protocols of zion book: *Protocols of the Learned Elders of Zion* Sergei Nilus, Victor Emile Marsden, 2014 The Protocols of the Elders of Zion is a tract alleging a Jewish and Masonic plot to achieve world domination. Purportedly written by a secret group of Jews known as the Elders of Zion, the document underlies 24 protocols that are supposedly followed by the Jewish people. The Protocols has been proven to be a forgery. The forgery contains numerous elements typical of what is known in literature as a False Document a document that is deliberately written to fool the reader into believing that what is written is truthful and accurate even though, in actuality, it is not. It is also one of the best-known and most-discussed examples of literary forgery, with analysis and proof of its fraudulent origin going as far back as 1921. The forgery is also an early example of Conspiracy Theory literature.

protocols of zion book: The Protocols of the Learned Elders of Zion Sergyei Nilus, 2014-12-28 Of the Protocols themselves little need be said in the way of introduction. The book in which they are embodied was published by Sergyei Nilus in Russia in 1905. A copy of this is in the British Museum bearing the date of its reception, August 10, 1906. All copies that were known to exist in Russia were destroyed in the Kerensky regime, and under his successors the possession of a copy by anyone in Soviet land was a crime sufficient to ensure the owner's of being shot on sight. The fact is in itself sufficient proof of the genuineness of the Protocols. The Jewish journals, of course, say that they are a forgery, leaving it to be understood that Professor Nilus, who embodied them in a work of his own, had concocted them for his own purposes. Mr. Henry Ford, in an interview published in the New York WORLD, February 17th, 1921, put the case for Nilus tersely and convincingly thus: The only statement I care to make about the PROTOCOLS is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. THEY FIT IT NOW. Indeed they do! The word Protocol signifies a precis gummed on to the front of a document, a draft of a document, minutes of proceedings. In this instance, Protocol means minutes of the proceedings of the Meetings of the Learned Elders of Zion. These Protocols give the substance of addresses delivered to the innermost circle of the Rulers of Zion. They reveal the converted plan of action of the Jewish Nation developed through the ages and edited by the Elders themselves up to date. Parts and summaries of the plan have been published from time to time during the centuries as the secrets of the Elders have leaked out. The bases for this supposition are the following, namely: that Freemason policy follows the lines of the Protocols, and that S.A. Nilus tells us that the copy which came into his hands in 1901 bore the following inscription: Signed by the Representatives of Zion of the 33rd Degree.

protocols of zion book: The Protocols , 2016-05-12 The Protocols of the Learned Elders of Zion '.....the most notorious and most successful work of modern anti-Semitism.....' The Protocols of the Elders of Zion or The Protocols of the Meetings of the Learned Elders of Zion is an antisemitic fabricated text purporting to describe a Jewish plan for global domination. The forgery was first published in Russia in 1903, translated into multiple languages, and disseminated internationally in the early part of the 20th century. According to the claims made by some of its publishers, the Protocols are the minutes of a late 19th-century meeting where Jewish leaders discussed their goal of global Jewish hegemony by subverting the morals of Gentiles, and by controlling the press and the world's economies. Henry Ford funded printing of 500,000 copies that were distributed throughout the US in the 1920s. Adolf Hitler was a major proponent. It was studied, as if factual, in German classrooms after the Nazis came to power in 1933, despite having been exposed as fraudulent by The Times of London in 1921. It is still widely available today in numerous languages, in print and on the Internet, and continues to be presented by some proponents as a genuine document. TABLE OF CONTENTS Protocol I The Basic Doctrine Protocol II Economic Wars Protocol III Methods of Conquest Protocol IV Materialism Replaces Religion Protocol V Despotism and Modern Progress Protocol VI Take-Over Technique Protocol VII World-Wide Wars Protocol VIII Provisional Government Protocol IX Re-education Protocol X Preparing for Power Protocol XI The Totalitarian State Protocol XII Control of the Press Protocol XIII Distractions Protocol XIV Assault on Religion Protocol XV Ruthless Suppression Protocol XVI Brainwashing Protocol XVII Abuse of Authority Protocol XVIII Arrest of Opponents Protocol XIX Rulers and People Protocol XX Financial Programme Protocol XXI Loans and Credit Protocol XXII Power of Gold Protocol XXIII Instilling Obedience Protocol XXIV Qualities of the Ruler 10. Is it possible for any sound logical mind to hope with any success to guide crowds by the aid of reasonable counsels and arguments, when any objection or contradiction, senseless though it may be, can be made and when such objection may find more favor with the people, whose powers of reasoning are superficial? Men in masses and the men of the masses, being guided solely by petty passions, paltry beliefs, traditions and sentimental theorems, fall a prey to party dissension, which hinders any kind of agreement even on the basis of a perfectly reasonable argument.

