

pornhub

pornhub is one of the world's largest and most well-known adult entertainment websites, offering a vast array of video content catering to a wide range of preferences and interests. As a major player in the adult industry, Pornhub has revolutionized the way users access and consume adult content, leveraging advanced technology and user-friendly interfaces. This article provides an in-depth exploration of Pornhub, including its history, features, services, controversies, and cultural impact. Understanding how Pornhub operates and influences the adult entertainment sector sheds light on its significance in digital media. The following sections will guide readers through Pornhub's business model, content variety, technological innovations, social initiatives, and the challenges it faces in regulation and public perception.

- History and Development of Pornhub
- Main Features and User Experience
- Content Variety and Categories
- Technological Innovations and Services
- Social Impact and Corporate Responsibility
- Controversies and Regulatory Challenges

History and Development of Pornhub

Pornhub was launched in 2007 and rapidly grew to become one of the leading adult content platforms globally. It is part of the larger network owned by MindGeek, a company specializing in adult entertainment websites. The platform was designed to offer free streaming of adult videos, supported primarily by advertising revenue and premium subscription services. Over the years, Pornhub expanded its offerings and improved its technology to maintain user engagement and market dominance.

Founding and Growth

The inception of Pornhub coincided with increased internet penetration and the rise of streaming video technology. Its user-friendly interface and extensive video library attracted millions of visitors worldwide. The company continuously invested in infrastructure, ensuring fast streaming speeds and high-quality video playback. This growth was also fueled by strategic acquisitions and partnerships within the adult entertainment industry.

Expansion and Market Position

By the 2010s, Pornhub had established itself as a dominant force, competing with other adult platforms by offering innovative features and a vast content catalog. Its market position is strengthened by a global reach, serving users in numerous countries and languages. The platform also diversified its revenue streams, introducing premium memberships and original content production.

Main Features and User Experience

Pornhub offers a variety of features designed to enhance user experience and accessibility. The platform's design focuses on intuitive navigation, personalized content recommendations, and interactive community elements. These features contribute to high user retention and satisfaction across different demographics.

User Interface and Navigation

The website's interface is streamlined to facilitate easy browsing and searching for videos. Users can filter content by categories, duration, popularity, and upload date. The search functionality is robust, supporting keyword queries and advanced filters to help users find specific types of content efficiently.

Community and Interaction

Beyond video streaming, Pornhub incorporates social features such as comments, likes, and user profiles. Content creators can engage with their audience, fostering a sense of community. These interactive elements enable users to provide feedback and share preferences, influencing content trends on the platform.

Premium Membership

Pornhub Premium offers an ad-free experience with access to exclusive videos, higher resolution streams, and early releases of original content. Subscribers benefit from enhanced video quality and faster loading times, appealing to users seeking a more immersive viewing experience.

Content Variety and Categories

One of Pornhub's defining characteristics is its extensive and diverse content library. The platform

hosts millions of videos spanning numerous genres and niches, catering to a wide spectrum of tastes and interests. This variety is a key factor in its global popularity.

Range of Categories

Content on Pornhub is organized into numerous categories such as amateur, professional, fetish, and mainstream genres. Popular categories include lesbian, interracial, BDSM, and cosplay, among others. This categorization allows users to explore content tailored to their preferences easily.

Content Upload and Moderation

Pornhub allows both professional studios and amateur users to upload videos, contributing to the platform's vast and constantly updated content pool. The site employs a strict moderation system to ensure compliance with legal standards and community guidelines, aiming to prevent illegal or non-consensual material from being published.

Original and Exclusive Content

In addition to user-uploaded videos, Pornhub produces original content that features well-known adult performers and exclusive scenes. This content helps differentiate the platform from competitors and attracts premium members seeking unique entertainment options.

Technological Innovations and Services

Technological advancement is central to Pornhub's strategy, enabling enhanced user experiences and operational efficiency. The company invests heavily in video streaming technology, artificial intelligence, and mobile accessibility.

