

mr nice guy syndrome

mr nice guy syndrome is a psychological pattern often observed in men who prioritize pleasing others to the extent that it negatively impacts their well-being and personal growth. This syndrome involves behaviors rooted in seeking approval, avoiding conflict, and suppressing one's own needs. Understanding the symptoms, causes, and effects of mr nice guy syndrome is crucial for recognizing unhealthy relational dynamics and fostering emotional balance. This article explores the core characteristics of mr nice guy syndrome, its impact on mental health and relationships, and practical strategies for overcoming these challenges. Readers will also gain insight into how this syndrome relates to broader concepts of self-esteem, assertiveness, and masculinity. The following sections provide an in-depth analysis of the syndrome's definition, origins, manifestations, and treatment options.

- Understanding Mr Nice Guy Syndrome
- Causes and Psychological Roots
- Common Signs and Symptoms
- Impact on Relationships and Mental Health
- Strategies for Overcoming Mr Nice Guy Syndrome

Understanding Mr Nice Guy Syndrome

Mr nice guy syndrome refers to a behavioral and emotional pattern where men consistently try to be agreeable, accommodating, and conflict-avoidant, often at their own expense. This syndrome is characterized by an excessive desire to be liked and accepted by others, leading to suppressed feelings and unmet personal needs. The term gained popularity through self-help literature that highlights the tendency of some men to seek external validation by being overly "nice," which paradoxically results in frustration and dissatisfaction. Understanding this syndrome requires recognizing how these behavioral tendencies manifest and the psychological mechanisms behind them.

Definition and Key Characteristics

At its core, mr nice guy syndrome describes a man who:

- Prioritizes others' needs over his own

- Avoids confrontation and difficult conversations
- Suppresses anger and other negative emotions
- Seeks approval through compliance and helpfulness
- Experiences frustration due to unexpressed desires

These traits often result in a disconnect between the man's authentic self and the persona he projects to gain acceptance.

Psychological Framework

Psychologically, mr nice guy syndrome can be viewed as a coping mechanism rooted in early life experiences. It often involves internalized beliefs such as "I am only lovable if I am good" or "I must avoid conflict to be accepted." These beliefs shape behavior patterns that are reinforced over time through social interactions. The syndrome is linked to issues like low self-esteem, fear of rejection, and difficulties with emotional expression, making it a complex mental health concern rather than a simple personality trait.

Causes and Psychological Roots

The development of mr nice guy syndrome is influenced by various environmental, familial, and cultural factors. Understanding these underlying causes is essential for addressing the syndrome effectively and promoting healthier behavioral patterns.

Early Childhood Influences

Many men with mr nice guy syndrome report childhood experiences where love and approval were conditional. For example, growing up in families with high expectations, emotional neglect, or inconsistent affection can lead to the belief that one must "earn" love through good behavior. This condition fosters the habit of people-pleasing and suppressing negative emotions to maintain familial harmony or avoid punishment.

Social and Cultural Conditioning

Societal norms and cultural expectations about masculinity also contribute to the syndrome. Men are often socialized to be stoic, agreeable, and non-confrontational, which can reinforce tendencies to avoid expressing vulnerability or dissatisfaction. The pressure to appear "nice" or "good" aligns with traditional views of male behavior, but when taken to extremes,

it can hinder authentic self-expression and personal growth.

Psychological Mechanisms

Key psychological mechanisms behind mr nice guy syndrome include:

- **Approval-seeking:** Strong motivation to gain acceptance from others.
- **Conflict avoidance:** Fear of disagreement or rejection leads to suppressing one's true feelings.
- **Emotional repression:** Difficulty acknowledging or expressing anger, sadness, or frustration.
- **Codependency:** Over-reliance on relationships for self-worth.

Common Signs and Symptoms

Recognizing the signs and symptoms of mr nice guy syndrome can help individuals identify the pattern in themselves or others. These indicators often manifest in emotional, relational, and behavioral domains.

