History and Background of the Mary Elizabeth Harriman Foundation

The Mary Elizabeth Harriman Foundation was established in the early 20th century, rooted in the vision of its founder, Mary Elizabeth Harriman. Known for her philanthropic spirit, Harriman sought to create a lasting institution that would support causes close to her heart, including education, health, and the arts. Over the decades, the foundation has evolved to address contemporary social challenges while maintaining its commitment to community enrichment and sustainability. The foundation's endowment has grown substantially, enabling it to expand the scope of its charitable activities and increase the scale of its grantmaking efforts.

Founding Principles and Early Contributions

Mary Elizabeth Harriman's initial contributions focused on education and public health, reflecting her belief in empowering individuals through knowledge and well-being. The foundation's early projects included funding scholarships, supporting hospitals, and underwriting cultural institutions. These efforts established a model of targeted giving that

has been refined over time to maximize impact and efficiency. The legacy of these early initiatives continues to inform the foundation's strategic priorities and community engagement.

Mission and Core Values

The Mary Elizabeth Harriman Foundation operates under a clearly defined mission that emphasizes advancing social good through thoughtful philanthropy. The foundation prioritizes equity, sustainability, and innovation in its approach to grantmaking and community partnerships. Its core values include transparency, accountability, and a commitment to fostering inclusive growth that benefits diverse populations. This mission guides every aspect of the foundation's work, from identifying funding opportunities to evaluating program outcomes.

Commitment to Social Responsibility

Central to the foundation's mission is a strong dedication to social responsibility. This involves supporting initiatives that address systemic issues such as poverty, educational disparities, and environmental degradation. By aligning its resources with community needs and collaborating with stakeholders, the foundation ensures that its contributions generate measurable and lasting benefits. The Mary Elizabeth Harriman Foundation also emphasizes ethical stewardship of its assets to sustain its philanthropic impact over the long term.

Grantmaking Programs and Focus Areas

The foundation's grantmaking portfolio is diverse, encompassing several key focus areas that reflect its strategic priorities. These areas include education, health and wellness, arts and culture, environmental conservation, and community development. Each program is designed to support organizations and projects that demonstrate strong potential for positive change and align with the foundation's mission.

Education Initiatives

Education grants from the Mary Elizabeth Harriman Foundation are aimed at improving access to quality learning opportunities for underserved populations. Funding is directed toward scholarships, literacy programs, school infrastructure improvements, and innovative educational models that foster academic success and lifelong learning.

Health and Wellness Programs

Health-related grants support medical research, public health campaigns, mental health services, and initiatives that promote healthy lifestyles. The foundation recognizes the critical role of health in overall community well-being and prioritizes projects that address both prevention and treatment.

Environmental and Conservation Efforts

Environmental stewardship is a significant aspect of the foundation's work. Grants in this category fund conservation projects, renewable energy initiatives, and sustainability education programs. The foundation aims to contribute to the preservation of natural resources and the mitigation of climate change impacts.

Arts and Culture Support

Recognizing the transformative power of the arts, the foundation invests in cultural institutions, public art projects, and programs that enhance cultural awareness and creativity. These efforts help to enrich communities and promote cultural diversity.

Community Impact and Notable Projects

The Mary Elizabeth Harriman Foundation has made substantial contributions to numerous community projects, resulting in tangible improvements in quality of life and social equity. Its impact is evident in the enhanced educational outcomes, increased access to healthcare services, and strengthened cultural institutions within the regions it serves.

Key Community Development Projects

Some of the foundation's most notable projects include revitalization efforts in underserved neighborhoods, support for affordable housing initiatives, and funding for community centers that provide critical social services. These projects have fostered community cohesion and created opportunities for economic advancement.

Success Stories and Outcomes

Evaluations of the foundation's programs consistently highlight significant achievements, such as increased graduation rates, improved public health metrics, and greater environmental awareness among community members. These outcomes underscore the foundation's effectiveness in deploying resources strategically to generate lasting benefits.

Partnerships and Collaborations

The Mary Elizabeth Harriman Foundation actively cultivates partnerships with nonprofit organizations, government agencies, and private sector entities. These collaborations enhance the foundation's capacity to address complex social issues by leveraging diverse expertise and resources. Partnerships also facilitate innovation and enable scaling of successful programs.

