philipp von bernstorff parents: *The Battle for International Law* Jochen von Bernstorff, Philipp Dann, 2019-10-22 This volume provides the first comprehensive analysis of international legal debates between 1955 and 1975 related to the formal decolonization process. It is during this era, couched between classic European imperialism and a new form of US-led Western hegemony, that fundamental legal debates took place over a new international legal order for a decolonised world. The book argues that this era presents in essence a battle, a battle that was fought out in particular over the premises and principles of international law by diplomats, lawyers, and scholars. In a moment of relative weakness of European powers, 'newly independent states' and international lawyers from the South fundamentally challenged traditional Western perceptions of international legal structures engaging in fundamental controversies over a new international law. The legal outcomes of this battle have shaped the world we live in today. Contributions from a global set of authors cover contemporary debates on concepts central to the time, such as self-determination, sources and concessions, non-intervention, wars of national liberation, multinational corporations, and the law of the sea. They also discuss influential institutions, such as the United Nations, International Court of Justice, and World Bank. The volume also incorporates contemporary regional

approaches to international law in the 'decolonization era' and portraits of important scholars from the Global South.

philipp von bernstorff parents: *On All Fronts* Clarissa Ward, 2021-09-07 "On All Fronts: The Education of a Journalist beautifully outlines . . . what it means to seek the truth. It gave me a new faith in the power of reporting." —Oprah Winfrey The recipient of multiple Peabody and Murrow awards, Clarissa Ward is a world-renowned conflict reporter. In this strange age of crisis where there really is no front line, she has moved from one hot zone to the next. With multiple assignments in Syria, Gaza, Ukraine, and Afghanistan, Ward, who speaks seven languages, has been based in Baghdad, Beirut, Beijing, and Moscow. She has seen and documented the violent remaking of the world at close range. With her deep empathy, Ward finds a way to tell the hardest stories. *On All Fronts* is the riveting account of Ward's singular career and of journalism in this age of extremism. Following a privileged but lonely childhood, Ward found her calling as an international war correspondent in the aftermath of 9/11. From her early days in the field, she was embedding with marines at the height of the Iraq War and reporting from the center of Israel's war with Hezbollah. Soon she was soon on assignment all over the globe. From her multiple stints entrenched with Syrian rebels to her deep investigations into the Western extremists who are drawn to ISIS, Ward covered Bashar al-Assad's reign of terror without fear and with courage and compassion. In 2018, Ward rose to new heights at CNN and became a mother. Suddenly, she was doing this hardest of jobs with a whole new perspective. *On All Fronts* is the unforgettable story of one extraordinary journalist—and of a changing world.

philipp von bernstorff parents: *The Pity of War* Miranda Seymour, 2014-10-30 Miranda Seymour tells the remarkable story of England's centuries of profound connection and rivalry with Germany. Her vibrant and heart-breaking history—told through the lives of princes and painters, soldiers and sailors, bakers and bankers, charlatans and saints—reminds us, poignantly, of the powerful bonds many have chosen to forget.

philipp von bernstorff parents: *The Road Less Traveled* Philip Zelikow, 2021-03-16 This revealing historical examination looks at the pivotal few months in the middle of the First World War, when all sides—Germany, Britain, and America—believed the war could have been concluded and changed the course of history. Two years into the most terrible conflict the world had ever known, the warring powers faced a crisis. There were no good military options. Money, men, and supplies were running short on all sides. The German chancellor secretly sought President Woodrow Wilson's mediation to end the war, just as British ministers and France's president also concluded that the time was right. *The Road Less Traveled* describes how tantalizingly close these far-sighted statesmen came to ending the war, saving millions of lives, and avoiding the total war that dimmed hopes for a better world. Theirs was a secret battle that is only now becoming fully understood, a story of civic courage, awful responsibility, and how some leaders rose to the occasion while others shrank from it or chased other ambitions. Peace is on the floor waiting to be picked up! pleaded the German ambassador to the United States. This book explains both the strategies and fumbles of people facing a great crossroads of history. *The Road Less Traveled* reveals one of the last great mysteries of the Great War: that it simply never should have lasted so long or cost so much.