Streaming Technology

Pornhub utilizes adaptive bitrate streaming to deliver high-quality videos that adjust based on the viewer's internet connection speed. This technology minimizes buffering and ensures smooth playback across different devices, including smartphones, tablets, and desktops.

Artificial Intelligence and Content Recommendations

The platform employs AI algorithms to analyze user behavior and viewing history, providing

personalized content recommendations. This machine learning-driven approach increases engagement by presenting videos that align with individual tastes and preferences.

Mobile and App Accessibility

Recognizing the growing importance of mobile internet usage, Pornhub has optimized its website for mobile browsers and developed dedicated apps for various operating systems. These mobile solutions offer convenient access to the platform's extensive content library anytime and anywhere.

Social Impact and Corporate Responsibility

Pornhub has taken steps to address social issues related to adult content consumption and production. The platform engages in initiatives aimed at promoting ethical standards, supporting performers, and contributing to public awareness campaigns.

Performer Support and Rights

Pornhub advocates for the rights and welfare of adult performers by implementing policies that prioritize consent and fair compensation. The platform's verification processes help protect performers from exploitation and ensure the legitimacy of uploaded content.

Educational and Awareness Campaigns

The company participates in campaigns promoting safe sexual practices, consent education, and mental health awareness. These efforts reflect a commitment to responsible content distribution and fostering healthy attitudes toward sexuality.

Charitable Contributions

In addition to industry-focused initiatives, Pornhub has contributed to various charitable causes, including disaster relief and social justice projects. These actions demonstrate corporate social responsibility beyond the adult entertainment sector.

Controversies and Regulatory Challenges

Despite its success, Pornhub has faced significant controversies and regulatory scrutiny over the years. Issues related to content moderation, legal compliance, and ethical concerns have posed

challenges to the platform's operations.

Content Moderation and Illegal Material

Critics have accused Pornhub of hosting non-consensual and underage content, prompting calls for stricter moderation. In response, the platform enhanced its verification systems and removed millions of videos to address these concerns and comply with legal requirements.

Legal and Financial Impacts

Regulatory actions, including investigations and payment processor restrictions, have affected Pornhub's business model. These challenges have led to policy revisions and increased transparency measures to restore trust among users and partners.

Ongoing Industry and Public Debate

Pornhub remains at the center of debates concerning internet freedom, censorship, and the adult industry's ethical standards. Balancing user privacy, content freedom, and legal compliance continues to be a complex issue for the platform and the wider adult entertainment community.

- Launch in 2007 and rapid growth
- Extensive video library with diverse categories
- Advanced streaming and AI-driven recommendations
- Community engagement and performer support
- Challenges in content moderation and regulation
- Corporate social responsibility initiatives

Frequently Asked Questions

What is Pornhub?

Pornhub is a popular adult entertainment website that hosts a large collection of pornographic videos and content from various creators and studios worldwide.

Is Pornhub free to use?

Yes, Pornhub offers a large amount of free content supported by ads, but it also provides a premium subscription with additional features and ad-free viewing.

How does Pornhub verify the age of its users?

Pornhub requires users to confirm that they are 18 years or older before accessing the site, but verification methods can vary and may include age gates or account sign-ups.

What measures does Pornhub take to ensure content safety?

Pornhub has policies and moderation teams to remove illegal or non-consensual content, and it uses user reporting and content verification processes to maintain safety and compliance.

Can creators earn money on Pornhub?

Yes, Pornhub offers a model where content creators can upload videos and earn revenue through ad shares, premium subscriptions, and tips from viewers.

Has Pornhub faced any controversies?

Yes, Pornhub has faced controversies related to hosting non-consensual content and underage videos, leading to policy changes and increased content moderation efforts.

Does Pornhub offer an app?

Pornhub provides mobile-friendly websites and has released apps or mobile versions in certain regions, but availability may vary due to platform policies.

What kind of content categories are available on Pornhub?

Pornhub features a wide variety of content categories including amateur, professional, fetish, VR, and many niche genres to cater to diverse user preferences.

How can users protect their privacy while using Pornhub?