protocols of zion book: **An Appraisal of the Protocols of Zion** John Shelton Curtiss, 1942 Proves the inauthenticity of the Protocols of the Elders of Zion and the falsity of the story of its provenance as presented by its publishers, Nilus and Butmi. There is no original text of the Protocols. Its writers could not be Jewish, nor could the text be compiled in 1897 (as the publishers claimed). The main source for the Protocols was Joly's The Dialogues in Hell; some motifs were taken from Goedsche, Drumont, and other French antisemitic writers, as well as from Solovyov's Three Discussions. Discusses testimonies, including those presented at trials held in Bern in 1934-35 and 1937 against disseminators of the Protocols in Switzerland, attesting to the fact that the Protocols is a forgery. Pp. 95-106 contain parallel texts from Joly's Dialogues and the Protocols.

of Zion is one of the most controversial works in the past 100 years. It claimed to be a book written by the 'Elders of Zion,' a Jewish cabal planning to take over the world. It contains their plans for world domination and detailed account of the condition of the world once they have succeeded in their goals to rule it. Modern historians generally claim that it is a forgery, used primarily as a propaganda tool by the Russian court to prevent what would later become the Russian Revolution of 1917, but the writer of the introduction of this volume makes an effort to dispute such a belief.

protocols of zion book: *The Protocols of the Learned Elders of Zion* Createspace Independent Pub, 2016-11-16 The Protocols of the Learned Elders of Zion The Protocols is a fabricated document purporting to be factual. Textual evidence shows that it could not have been produced prior to 1901. It is notable that the title of Sergei Nilus's widely distributed edition contains the dates 1902-1903, and it is likely that the document was actually written at this time in Russia, despite Nilus' attempt to cover this up by inserting French-sounding words into his edition. Cesare G. De Michelis argues that it was manufactured in the months after a Russian Zionist congress in September 1902, and that it was originally a parody of Jewish idealism meant for internal circulation among antisemites until it was decided to clean it up and publish it as if it were real. Self-contradictions in various testimonies show that the individuals involved-including the text's initial publisher, Pavel Krushevan-purposefully obscured the origins of the text and lied about it in the decades afterwards. If the placement of the forgery in 1902-1903 Russia is correct, then it was written at the beginning of the anti-Jewish pogroms in the Russian Empire, in which thousands of Jews died or fled the country. Many of the people whom De Michelis suspects of involvement in the forgery were directly responsible for inciting the pogroms.

protocols of zion book: The Protocols of the Learned Elders of Zion Sergei Nilus", 2014 The Protocols of the (Learned) Elders of Zion is one of the most controversial books ever written. Since its publication this small book has aroused great controversy and bitter debate. It is a source of acrimony and vituperation because of its contents and its supposed authors and because it purports to describe an ancient and enduring agenda for World Empire. Moreover, the unknown authors of the Protocols leave no doubt in mind of the reader of their great misanthropy and hatred for the ordinary man and a rancorous enmity for God and Christ. Furthermore, that the supposed authors affect to be Jews leads the unwary reader to conclude that the Protocols are indeed a Jewish design for World Empire and so illustrates superbly the secret rancour of the Jew for the Gentile and his nations. But gentle reader, those who understand such things conclude otherwise. That there is an ancient and enduring rancour for the Gentile by certain Jews there is no doubt. Similarly, that certain Jews have always and still do work to establish Jewish hegemony over the world is not doubted by informed researchers. But what is usually not understood is that Organised Jewry -the leadership of this Jewish ambition- has been in the thrall of a small cabal of men who have for many

generations used the race of Jews for a far more sinister aim than merely the establishment of a One World Government under Jewry.

The so-called Protocols of the Elders of Sion were published in London last year under the title of The Jewish Peril. This book is a translation of a book published in Russia in 1905, by Sergei Nilus, a government official, who professed to have received from a friend a copy of a summary of the minutes of a secret meeting, held in Paris, by a Jewish organization that was plotting to overthrow civilization in order to establish a Jewish world state. These Protocols attracted little attention until after the Russian Revolution of 1917, when the appearance of the Bolsheviks, among whom were many Jews, professing and practicing political doctrines that in some points resembled those advocated in the Protocols, led many to believe that Nilus' alleged discovery was genuine. The Protocols were widely discussed and translated into several European languages.