Behavioral Indicators

Typical behaviors associated with mr nice guy syndrome include:

- Constantly saying "yes" to requests, even when inconvenient
- Avoiding expressing true opinions to keep peace
- Excessive efforts to please partners, friends, or colleagues
- Difficulty setting boundaries or saying "no"
- Engaging in passive-aggressive behaviors due to unexpressed resentment

Emotional Symptoms

Emotionally, men with this syndrome may experience:

- Feeling unappreciated or taken for granted

- Internal frustration and resentment
- Low self-esteem and self-doubt
- Suppressed anger or irritability
- Anxiety related to social interactions

Relational Patterns

The syndrome often impacts relationships by creating imbalances where the "nice guy" gives disproportionately without receiving adequate emotional support. This dynamic can lead to:

- Unhealthy dependence on validation from others
- Difficulty expressing needs and desires openly
- Feelings of resentment toward partners or friends
- Repetitive cycles of disappointment and conflict avoidance

Impact on Relationships and Mental Health

Mr nice guy syndrome has significant consequences for both interpersonal relationships and individual mental well-being. Understanding these impacts highlights the importance of addressing the syndrome in therapeutic or self-help contexts.

Relationship Challenges

In romantic, familial, and professional relationships, men with mr nice guy syndrome often face:

- Lack of authentic communication leading to misunderstandings
- Imbalanced dynamics where their needs are unmet
- Frustration that may manifest as passive-aggression or withdrawal
- Difficulty maintaining mutual respect and intimacy

These challenges undermine relationship satisfaction for both parties.

Mental Health Consequences

The psychological toll of living with mr nice guy syndrome can include:

- Chronic stress and anxiety from suppressing emotions
- Depression linked to feelings of inadequacy and low self-worth
- Identity confusion due to disconnect between authentic self and social mask
- Potential development of codependent or unhealthy attachment styles

Professional Impacts

In the workplace, men exhibiting mr nice guy syndrome may struggle with:

- Assertiveness in negotiations or leadership roles
- Burnout from overextending themselves to please colleagues
- Difficulty advocating for promotions or recognition

Strategies for Overcoming Mr Nice Guy Syndrome

Addressing mr nice guy syndrome involves developing self-awareness, emotional intelligence, and assertiveness skills. Various therapeutic and self-help approaches can facilitate this transformation.

Building Self-Awareness

The first step in overcoming mr nice guy syndrome is recognizing the patterns and beliefs driving the behavior. This can be achieved through:

- Journaling to explore emotions and motivations
- Mindfulness practices to observe thoughts without judgment
- Therapeutic work with a psychologist or counselor

Developing Assertiveness

Learning to set healthy boundaries and express needs clearly is essential. Techniques include:

- Practicing saying "no" in low-risk situations
- Using "I" statements to communicate feelings and desires
- Role-playing assertive communication in therapy or support groups

Enhancing Emotional Expression

Overcoming emotional repression requires cultivating comfort with all feelings, including anger and sadness. Strategies involve:

- Engaging in activities that promote emotional release, such as art or writing
- Exploring emotions in therapy sessions
- Building supportive relationships where vulnerability is safe

Reframing Core Beliefs

Challenging and changing limiting beliefs about self-worth and approval is crucial. Cognitive-behavioral techniques help by:

- Identifying negative thought patterns
- Replacing them with realistic, positive affirmations
- Practicing self-compassion and acceptance

Seeking Professional Support

Therapists specializing in men's issues, codependency, or assertiveness training can provide tailored interventions. Group therapy or workshops focused on personal growth may also be beneficial.

Frequently Asked Questions

What is Mr. Nice Guy Syndrome?

Mr. Nice Guy Syndrome is a psychological pattern where men prioritize being overly agreeable, avoiding conflict, and seeking approval to gain acceptance and avoid rejection.

What are common signs of Mr. Nice Guy Syndrome?

Common signs include difficulty saying no, suppressing true feelings, fear of conflict, seeking validation from others, and putting others' needs before their own to an unhealthy extent.

What causes Mr. Nice Guy Syndrome?

It often stems from childhood experiences where men learned that being 'nice' and compliant was necessary to gain love, avoid punishment, or feel worthy.

How does Mr. Nice Guy Syndrome affect relationships?

It can lead to unbalanced relationships where the 'nice guy' feels resentful, misunderstood, or taken advantage of because their needs and boundaries are neglected.

Can Mr. Nice Guy Syndrome be overcome?

Yes, with self-awareness, therapy, setting healthy boundaries, and learning to express authentic emotions, men can overcome the syndrome and build healthier relationships.

Is Mr. Nice Guy Syndrome the same as being kind?

No, being kind is genuine and balanced, while Mr. Nice Guy Syndrome involves people-pleasing and suppressing one's true self for external approval.

Are there any popular books or resources about Mr. Nice Guy Syndrome?

Yes, Dr. Robert Glover's book "No More Mr. Nice Guy" is a well-known resource that explores the syndrome and offers strategies for recovery and self-improvement.

