

moody handbook of theology

moody handbook of theology stands as a fundamental resource for students, pastors, and anyone interested in the systematic study of Christian theology. This comprehensive guide offers clear explanations of key theological concepts, biblical doctrines, and the historical development of Christian beliefs. Renowned for its accessibility and depth, the Moody Handbook of Theology serves as both an introduction and a reference tool, making complex theological ideas understandable and applicable. Whether used in academic settings or personal study, this handbook covers a wide range of topics including God's nature, Christology, salvation, and eschatology. This article explores the structure, content, and significance of the Moody Handbook of Theology, highlighting its contribution to contemporary theological education. The following sections will provide a detailed overview of the handbook's features, its theological framework, and its practical use in ministry and scholarship.

- Overview of the Moody Handbook of Theology
- Key Theological Themes Covered
- Structure and Format of the Handbook
- Importance in Theological Education
- Practical Applications for Ministry and Study

Overview of the Moody Handbook of Theology

The Moody Handbook of Theology is widely recognized as a vital resource in evangelical Christian circles. It offers a systematic presentation of biblical doctrines that are rooted in a conservative

theological perspective. Designed to be both comprehensive and accessible, the handbook covers foundational topics such as the nature of God, the authority of Scripture, and the person and work of Jesus Christ. It also delves into more specialized areas like angelology, demonology, and the end times. The handbook's clarity and organization make it suitable for readers at various levels of theological understanding, from beginners to advanced students.

Authorship and Background

The handbook is typically associated with contributors from Moody Publishers, a reputable Christian publishing house. Its content reflects a commitment to biblical orthodoxy and evangelical theology. The contributors combine academic rigor with pastoral insight, ensuring that the material is both doctrinally sound and practically relevant.

Intended Audience

This handbook is designed for seminary students, pastors, teachers, and laypeople who desire a thorough yet understandable exploration of Christian doctrine. Its approachable style encourages readers to engage deeply with theology without being overwhelmed by overly technical language.

Key Theological Themes Covered

The Moody Handbook of Theology systematically addresses the core doctrines that define Christian belief. Each theme is explored with scriptural support and theological clarity, providing readers with a well-rounded understanding of essential Christian teachings.

The Doctrine of God

This section explores the attributes of God, including His omniscience, omnipotence, holiness, and love. It discusses the Trinity, emphasizing the unity and distinctiveness of the Father, Son, and Holy

Spirit within one Godhead. The handbook explains how these attributes impact Christian faith and practice.

Christology

The person and work of Jesus Christ are central to the handbook's theological framework. It details Christ's divine and human natures, His incarnation, atoning death, resurrection, and ongoing intercession. This section highlights the significance of Christ's role in redemption and salvation history.

Soteriology

The doctrine of salvation is thoroughly examined, including topics such as justification, sanctification, and glorification. The handbook outlines how salvation is a gift of grace received through faith, emphasizing the transformative work of the Holy Spirit in the believer's life.

Eschatology

The study of last things, or eschatology, is an important feature of the Moody Handbook of Theology. It covers biblical teachings on the second coming of Christ, the resurrection of the dead, the final judgment, heaven, and hell. Various eschatological views are presented with careful biblical analysis.

Other Key Doctrines

- **Bibliology:** The nature and authority of Scripture
- **Anthropology:** The study of humanity and the image of God

- Ecclesiology: The doctrine of the church and its mission
- Angelology and Demonology: The study of spiritual beings

Structure and Format of the Handbook

The Moody Handbook of Theology is organized to facilitate both systematic study and quick reference. Its format balances detailed explanations with concise summaries, making it an effective educational tool.

Chapter Organization

The handbook is divided into thematic chapters that logically progress from the nature of God to practical theology and eschatology. Each chapter provides foundational definitions, scriptural references, and theological interpretations, allowing readers to build their knowledge step-by-step.

Use of Scripture and Illustrations

The text is heavily grounded in biblical citations, reinforcing theological points with clear scriptural evidence. Additionally, the handbook often includes charts, diagrams, and illustrative examples to clarify complex doctrines and enhance comprehension.