Users can protect their privacy by using VPN services, browsing in incognito mode, avoiding sharing personal information, and managing cookies and trackers on their devices.

Additional Resources

1. The Pornhub Effect: How Online Adult Entertainment Changed Society

This book explores the cultural and social impact of Pornhub and similar platforms on modern society. It delves into how accessibility to free adult content has influenced sexual behavior, relationships, and the adult entertainment industry itself. The author discusses both positive and negative consequences, including shifts in societal norms and the rise of new forms of digital content consumption.

2. *Behind the Screen: The Untold Stories of Pornhub Performers*

Offering an intimate look at the lives of performers on Pornhub, this book shares personal stories, challenges, and triumphs from individuals in the adult entertainment world. It highlights issues such as consent, exploitation, and empowerment, providing readers with a nuanced understanding of the human side behind the camera. The narratives aim to dismantle stereotypes and promote empathy.

3. *Monetizing Desire: The Business Model of Pornhub*

This title investigates the financial strategies and economics behind Pornhub's success. It analyzes how the platform generates revenue through advertising, premium subscriptions, and content partnerships. Additionally, it discusses the controversies surrounding monetization, including debates on content ownership and piracy within the adult industry.

4. *Digital Desire: The Rise of Pornhub in the Age of Streaming*

Focusing on technological advancements, this book examines how Pornhub capitalized on streaming technology to revolutionize adult entertainment consumption. It covers the evolution from DVDs to high-definition streaming and the impact of mobile devices. The author also considers the role of algorithms and user-generated content in shaping viewer experiences.

5. *Ethics and Erotica: Navigating Consent and Content on Pornhub*

This work addresses the ethical challenges faced by Pornhub and the broader adult entertainment community. Topics include content verification, consent protocols, and the fight against non-consensual and underage content. The book proposes frameworks for responsible content management and industry accountability.

6. *The Social Psychology of Pornhub: Desire, Addiction, and Connection*

Exploring psychological aspects, this book studies how Pornhub influences human desire, intimacy, and potential addiction. It discusses the neurological effects of frequent consumption and the ways in which online adult content can shape personal relationships. The author provides insights into both healthy and problematic usage patterns.

7. *Pornhub and Feminism: Empowerment or Exploitation?*

This title explores the complex relationship between Pornhub and feminist discourse. It debates whether platforms like Pornhub serve as tools for sexual liberation and empowerment or perpetuate exploitation and objectification. The book features perspectives from activists, performers, and scholars, encouraging critical reflection on gender and sexuality in digital spaces.

8. *From Amateur to Icon: Building a Career on Pornhub*

Chronicling the rise of content creators, this book details how everyday individuals have used Pornhub to launch successful careers. It covers strategies for branding, audience engagement, and navigating the platform's policies. The author also discusses the challenges and opportunities presented by the democratization of adult content production.

9. *Privacy and Security on Pornhub: Protecting Users in a Digital World*

This book focuses on the privacy concerns and security measures related to Pornhub's users and performers. It explores data protection practices, risks of doxing, and the implications of digital footprints in the adult entertainment industry. The author offers guidance on maintaining anonymity and safeguarding personal information online.

pornhub: Mainstreaming Porn Elaine Craig, 2024-09-03 The ubiquity of streaming sites such as Pornhub has transformed the social role of sexually explicit content today. Online porn is no longer a shady corner of the internet; it is mainstream. Its production, commodification, and consumption on data-driven online platforms has changed – and is changing – our personal relationships, social and legal systems, and sexual norms. Online porn platforms are shaping sexual desires and practices in the same way that Google and Facebook have affected social relationships and the circulation of information: porn is now consumed on data-driven platforms with algorithms designed to engage the attention of users, encourage the production of user-generated videos, and filter content. Through frank examination of mainstream content with themes of incest, intoxication, and so-called consensual rough sex, issues that play out in life and in court, Elaine Craig shows how the platformization of mainstream pornography is shaping our sexual culture in real time. Mainstreaming Porn maps a complicated web of legal culture and legal actors, from corporate lawyers and platform content regulation to the criminal, civil, and administrative contexts in which porn companies operate and the legal interpretation of sexual assault defences. All have profound implications for the promotion and protection of everyone's sexual integrity, and especially that of women and girls. Mainstreaming Porn is an unflinching, carefully balanced perspective on a divisive topic. Without demonizing pornography or its consumption, Craig makes a powerful argument for applying legal mechanisms to corporate-owned online platforms while offering a sober evaluation of the limits of the law in governing pervasive cultural norms and social understandings of sexuality.