Additional Resources

1. *The Nice Guy Syndrome: Why Men Struggle to Say No and How to Reclaim Their*

Power

This book explores the psychological roots behind "nice guy syndrome," where men prioritize others' approval over their own needs. It offers practical strategies for setting boundaries and developing authentic self-confidence. Readers learn how to break free from people-pleasing patterns and build healthier relationships.

2. Breaking Free from Nice Guy Patterns: A Guide to Assertiveness and Self-Respect

Focusing on empowerment, this guide helps men recognize and overcome the subconscious behaviors that keep them stuck in the "nice guy" role. Through exercises and real-life examples, it teaches assertiveness, emotional honesty, and the importance of self-respect. The book encourages embracing vulnerability as a strength.

3. The Paradox of the Nice Guy: Understanding Emotional Needs and Building Boundaries

This book delves into the emotional conflicts faced by men with "nice guy syndrome," who often feel invisible or unappreciated despite their efforts. It discusses how unmet emotional needs lead to resentment and frustration. Readers are guided on how to communicate effectively and establish healthy personal boundaries.

4. From People-Pleaser to Authentic Man: Overcoming Nice Guy Syndrome

A transformational guide for men who want to stop seeking external validation and start living authentically. The author shares insights on identifying limiting beliefs and replacing them with empowering ones. The book emphasizes the importance of self-awareness, integrity, and genuine connections.

5. Nice Guy No More: Reclaiming Your Identity and Confidence

This book addresses the root causes of "nice guy syndrome" and provides actionable steps to build confidence and self-worth. It encourages readers to confront fears of rejection and develop a strong sense of identity. Practical advice on relationship dynamics and personal growth is included to support lasting change.

6. The Hidden Cost of Being a Nice Guy: Emotional Health and Relationship Challenges

Exploring the often overlooked consequences of "nice guy syndrome," this book highlights how suppressing true feelings affects mental health and relationships. It offers tools for emotional expression and healing past wounds. Readers gain a deeper understanding of how to cultivate genuine intimacy.

7. Assertive, Not Aggressive: Navigating Nice Guy Syndrome with Confidence

This book teaches men how to balance kindness with assertiveness to break free from the "nice guy" trap. It provides communication techniques that promote respect without sacrificing compassion. Through practical advice, readers learn to advocate for their needs while maintaining healthy relationships.

8. *The Nice Guy Trap: Identifying and Changing Codependent Behaviors*

Focusing on the codependency aspect of "nice guy syndrome," this book reveals how excessive people-pleasing can lead to unhealthy attachments. It guides readers to develop independence and emotional resilience. The author includes exercises to foster self-love and reduce reliance on external approval.

9. *Man Enough: Confronting Nice Guy Syndrome and Embracing True Strength*

This empowering book challenges traditional notions of masculinity tied to "nice guy" behaviors. It encourages men to embrace vulnerability, courage, and emotional depth as markers of true strength. Through inspiring stories and practical guidance, readers are invited to redefine what it means to be "man enough."

self-development, and the personal assistant to Dr. Robert Glover. Chuck has built his private practice by helping others recover from toxic shame and overcoming their Nice Guy Tendencies. He is a contributing writer for many popular online publications. See more at www.niceguyhelp.com.

mr nice guy syndrome: No More Mr Nice Guy Dr Robert A Glover, 2022-11-02 Originally published as an e-book that became a controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the Nice Guy Syndrome trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

mr nice guy syndrome: Summary of Robert Glover's No More Mr. Nice Guy Milkyway Media, 2022-02-24 Buy now to get the main key ideas from Robert Glover's No More Mr. Nice Guy Do you believe that if you are giving and caring you will receive everything good in life? If so, you might be a Nice Guy, and that is not a compliment. In No More Mr. Nice Guy (2000), Dr. Robert A. Glover explains how being a Nice Guy may be ruining your life instead of making it easier. The Nice Guy Syndrome is common in recent generations, and it's the source of many failed relationships. To escape the syndrome, you need to break free from toxic behaviors you might not even know you have, create healthy and fulfilling relationships, and above all embrace your masculinity and become

more powerful and confident. No More Mr. Nice Guy offers plenty of advice on how to overcome the syndrome, with examples and exercises to help you along the way.