Study Aids and Features

Many editions of the Moody Handbook of Theology incorporate helpful features such as:

- Glossaries of theological terms

- Discussion questions for group study
- Summaries at the end of each chapter
- Indices for quick topic location

Importance in Theological Education

The Moody Handbook of Theology plays a significant role in both formal theological education and personal study. Its balanced approach ensures that students receive a solid doctrinal foundation while remaining connected to practical ministry concerns.

Use in Seminaries and Bible Colleges

Many evangelical seminaries and Bible colleges incorporate the handbook into their curricula as a foundational textbook. It supports courses in systematic theology, biblical studies, and pastoral training by providing clear and concise doctrinal summaries.

Resource for Pastoral Training

Pastors and church leaders rely on the handbook to prepare sermons, teach doctrinal classes, and deepen their own theological understanding. Its comprehensive coverage equips leaders to address challenging theological questions within their congregations.

Accessibility for Laypeople

The handbook's clear language and organized presentation make it accessible to committed lay Christians who wish to strengthen their theological knowledge. It serves as a valuable reference for

personal study, small group discussions, and church education programs.

Practical Applications for Ministry and Study

Beyond academic use, the Moody Handbook of Theology offers practical benefits for ministry and everyday Christian living. Its teachings inform preaching, counseling, discipleship, and apologetics.

Enhancing Preaching and Teaching

The handbook's systematic presentation of doctrine helps pastors and teachers develop well-rounded sermons and lessons that are biblically sound and theologically rich. It encourages clarity and depth in communicating essential Christian truths.

Supporting Discipleship and Spiritual Growth

By providing a solid theological foundation, the handbook supports discipleship efforts that cultivate mature faith. Understanding key doctrines helps believers grow in their knowledge of God and their personal relationship with Christ.

Equipping for Apologetics

The Moody Handbook of Theology equips Christians to engage thoughtfully and respectfully in defending their faith. It addresses common theological questions and objections, arming believers with biblical answers and reasoned arguments.

Summary of Practical Uses

- Preparation of sermons and Bible studies
- Personal growth in theological understanding
- Teaching foundational doctrines in church settings
- Equipping for effective Christian witness and apologetics

Frequently Asked Questions

What is the Moody Handbook of Theology?

The Moody Handbook of Theology is a comprehensive reference book that provides clear and concise explanations of key theological concepts, doctrines, and biblical teachings, designed to support students, pastors, and anyone interested in Christian theology.

Who is the author of the Moody Handbook of Theology?

The Moody Handbook of Theology was edited by Paul Enns, a respected theologian and professor, who compiled contributions from various scholars to create a reliable and accessible theological resource.

What topics are covered in the Moody Handbook of Theology?

The handbook covers a wide range of topics including biblical studies, systematic theology, church history, apologetics, and practical theology, making it a well-rounded resource for understanding Christian doctrine and practice.

How is the Moody Handbook of Theology useful for seminary students?

Seminary students find the Moody Handbook of Theology useful because it offers succinct summaries of complex theological issues, clear definitions, and scriptural references, serving as an excellent study aid and quick reference during their coursework.

Is the Moody Handbook of Theology suitable for laypeople or only for theologians?

The Moody Handbook of Theology is suitable for both laypeople and theologians; it is written in an accessible style that helps non-experts grasp theological concepts while still providing depth and scholarly insight appreciated by advanced readers.

Additional Resources

1. *Systematic Theology* by Wayne Grudem

This comprehensive work offers a detailed exploration of Christian doctrines, systematically arranged to provide clarity and depth. Grudem's approachable writing style makes complex theological concepts accessible to students and pastors alike. The book serves as an excellent companion for those studying the Moody Handbook of Theology, expanding on key themes with biblical support and practical application.

2. *Christian Theology: An Introduction* by Alister E. McGrath

McGrath's text is a well-respected introduction to the major doctrines of the Christian faith, blending historical context with contemporary theological insights. It provides a balanced overview that helps readers understand the development and significance of core beliefs. This book complements the Moody Handbook by offering a broader perspective on theology's role in church and society.

3. *Theology: The Basics* by Alister E. McGrath

Designed for beginners, this book breaks down essential theological concepts into clear, concise explanations. McGrath addresses foundational topics such as the nature of God, Christology, and

salvation in an accessible manner. It pairs well with the Moody Handbook for readers seeking an introductory yet thorough grasp of Christian theology.