Notable Collaborative Efforts

Examples of collaborations include joint funding initiatives for public health emergencies, co-sponsored educational conferences, and multi-stakeholder environmental restoration projects. Such efforts demonstrate the foundation's commitment to working collectively for greater impact.

Application Process and Eligibility Criteria

The foundation maintains a transparent and structured application process to ensure fair consideration of grant proposals. Prospective applicants must meet specific eligibility criteria related to organizational status, program alignment with foundation priorities, and demonstrated capacity for effective project implementation.

Steps to Apply for a Grant

1. Review the foundation's funding priorities and guidelines carefully.
2. Prepare a detailed proposal outlining the project objectives, budget, and expected outcomes.
3. Submit the application through the designated platform or by mail, according to instructions.
4. Participate in any follow-up inquiries or interviews as requested by the foundation staff.
5. Await notification of grant decisions, which typically occur within a specified review period.

Eligibility Requirements

Eligible applicants generally include nonprofit organizations, educational institutions, and public agencies. The foundation prioritizes entities with a proven track record and capacity to manage funded projects effectively. Adherence to reporting and accountability standards is also mandatory for grantees.

The last chapter is on the Long Island Serial Killer written by Jennifer J Slate

mary elizabeth harriman foundation: *A New Kind of Monster* Timothy Appleby, 2011-04-05
The horrific and astonishing true story of the double life of Russell Williams, who was at once a respected figure in the Canadian military and a ruthless sado-sexual serial criminal and murderer. A model officer and elite pilot, Colonel Russell Williams was trusted with flying international dignitaries including Queen Elizabeth, as well as commanding Canada's most important military airbase. Yet his dark and violent secret life included breaking into 82 homes of girls and women; thefts of vast amounts of lingerie (which he dressed in); two bizarre sexual assaults that left an uncomprehending Ontario village on a knife's-edge; and eventually, two rape-murders. In *A New Kind of Monster*, veteran Globe and Mail crime reporter Tim Appleby chronicles a true story that could have been lifted from the darkest pages of pulp fiction, one that offers fascinating--and troubling--insights on human psychopathology.

mary elizabeth harriman foundation: *Improving Connections Between Governments and Nonprofit and Voluntary Organizations* Queen's University (Kingston, Ont.). School of Policy Studies, 2002 Governments and non-profit organisations are becoming increasingly intertwined in a complex policy dance as they attempt to improve service delivery to Canadians. Yet little is known about developments across the various jurisdictions. This collection of conference papers and notes begins an important dialogue across the divides that exist nationally and internationally. Topics include the Voluntary Sector Initiative, regulatory and legislative reform, charity commissions, non-governmental organisations abroad, civil society and volunteerism, privacy and language issues in the sector, and challenges facing governments and voluntary organisations as they learn to work together. *Improving Connections between Governments, Nonprofit and Voluntary Organisations* resulted from the Queen's Public Policy and Third Sector conference that brought together prominent Canadian representatives from the third sector, federal and provincial governments, and academic community. Special contributions are included from Chief Charity Commissioner for England and Wales John Stoker, General Secretary for CARE International Guy Tousignant, and BC Minister of Community Development, Co-operatives and Volunteers Jenny Kwan. Contributors include Susan Fletcher (PCO), Susan Carter (Voluntary Sector Secretariat), Patrick Monahan (Osgoode Hall), Arthur Drache (QC), Monica Patton (Community Foundations of Canada), Al Hatton (National Voluntary Organisations), Rainer Knopff (Calgary), Terry Goertzen (Manitoba), Hal Gerein (BC), Deena White (Université de Montréal), Michael Hall (Canadian Centre for Philanthropy), Paddy Bowen (Volunteer Canada), Miyo Yamashita (Mt. Sinai Hospital), David Cameron (University of Toronto), Penelope Rowe (Community Services Council), Vivian Randell (Newfoundland), Katherine Graham (Carleton), Tim Simboli (Ottawa Carleton Family Service Centre), Peter Levesque (CURA).