mr nice guy syndrome: No More Nice Guys P. Alan Greene, 2013-07-01 Who wants to be a Nice Guy, eternally on the friendship track, forever finishing last? Yet many men choose the Nice Guy life without even realizing it, without really understanding what lurks in the sub-basement of Nice Guy Syndrome. Consider the following examples: * Debbie thinks Bill is kind, considerate, and decent, but after months of dating, she feels no spark, no special tingle, no attraction. I feel so bad, she says. I really ought to love him, but I don't, even though I want to * John has just been dumped again after weeks of bending over backwards to keep the relationship alive. Now she'll start seeing some macho asshole, he says. Why do I always get dumped? * Everyone in the office is talking about it. Bob, the perfect husband, the avid churchgoer, the devoted family man, split with his wife when she discovered him having an affair. An affair?! Bob?! I can't believe it. Each is suffering Nice Guy Syndrome, not always easy to identify and even harder to overcome-- but that's because nobody is talking honestly about the root of the problem. In the spirit of He's Not That Into You and other books that speak hard truth about relationships, I offer No More Nice Guys, a field guide for the men who suffer from NGS and the women whose lives they mess up.

mr nice guy syndrome: Redpilled Man's Guide to Setting Boundaries and Overcoming 'Mr. Nice Guy' Conrad Riker, Are you tired of being taken advantage of and not standing up for yourself? Discover the ultimate guide to setting boundaries, asserting yourself, and overcoming the Mr. Nice Guy stereotype. Learn how to maintain your principles and integrity while not alienating others in your life. Embrace and deconstruct the Mr. Nice Guy myth, and understand its consequences and limitations. Master the art of being assertive while respecting both you and those around you. Control your emotions and maintain balance in an increasingly polarized world. Finally, achieve self-improvement while staying true to your red pill principles. If you want to take control of your life and stop being a pushover, this book is for you. Order your copy today and transform into the confident, assertive man you've always wanted to be. Say goodbye to the Mr. Nice Guy and embrace your new, empowered self.

mr nice guy syndrome: No more Mr. Nice Guy Gaurav Garg, 2023-07-21 Assertiveness is one of the most valuable skills anyone can cultivate, yet also one of the most challenging. After a lifetime of cultural conditioning toward compliance and conflict avoidance, embracing assertive communication requires transformative personal growth. It takes courage to find your voice after being silenced. My aim in writing this book is to provide guidance and encouragement for that journey based on both professional expertise and personal experience. I spent over a decade passive and afraid to advocate for myself. People-pleasing and swallowing negative emotions took immense psychological effort - not to mention enabling others to take advantage of me. Eventually, I reached a breaking point and committed to change. Through researching assertiveness skills, practicing them even when uncomfortable, and immersing myself in personal development, I slowly transformed my communication tendencies. The more I asserted my boundaries, expressed my needs, and claimed my worth, the more empowered I felt. It significantly improved my confidence, relationships, and career. Of course no one masters assertiveness overnight. It's a lifelong process, and I still stumble on occasion. But the overall trajectory has been transformative. My only regret is not embarking on the assertiveness journey sooner. It is my hope this book will shorten your learning curve. The pages ahead provide actionable steps for building assertiveness tailored to your specific challenges and personality. You'll learn how to navigate difficult conversations, confront manipulative behavior, break lifelong passive habits, overcome self-doubt and much more. Each chapter includes examples across both personal and professional contexts for diverse situations. No matter what assertiveness dilemmas you face, you will find applicable guidance within these pages. Most importantly, this book will remind you that becoming assertive is not about fixing yourself, but honoring and unleashing your true self. You deserve - and absolutely can - find your voice.

mr nice guy syndrome: Mr Nice Guy Isla Olsen, 2023-07-16 Tanner When you're staring down the barrel of half a century's existence on this planet, you tend to think about things... Like...maybe I

should think about retiring? And I guess I could start crossing things off my bucket list? And should I get my colon checked? Something I wasn't intending to start assessing too closely at this stage of my life—or ever, really—is my sporadic, complicated, and rather inconvenient attraction to men. Some people do yoga. Others bake. For me, the only surefire way to release all that tension and anxiety that's always building up inside me is...well, I'm sure you can figure it out... But that's all it is. Stress relief. Or, at least, that's all it was. Until I met Deacon Stapleton. Gorgeous, funny, and great in bed—it only takes one night for me to decide I want him to be my permanent stress ball. But there are some problems...he's too young; he's too nice; and he doesn't do casual flings. Oh, and did I mention he's my daughter's kindergarten teacher? Mr Nice Guy is book three in the Suits & Sevens series and features a billionaire silver fox and a rugby-playing kindergarten teacher. It can be read as a standalone. Tropes: billionaire, single dad, age gap, bi-awakening.