pornhub: Aggression in Pornography Eran Shor, Kimberly Seida, 2020-07-21 Aggression in Pornography focusses on the issue of violence in mainstream pornography and examines what we know, what we think we know, and what are some surprising research findings and insights about the place of violence within pornography today. The authors first review the modern pornography industry, theoretical claims about pornography as violence, and the ways in which aggression has been defined and measured in previous research. Next, they review the findings of empirical research on violent content in pornographic materials and the potential effects of such content on audiences. The main part of the book relies on systematically collected empirical data, as the authors analyze the content of hundreds of pornographic videos as well as more than a hundred interviews with men and women who regularly watch pornography. These analyses provide surprising insights regarding the prevalence of and trends in violent content within mainstream pornography, the popularity of violent and non-violent content among viewers, and variations in aggression by race and sexual orientation. As such, Aggression in Pornography will be of interest to students and researchers in sociology, gender and sexuality studies, and media and film studies, as well as to wider audiences who are interested in today's pornography industry and to policymakers looking to devise empirically driven policies regarding this industry and its potential effects.

pornhub: The Emerald International Handbook of Technology-Facilitated Violence and Abuse Jane Bailey, Asher Flynn, Nicola Henry, 2021-06-04 The ebook edition of this title is Open Access and freely available to read online This handbook features theoretical, empirical, policy and legal analysis of technology facilitated violence and abuse (TFVA) from over 40 multidisciplinary scholars, practitioners, advocates, survivors and technologists from 17 countries

pornhub: Handbook of Sexual Assault and Sexual Assault Prevention William T. O'Donohue, Paul A. Schewe, 2019-10-18 This timely handbook provides in-depth overviews of the

myriad and multi-faceted issues surrounding sexual assault and its pervasiveness in today's culture. Drawing for multiple viewpoints and experts, the book is divided into seven comprehensive sections, covering such topics as risk factors, varying theoretical frameworks, prevention and intervention, and special populations. Within these sections the authors provide historical background as well as the latest research, and offer treatment outcomes and potentials. Selected topics covered in this book include: Feminist theories of sexual assault Social and economic factors surrounding sexual violence Mental, physiological, physical, and functional health concerns of victims, including PTSD Major categories of sexual offenders Treatment of sexual assault survivors in the LGBTQ+ community Procedural processes related to sexual assault investigation and adjudication within the criminal justice system The Handbook of Sexual Assault and Sexual Assault Prevention is a vital book that will appeal to a broad spectrum of students, researchers, practitioners, and clinicians in the fields of psychology, psychiatry, community mental health, and sociology.

pornhub: *Rough* Rachel Thompson, 2021-08-26 **AS HEARD ON BBC RADIO 4'S WOMEN'S HOUR** *Rough* is a revolutionary non-fiction work exploring the narratives of sexual violence that we don't talk about. A bad sexual experience. A grey area. Not rape but... A violation . These are the terms we use to describe the experiences we don't have words for. The way we talk about topics such as sex, consent, assault aren't fit for purpose. Through powerful testimony from 50 women and non-binary people, this book shines a light on the sexual violence that takes place in our bedrooms and beyond, sometimes at the hands of people we know, trust, or even love. *Rough* investigates violations such as 'stealthing,' non-consensual choking, and non-consensual rough sex acts that our culture is only starting to recognise as sexual violence. The book explores the ways in which systems of oppression manifest in our sexual culture - from racist microaggressions, to fatphobic acts of aggression, and ableist dehumanising behaviour. An intersectional, sex-positive, kink-positive work, the book also examines how white supremacy, transphobia, biphobia, homophobia, and misogyny are driving forces behind sexual violence. *Rough* is an urgent, timely call for change to the systems that oppress us all. 'An incredible investigation into a frighteningly common part of our sexual experience,' Dr Fern Riddell 'Rough speaks to how many women often feel after sexual encounters ...This book is excellent and demonstrates just how valid those feelings are,' Adele Walton, founder of Humanitarian Hotgirl