4. *Biblical Theology: Old and New Testaments* by Geerhardus Vos

Vos's work is a classic in biblical theology, tracing the progressive revelation of God's plan throughout Scripture. It emphasizes the unity and diversity within the Bible, helping readers understand theological themes in their biblical context. This book enriches the study of theology by grounding doctrinal understanding in the narrative of Scripture, complementing the Moody Handbook's approach.

5. *The Christian Faith: A Systematic Theology for Pilgrims on the Way* by Michael Horton

Horton presents a robust and engaging systematic theology that connects doctrine with Christian living. The book emphasizes the gospel's centrality and addresses contemporary challenges to orthodox beliefs. It is an excellent resource for those who appreciate the Moody Handbook's clarity and depth, offering a pastoral and practical perspective.

6. *Systematic Theology: An Introduction to Biblical Doctrine* by Wayne Grudem

This foundational text meticulously outlines biblical doctrines with extensive Scripture references and clear explanations. Grudem's systematic approach helps readers build a coherent understanding of Christian beliefs. It serves as a valuable supplement to the Moody Handbook, especially for those wanting a more detailed study of theological topics.

7. *Introducing Christian Doctrine* by Millard J. Erickson

Erickson's work is known for its thoroughness and balanced presentation of Christian doctrine. It addresses key theological issues with careful reasoning and an ecumenical spirit. This book can deepen the reader's knowledge alongside the Moody Handbook by providing additional perspectives and insights.

8. *God's Big Picture: Tracing the Storyline of the Bible* by Vaughan Roberts

Roberts focuses on the overarching narrative of Scripture, showing how all biblical books contribute to God's redemptive plan. This thematic approach helps readers see theology in the context of God's story. It complements the Moody Handbook by offering a narrative framework that enriches doctrinal

understanding.

9. *Theology for the Community of God* by Stanley J. Grenz

Grenz explores theology with an emphasis on its communal and relational aspects, highlighting the church's role in understanding and living out the faith. The book integrates biblical scholarship with contemporary issues, making theology relevant to today's believers. It pairs well with the Moody Handbook for readers interested in the practical implications of theological study.

moody handbook of theology: *The Moody Handbook of Theology* Paul P Enns, 2008-02-01 The Moody Handbook of Theology leads the beginner into the appreciation and understanding of this essential field of study. It introduces the reader to the five dimensions that provide a comprehensive view of theology: biblical, systematic, historical, dogmatic and contemporary. The apostle Paul wrote that all Scripture is 'profitable for teaching' (2 Tim. 3:16), that Timothy should 'pay close attention to...your teaching' (1 Tim. 4:16), and that leaders should 'be able both to exhort in sound doctrine and to refute those who contradict' (Titus 1:9). When he wrote these statements, Paul was referring to theology. Beyond giving basic definitions and general descriptions, author Paul Enns summarized the substantial features of theology. In this way, he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher. There are fifty-five informative charts located at strategic points throughout the book.

moody handbook of theology: Moody Handbook of Theology , 2020-05-12 Farsi Translation of Handbook of Theology by Paul Enns

moody handbook of theology: **MOODY HANDBOOK OF THEOLOGY.** PAUL P. ENNS, 1999

moody handbook of theology: The Moody Handbook of Preaching John Koessler, 2008-05-01 Unnatural. Supernatural. A gift. Hard work. Exhilarating. Terrifying. These words only begin to describe the challenge and reward each pastor experiences. A rich resource, The Moody Handbook of Preaching encompasses the philosophy, formation, and delivery of preaching. Whether you're a seminary student or a seasoned pastor, this book will prove invaluable in your call by God to preach.

moody handbook of theology: **A Biblical Theology of the Church** Mal Couch, 1999 Now in paperback, this extensive resource examines the doctrine of the church and offers guidance on mission, pastoral care, leadership, and government in the local church. Numerous Scripture references, practical suggestions, and discussion questions for every chapter make this work on ecclesiology perfect for both personal and group study.