The overflow of kindness is the consequence of many flaws in your personality that need to be apprehended and filled. *Buy now the summary of this book for the modest price of a cup of coffee!

mr nice guy syndrome: Nice Guys' Mistakes Conrad Riker, This book employs an uncensored, redpilled approach to explore the roots of masculine resentment and patterns of codependency. It debunks misguided beliefs that uphold covert contracts, illustrating the inherent flaws in seeking external validation and fulfillment. The book emphasizes the development of healthy internal boundaries, active listening, and stoicism to better navigate the complexities of life. Building on the story of Job, the author calls for a reevaluation of societal standards and expectations that devalue masculinity. Acknowledging the impact of childhood experiences, the book provides practical strategies for self-soothing, managing anxiety, and embracing self-parenting to reclaim control over one's life and mental well being. Ultimately, the book invites men to learn from the mistakes of nice guys and build a more balanced and assertive sense of self.

mr nice guy syndrome: No More Mr. Nice Guy Jennifer Greene, 2011-05-02 Carroll Laker

knows she's found the marrying kind in Alan Smith. The pediatrician is everything a woman could want in a husband; he's kind, dependable, patient. Maybe too patient: even though they spend Saturday mornings house-hunting, they've yet to spend a night in bed together. And suddenly Carroll starts fantasizing about what it would be like to be wildly, wantonly, passionately in love... Alan has wanted to marry Carroll since the moment he met her. When he senses he's on the verge of losing her, he decides it's time to loosen up. If Carroll needs excitement and seduction, that's exactly what he'll give her. From orchids and exotic foods to midnight canoe rides and dancing till dawn, Alan will do anything to sweep Carroll off her feet and into his bed. At first, Carroll is delighted by the romantic gestures. But she can't help wondering: Will the new Alan love her forever the way the old Alan would have? Previously published. 44,000 words

mr nice guy syndrome: No More Mr. Nice Guy! Robert Glover, 2002-10-28 By trying too hard to please others and neglecting their own needs, men can become unhappy and resentful and lash out at those they love. With the help of an eminent psychotherapist, these victims of the Nice Guy Syndrome can stop seeking approval and find happiness in their lives. Based on years of clinical group therapy with men and couples, this groundbreaking work includes information and tools to help passively pleasing men break free from the ineffective patterns of the Nice Guy Syndrome. They will discover ways to get their needs met, feel more powerful and confident, create the kind of intimate relationships they really want, express their feelings and emotions, have a fulfilling and exciting sex life, embrace their masculinity and connect with men, live up to their potential and become truly creative and productive, and above all, accept themselves as they really are.

mr nice guy syndrome: Mr. Nice Guy Belinda Williams, 2021-06-28 NICE GUYS CAN PLAY DIRTY TOO . . . 'Give me a week. Seven days and seven nights. I'll show you what it's like to be with a nice guy.' Chelsea's housemate Tom is tired of her complaining about her boyfriends. Arrogant, sexy, irresistible—bad boys are basically Chelsea's M.O. Pretty much everything that Tom is not. He's dependable and sweet. He's also kind of hot in a cute, unthreatening way. His offer surprises Chelsea. He's right . . . she's never really given a nice guy a chance before. And now she's curious. Hell, it might even be fun. There's just one rule: this isn't a friends with benefits arrangement. Except Chelsea never imagined nice guys could play so dirty . . . Mr. Nice Guy is the first book in the Pierce Brothers series. Each book can be read as a standalone and features four brothers who are equally nice as they are naughty.

mr nice guy syndrome: Mr. Nice Guy Jennifer Miller, Jason Feifer, 2018-10-16 Named one of Cosmopolitan's Best Books of 2018 From the husband and wife writing duo Jennifer Miller and Jason Feifer comes Mr. Nice Guy, a funny and all too real comedy about the pursuit of success in life--and love--in today's working world. Lucas Callahan, a man who gave up his law degree, fiancée and small-town future for a shot at making it in the Big Apple. He snags an entry-level job at Empire magazine, believing it's only a matter of time before he becomes a famous writer. And then late one night in a downtown bar he meets a gorgeous brunette who takes him home... Carmen Kelly wanted to be a hard-hitting journalist, only to find herself cast in the role of Empire's sex columnist thanks to the boys' club mentality of Manhattan magazines. Her latest piece is about an unfortunate—and unsatisfying—encounter with an awkward and nerdy guy, who was nice enough to look at but horribly inexperienced in bed. Lucas only discovers that he's slept with the infamous Carmen Kelly—that is, his own magazine's sex columnist!—when he reads her printed take-down. Humiliated and furious, he pens a rebuttal and signs it, Nice Guy. Empire publishes it, and the pair of columns go viral. Readers demand more. So the magazine makes an arrangement: Each week, Carmen and Lucas will sleep together... and write dueling accounts of their sexual exploits. It's the most provocative sexual relationship any couple has had, but the columnist-lovers are soon engaging in more than a war of words: They become seduced by the city's rich and powerful, tempted by fame, and more attracted to each other than they're willing to admit. In the end, they will have to choose between ambition, love, and the consequences of total honesty. "The Devil Wears Prada meets Sex and the City—a page-turner that's part sex diary, part coming-of-age story. —Carolyn Kylstra, editor in chief, SELF "I COULD NOT PUT THIS BOOK DOWN!!! It totally messed up my week, it messed up

