Godly wisdom, He will deliver. Sharing with others these important truths are also vital to the believer. As you read this book, study the different parts of scripture associated to gain deeper meaning and a closer relationship with the Lord. Many living in our time are seeking the truth and the truth can be found through Jesus Christ our Lord. Pray your family and friends know this truth so heaven can be their eternal home. Always strive to know more through the knowledge and wisdom of scripture whereby you can be closer to God and spend eternity with Him. God blesses!

les feldick teachings: *The Real Deal* Gregory Alan Haage, 2008-03 Written in a 'coffee talk' format, this is a VERY helpful book for both the seeker and Bible student. Pastor Greg writes in a style as if he's sitting across from you, talking one to one, fielding your questions about Jesus, as well as, controversial topics. A must-read, aid for everyone's library! In everyone's life there comes a time when they go on a God search, which usually involves listening to religious experts. You watch CNN's Larry King Live show and a supposed religious expert says one thing about what the Bible really says and the very next night a different expert states just the opposite. (Most people think, O.K. What's up with that?) You read about Christians being put in Roman coliseums with lions because they refuse to denounce their King, missionaries in third world countries dying for their faith, study martyrs over the last twenty centuries being killed for the cause only to watch stories of TV preachers living lavish lifestyles of jets, limousines and mansions and say to yourself, What's wrong with this picture? The Biblical insights to all these relevant questions, especially in a crazy, confusing, 9/11, violent world, are in this no non-sense, straight ahead, pull no punches examination of Christianity by Greg Haage, a successful professional musician and recording artist who's now in ministry called to counsel and train others in the faith with one goal in mind: Getting people free

from religious works or denominational duties and pointing them to the One who made the footprints in the sand. www.UpFrontMinistries.com

les feldick teachings: Rightly Dividing the Scriptures Carlos Serra, 2023-02-09 Where will you spend eternity? The Bible can be seen as a reflection of our lives. We are born, we live, and we die. Genesis shows the birth of humankind. Revelation shows its end. Or is it? In Genesis, Satan brought sin into the world and with sin, death. Revelation shows how sin and death will end so eternal life begins. What a divine paradox. Through Christ, what started with death shall end with an endless life: I am he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death. (Revelation 1:18) For believers, death will no longer be because death and hell were cast into the lake of fire. This is the second death. (Revelation 20:14) Along with death and hell, Satan, the Antichrist, the false prophet, and all rebellious nonbelievers will be cast into the lake of fire. Consequently, we should evade such lot. But how? Faith cometh by hearing, and hearing by the word of God. (Romans 10:17) Are you studying the Bible? Do you understand it correctly? Are you mixing messages meant for you with the ones not meant for you? Are you incorporating hypothesis, personal interpretations, traditions, or false doctrines? Are you a lukewarm believer? So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. (Revelation 3:16) This book will serve as a tool to increase your biblical understanding, therefore your faith. Avoid the day of judgment. Don't be a tepid believer. Understand the Bible correctly, and the right way is by following the advice given by the apostle Paul: Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2 Timothy 2:15)

What did you gain when Christ entered into your heart? This book will provide the vital information required to defend your faith. Get ready for God to push the envelope of what you believe.

les feldick teachings: "Churchism in the Church Age" Bill Young, 2018-09-26 Since 70 AD, our so-called Christian forefathers have set us on a course that has only led us further and further away from understanding of the Words from heaven by promoting a false religion known as The Church Age, which I refer to as Churchism. This Church Age did not begin until about 325 AD and it dominated the Christian thinking for some 1,200 years before the Protestants broke away from it about five hundred years ago. It was the Catholic Church who created the Church Age and the world has been drawn into believing in this ghost religion that was never real or legitimate. It was not created from reading and understanding the Words from heaven. So then faith cometh by hearing, and hearing by the word of God (Rom. 10:17, 18). Searching the Words from heaven is our duty to God as well as to ourselves and he will bless who he will bless with understanding. But there are many who will not be so blessed, Unto you (Jesus's disciples) it is given to know the mystery of the kingdom of God: but unto them that are without, all things are done in parables (Mark 4:11). The Church-Age believers are those who are without and for 1,700 years they have remained without, yet the world continues to accept their words as Gospel. There are two ways to know God, one is to see, with an open mind, his Creation in the world and universe, to be attentive to its magnificent diversity and harmony and the other is through his Words that he has written for us. The early American Indian only had the first way of knowing God until the new settlers came to America and introduced Churchism's church salvation. Now both the Indian as well as all the civilized earth have been following a religion which became the worlds' greatest deception and hoax.

les feldick teachings: The Mechanic's Gift - It is Finished John Saurino, 2021-01-22 The story continues as John and his crew work toward getting his brother, Jim, to the National Championship race. But the racing holds a backseat to the biblical lessons that become a more significant element in this adventure. Joshua discusses topics including, What is sin? What will it be like in Heaven? Who was Melchizedek and why is he so important? The shared delight of this learning experience is dampened when unexpected tragedy casts a shadow on their path. Fortunately, the stark realities of life create an even tighter bond between John and his mentor as they explore the true meaning of maturity in Christ and the joy this level of faith possesses. Get ready to advance in your Christian walk and all things that pertain to life and godliness.