moody handbook of theology: **Heaven Revealed** Paul P. Enns, 2011-03-01 There are so many questions in life, but few are as universal as this: What is the afterlife like? For those who have put their hope and trust in Jesus Christ here on earth, heaven awaits. Addressing questions as basic as What will we do there? and What is it like?, theologian Dr. Paul Enns dives deep into the Scriptures

while reflecting on the very personal nature of what is to come. *Heaven Revealed* is a helpful, easy-to-read guidebook for Christians as well as an encouragement for those of us who are left here on earth after our Christian loved ones fall asleep in the Lord. Follow along as Dr. Enns succinctly leads you through what the Bible has to say about heaven. In grief, we all need hope—hope for our loved ones who are now gone, and hope for ourselves as eternity looms closer. Heaven should be something to look forward to, not something to be confused about.

moody handbook of theology: Apostolic Perspective on Systematic Theology Dr. Adrian G. Haymond, 2015-10-30 *Apostolic Perspective on Systematic Theology* delves into the major doctrines that formulate the Christian belief, explained from an Apostolic point of view. The book explores various facets of theology, including God and the Godhead, man and sin, angels and demons, covenants and dispensations, and last things. It compares through study of the Scriptures in both testaments to arrive at a reasoned argument for stances on various subjects as salvation, the nature of the Godhead, the deity of Christ, and the inerrancy of the Bible. The purpose of the book is to instill a love of study for the serious Bible student that compels the reader to apply sound hermeneutical principles in defense of the hope that lies within the believer. As there is no premium on ignorance of the principles that lie within the Word of God, the author compares each facet of doctrine while building a comprehensive system of theology that can stand against the face of higher criticism and doctrinal error, providing the reader with a reasonable explanation of what is most precious to all Christians ones own faith.

moody handbook of theology: Deconstructing Evangelicalism Jamin Andreas Hübner, 2020-01-01 This book is electric! Hübner goes about Deconstructing Evangelicalism with the skills available only to someone formerly embedded in the apologetics-oriented, take-no-prisoners, Calvinist-Piperian-Brownian conservative evangelical subculture. Brilliant. Learned. Passionate. Creative. Angry. Hopeful? Maybe. You must read it for yourself and find out. I will be studying this book for a long time to come. -DAVID GUSHEE Past President, American Academy of Religion and Distinguished University Professor of Ethics, Mercer University This book is special: at once incendiary and charming, you are invited into the world of Christian fundamentalism, in all of its glory and complexities and traumatic realities. This world is a crazy place, filled with all of the political zealotry, casual sex(ism), and apocalyptic young-earth creationism one could desire. Hübner's story is a dynamic, sobering testament to that reality. From the depths of his days as an Internet apologist to his interdisciplinary career as a professor, we see the impact of religious fundamentalism on heart, mind, and body. For those who have walked through the valley of the shadow of fear, may you be filled with curiosity and joy at the sight of another theologian on the journey. From one sojourner to another, I am happy to commend to you the work of my colleague and dear friend. -NICHOLAS RUDOLPH QUIENT Associate Pastor, The First Baptist Church of Redlands Co-Host of the Sinnergists Podcast and Author of *The Perfection of Our Faithful Wills* Many of Jamin's experiences mirror my own, and I am grateful we were friends while surviving as faculty at evangelical liberal arts colleges. Reading this book has once again encouraged me, and given me a hopeful way forward, as he always has as a friend. His theological nuance and understanding highlights why evangelicalism is, in many ways, so superficial, and it will encourage anyone that their own deconstruction can lead to a stronger, more robust, and more inclusive faith in God. I will be passing along his book to my friends who come to me for help as they struggle with asking questions of who God really is. -KRISTY WHALEY PhD Theology (Candidate), University of Glasgow, Former Theology Faculty, Colorado Christian University

moody handbook of theology: Christ Before the Manger Ron Rhodes, 2002-07-12 This is the most biblically based, theologically sound, and spiritually helpful work on the person and attributes of the preincarnate Christ to appear in many years. Norman L. Geisler, Southern Evangelical Seminary An unusually thorough and helpful treatment of a greatly neglected but vital subject. Donald K. Campbell, President, Dallas Theological Seminary This work addresses an area of neglect in the study of the person and work of Christ, and its publication is overdue. Readers will find interesting insights into this significant part of the life of Christ which will help them evaluate

the Gospels as well as establish their basic view of Christ himself. John S. Walvoord, Chancellor, Dallas Theological Seminary