my deadlines, but I absolutely loved it.” —Kevin Kwan, author of *Crazy Rich Asians*

mr nice guy syndrome: The Love-Shy Survival Guide Talmer Shockley, 2009 The author explores the condition of love-shyness, its links with Asperger's syndrome, and how it differs from common forms of shyness.

mr nice guy syndrome: AARP The Nice Girl Syndrome Beverly Engel, 2011-12-20 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. Do family members manipulate you? Do coworkers take advantage of you? If this sounds familiar, read *The Nice Girl Syndrome*. In this breakthrough guide, renowned author and therapist Beverly Engel, who has helped thousands of women recognize and leave emotionally abusive relationships, can show you how to take control of your life and take care of yourself. Engel explains that women today simply cannot afford to be Nice Girls, because women who are too nice send the message that they are easy targets and are much more likely to be victimized emotionally, physically, and sexually. She identifies the seven different types of Nice Girls and helps you understand which type or types might apply to you. Engel helps you determine whether the Nice Girl Syndrome is keeping you in an abusive relationship or in manipulative situations and helps you change Nice Girl beliefs and behaviors that are holding you back. Shows you how to confront the beliefs and behaviors that keep you stuck in a Nice Girl act as you replace them with healthier, more empowering ones Includes inspiring stories of women Engel has worked with who have found the courage and strength to stop taking abuse and start standing up for themselves This book will challenge, entertain, and empower its readers. --Publishers Weekly (starred review) Written by renowned author and therapist Beverly Engel, who has helped thousands of women recognize and leave emotionally abusive relationships Filled with wise advice, powerful exercises, and practical prescriptions, *The Nice Girl Syndrome* shows you step by step how to take control of your life and be your own strong woman.

mr nice guy syndrome: Never Finish Last Patrick King, 2015-05-05 Have you ever been called too nice? Was it a compliment or did it mean something else? Do you find yourself bending over backwards for girls that don't do the same for you... the same girls who end up with other guys even though you're always there for them and care for them? Walked all over in business settings? Doesn't she see that the best guy is right in front of her?! Not a chance in hell. I've got news for you: you've got Nice Guy Syndrome, and you won't have her respect or affections... unless you demand it! Women aren't blind, and they're not trying to treat you like a shadow (always there, always waiting)... but The Nice Guy actually gives them no choice! *Never Finish Last* is the story of The Nice Guy, and how he has been misguided from youth about what women want in relationships and men. It's an institutional problem that determines how The Nice Guy views everything in life... much to his detriment. It outlines the internal causes of Nice Guy Syndrome, and a set of immediately actionable steps to destroy it and seize the life you've always envisioned. Women, career, business, relationships - everything can be improved by fixing Nice Guy Syndrome. What can a Nice Guy learn in *Never Finish Last*? * What a friend graveyard is and how to avoid it. * Why adhering to strictly to chivalry forces people to not give you respect. * How The Nice Guy isn't always innocent in his intentions. * If nice doesn't finish last, then what does? As well as: * The Nice Guy Entitlement Complex. * How to assert yourself and make your presence known. * The FEMALE equivalent of The Nice Guy. It's time to destroy Nice Guy Syndrome and turn your life around. Learn exactly what limiting beliefs and misguided assumptions have led you to where you are, and start getting what you deserve. Best of all, you can remain 100% yourself through the entire process, with no gimmicks or fake tricks. Be so great that the girl that you've always wanted... has no choice but to want you. Don't hesitate to pick up your copy today by clicking the BUY NOW button at the top of this page! P.S. Kill Nice guy Syndrome and upgrade every aspect of your life!
