Having devoted the last five years of his life to this work—crisscrossing the rural paths of the United States from Texas to Iowa to Minnesota—Amburn portrays Holly as a mythic antihero, whose rebellious, dramatic life was a reaction against the constricting values of America in the 1950s, when his music was regarded as the work of the devil. priscilla presley age: From Cradle to Stage Virginia Hanlon Grohl, 2017-04-18 Written by Virginia Grohl, the mother of Dave Grohl—former Nirvana drummer and current frontman for the Foo Fighters—From Cradle to Stage shares stories and exclusive photos featuring mothers of rock icons, the icons themselves, and their Behind the Music-style relationships While the Grohl family

had always been musical-the family sang together on long car trips, harmonizing to Motown and David Bowie-Virginia never expected her son to become a musician, let alone a rock star. But when she saw him perform in front of thousands of screaming fans for the first time, she knew that rock stardom was meant to be for her son. And as Virginia watched her son's star rise, she often wondered about the other mothers who raised sons and daughters who became rock stars. Were they as surprised as she was about their children's fame? Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers? Did they encourage their children's passions despite the odds against success, or attempt to dissuade them from their grandiose dreams? Do they remind their kids to pack a warm coat when they go on tour? Virginia decided to seek out other rock star mothers to ask these questions, and so began a two-year odyssey in which she interviewed such women as Verna Griffin, Dr. Dre's mother; Marianne Stipe, Michael Stipe of REM's mother; Janis Winehouse, Amy Winehouse's mother; Patsy Noah, Adam Levine's mother; Donna Haim, mother of the Haim sisters; Hester Diamond, Mike D of The Beastie Boys' mother. With exclusive family photographs and a foreword by Dave Grohl, *From Cradle to Stage* will appeal to mothers and rock fans everywhere.

priscilla presley age: *Buck Owens* Eileen Sisk, 2010-06-24 Buck Owens was the top-selling country act of the 1960s, with 21 number-one hits and 35 consecutive top-ten hits, a total surpassed only by the Beatles. Inventor of the Bakersfield sound, he was hugely popular not only with country fans, but rock fans too. The Beatles covered his songs, Gram Parsons idolized him, the Grateful Dead loved him. At least five marriages, several TV shows, and a publishing and media empire followed. And a number of current country stars, ranging from Dwight Yoakam to Marty Stuart, owe their sound to him. Yet never before has there been a book about Buck Owens. And the man that emerges from its pages is the polar opposite of the aw-shucks image he cultivated on Hee-Haw. A tight-fisted control freak with an outsized appetite for sex, Owens could be ruthlessly cruel at one moment and as slippery as a snake the next. Buck Owens chronicles his rise from poverty as son of a sharecropper to one of the nation's best-loved entertainers, worth at least \$100 million when he died. It is authoritative: it counts among its myriad sources five Buckaroos, the producer of Hee Haw, the former president of Capitol Nashville, numerous country singers, relatives, wives, lovers, and employees. This biography fully reveals, for the first time, not only one of country's biggest stars, but perhaps its biggest son of a bitch.