moody handbook of theology: What Has Religion Studies in Africa Been Up To? Jaco Beyers, 2023-04-05 The purpose of the book is to provide a collection of perspectives from various parts of Africa on what scholars in religion studies are currently engaged with, whether it refers to topics or methodology. Each chapter is written from the perspective of a scholar working within a particular context on a particular theme or topic related to religion studies. Several methodologies have been implemented in each contribution to the book. Each contribution applies a different methodology for the purpose of investigating a specific topic or research theme. In general, the majority of the contributions follow a method of critical literature review as applied to a specific field. The book is not intended to provide an exhaustive list of all possible topics and themes addressed in current research in Africa. From a decolonized perspective, the book gives voice to African scholars who exhibit their scholarly work as related to religion studies. Topics addressed include curriculum design and pedagogical approaches in teaching religion studies, the relation between religion and culture in an African context, religion and health, religion and gender, interreligious relations in Africa, religion and ecology, and religion and mission.

moody handbook of theology: Come Out The Bubbles Of Religion Curtis Marsh, 2016-01-31 In this second volume of this "Tool" Coming out of the Bubbles of Religion, Vision plays a big part. However, without vision a leader will become "Foible" and circumscribed and useless. Religion may appear to mean well but shortly or long term will eventually fail. Religion will have you worshipping "Strange Fire." Nevertheless, one way to look at it is religion requires entertainment in order for it to work or be maintained. Therefore, I have provided simple contexture Biblical applications to show how Vision transpires beyond the immediate and assesses the long term.

moody handbook of theology: That They Might Seek Him Steven B. Kern, 2021-05-21 While state governments determine the "Who?" "How many?" and "Under what conditions?" of immigration, God has determined the "Why?" He orchestrates the times and locations of the nations "that they might seek Him" (Acts 17:24-27). The sovereign God of the universe has redemptive purpose in the movements of the people. In many instances, the formerly "unreached" are moving "within reach." In God's plan, Christ-followers are instruments of compassion and ambassadors of hope. They are invited to respond. That They Might Seek Him: Introduction to Migration Ministry is written with this responsibility in mind. Targeting both students and practitioners, it informs, inspires, and equips. •Learn what the Bible says about migration . . . then and now. •Respond to factors at play in immigration policy development. •Embrace the challenges of message contextualization and migrant integration. •Identify tools for fruitful engagement. •Develop a strategy for fruitful ministry.

moody handbook of theology: Philosophy of Religion Mercy Chizi Nyale, Njuguna Waitherero, Dr Emmanuel O. Oyemomi, Margaret Dama Yaa, 2022-12-16 TOPICS IN THE BOOK An Evaluatory Study of a Rocha Kenya's Christian Approach in Conservation of Nature in Kilifi County Utuism: The African Definition of Humanism The Past, the Present and the Future State of Biblical Theology for African Ecclesiology An Analysis of the Burial Rites Conflicts between Agiriama Christians and African Religious Adherents, Kilifi County Kenya Distinctive of Pentecostalism and Biblical Revelation for African Ecclesiology

moody handbook of theology: How to Study the Bible Willis C. Newman, 2010-04-30 This book covers the basic concepts concerning the interpretation of the Bible. The major sections covered include personal preparation steps, kinds of interpretation, procedures for interpretation, rules of interpretation, types of biblical literature, special forms of literature, and personal application of Bible truths. There is an introduction to many Bible study tools. There is an emphasis on the literal method, which means to interpret the Bible in a plain, literal, straightforward manner using the normal rules of literature interpretation.

moody handbook of theology: The Exegetical Study Guide Series A. T. Steele, A T Steele M DIV M a, 2009-06 Do you have a desire to know the on-the-ground facts concerning the validity of

the New Testament? Have you ever wanted to know what the original languages were and what they said, and to stop relying upon one published translation after another, without studying the languages? Want a different kind of New Testament commentary that is not boring and will excite you to understand how and why the New Testament came to be? Need Solid proof of the validity of the New Testament and the statements of the Messiah? Desire a ground-breaking work that will unite the pages of history with the pages of the Bible? The Exegetical Study Guide Series by A. T. Steele will provide the reader with understandable, yet technical, access to the original language without having ever taken one course to do so. Far from being a surface-level study, this book will draw the reader into the richness and depth of the New Covenant concept, rife with life-applications. Prepare to understand the original New Testament content as it was intended to be understood by its original authors. It is a beginner's guide to deeper New Testament study as well as a long-awaited work for the bible student, and can be utilized in personal and group studies, collegiate pursuits and as a reference for research. Steele's methods of explaining the original Greek of the New Testament and demonstrating how it is translated is a careful crafted and designed for the average reader, and is positively unlike anything else found on the subject. The reader will assuredly walk away from the book with a new outlook on how the New Testament came to be, and how history was awakened in the first-century. This book should be in the hands of any serious student of biblical exegesis, and every serious Christian who is on the path of real discipleship.

moody handbook of theology: Leading Beyond Pierre Everson Cannings, 2024-06-21 A common cliché states that Sunday is the most racially divided day of the week. Authors have attempted to study the division in church, but it continues to be a perpetual problem for Christianity. The racial divide in Christianity demands continual study and research dedicated to finding answers in the history of the Bible. The book of Acts provides the historical account of the early church's cultural diversity and the apostles' leadership to spread the gospel all over the world in the first century. Therefore, it is critical to research the apostles' leadership, specifically Peter and Paul, to the diversity of the early church following Pentecost in the book of Acts and to apply discovered leadership principles to modern-day church.

moody handbook of theology: Evangelical Bible Doctrine Dr. Keith Sherlin, 2015-12-10 Over twenty-one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr. Mal Couch as well as to promote a solid, sacred, and safe theological manual for the body of Christ. Colleagues and friends of Dr. Couch, such as Dr. Wayne House, Dr. Norman Geisler, Dr. Arnold Fruchtenbaum, Dr. Timothy Demy, and more, along with many of Mals students and disciples, set forth in this work a biblical and practical theology. The first half of the book covers all twelve of the major biblical doctrines of Christianity. The last half covers some of the hottest theological topics and practical issues that present-day believers ought to be aware of in order to properly defend the faith. In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith. So if you are curious about what a holistic evangelical faith looks like, and even curious as to how dispensationalism fits within orthodox evangelicalism, this book will provide for you a solid resource for many years to come.

moody handbook of theology: Jesus Christ: Fully God, Fully Man Charles Z. Barwon BTh MTh ThM MA, 2025-08-04 This book explains Jesus's two natures in a way relevant to the modern reader. It clearly describes the struggle to understand Jesus's two natures and points out inadequacies in the views of some church fathers who misinterpreted the meaning of Jesus's two natures. This book uses the affirmation of the Council of Chalcedon, AD 451, to explain Jesus's two natures and establish that Jesus is fully God and man. This book takes on a historical and theological stance. Still, it can be appreciated by both theologians and nontheologians because it articulates with clarity and simplicity the significance of Jesus's two natures for the Christian faith.

moody handbook of theology: The Wiley Blackwell Companion to Practical Theology Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field, The Wiley-Blackwell Companion to Practical Theology presents an introduction to practical

theology as a major area of Christian study and practice, including an overview of its key developments, themes, methods, and future directions. The first comprehensive reference work to provide a survey, description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas, issues, and figures in practical theology Reviews an extensive range of methods for studying theology in practice, along with sub-disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life

moody handbook of theology: The Anti-Gospel Edward Hendrie, 2012-03-19 Edward Hendrie uses God's word to strip the sheep's clothing from false Christian ministers and expose them as ravening wolves preaching an anti-gospel. The anti-gospel is based on a myth that all men have a will that is free from the bondage of sin to choose whether to believe in Jesus. The Holy Bible, however, states that all men are spiritually dead and cannot believe in Jesus unless they are born again of the Holy Spirit. Ephesians 2:1-7; John 3:3-8. God has chosen his elect to be saved by his grace through faith in Jesus Christ. Ephesians 1:3-9; 2:8-10. God imbues his elect with the faith needed to believe in Jesus. Hebrews 12:2; John 1:12-13. The devil's false gospel contradicts the word of God and reverses the order of things. Under the anti-gospel, instead of a sovereign God choosing his elect, sovereign man decides whether to choose God. The calling of the Lord Jesus Christ is effectual; all who are chosen for salvation will believe in Jesus. John 6:37-44. The anti-gospel has a false Jesus, who only offers the possibility of salvation, with no assurance. The anti-gospel blasphemously makes God out to be a liar by denying the total depravity of man and the sovereign election of God. All who preach that false gospel are under a curse from God. Galatians 1:6-9.