pornhub: *Raising Boys to Be Good Men* Aaron Gouveia, 2020-06-16 If you are the parent of a boy . . . this is the book you need . . . insightful, enlightened, practical. —Peggy Orenstein, New York Times bestselling author of *Boys & Sex* From the dad who created the viral tweet supporting his son wearing nail polish, this essential parenting guide shares 36 parenting tips for battling gender norms, bringing down man up culture, and helping sons realize their potential. Our boys are in a crisis. Toxic masculinity and tough guy-ism are on display daily from our leaders, and we see anger, dysfunction, violence, and depression in young men who are suffocated by harmful social codes. Our young sons are told to stop throwing like a girl. They hear phrases like “man up” when they cry. They are told “boys will be boys” when they behave badly. The “Girl Power” movement has encouraged women to be whoever and do whatever they want, but that sentiment is not often extended to boys. Just watch the bullying when boys try ballet, paint their fingernails, or play with a doll. But we can treat this problem—and the power lies in the hands of parents. It's not only possible to raise boys who aren't emotionally stifled and shoved into stereotypical gender boxes; it's vital if we want a generation of men who can express their emotions, respect women, and help nurse society back to a halfway healthy place. We can reframe manhood. From Aaron Gouveia, who gained viral fame after tweeting his support for his son's painted fingernails (and who knows toxic masculinity very well), learn practical and actionable tips such as: Don't accept different standards for moms and dads Teach boys that “girl” is not an insult and retire phrases like “boys will be boys” Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor, biting snark, and lived advice, *Raising Boys to Be Good Men* is the essential parenting guide for raising sons to realize their

potential outside the box.

pornhub: Human Resource Management in the Pornography Industry David M. Kopp, 2020-06-12 While pornography is stigmatized as “dirty work, it faces many of the same operational considerations as traditional industries. From increasing competition, new technology that impacts services, to health and workplace safety issues, the pornography industry also utilizes and applies HRM strategies that include recruiting, selecting and retaining the best (sex) workers. As a follow up to his last book on the social history of training and development (2018), Kopp writes this final installment of a system contained within an unconventional setting as he reflects and distills the facets of human resource management found in the pornography industry. Specifically, this book explores traditional human resource management processes and practices, and examines how common HRM systems are contextualized in an “organization-as-pariah” venue. Topics covered include recruiting, career development, performance management and workforce diversity, offering readers a value-neutral, analytical assessment of the HR practices in the unconventional industry and stigmatized trade that is pornography.

pornhub: Egalitarian Digital Privacy Tsachi Keren-Paz, 2023-03-30 Should digital platforms be responsible for intimate images posted without the subject’s consent? Could the viewers of such images be liable simply for viewing them? This book answers these questions in the affirmative, while considering the social, legal and technological features of unauthorized dissemination of intimate images, or ‘revenge porn’. In doing so, it asks fundamental socio-legal questions about responsibility, causation and apportionment, as well as conceptualizing private information as property. With a focus on private law theory, the book defines the appropriate scope of liability of platforms and viewers while critiquing both EU and US solutions to the problem. Through its analysis, the book develops a new theory of egalitarian digital privacy.

pornhub: Takedown Laila Mickelwait, 2024-07-23 NATIONAL BESTSELLER The gripping, true story of one woman’s battle to expose and shut down a criminal online porn empire. Pornhub was the 10th most visited site on the Internet, often praised as a progressive champion of women. Then one day, an activist discovered a secret they had been keeping from the world for over a decade: it was infested with child sexual abuse and rape videos. Now for the first time, anti-trafficking expert and mother of two Laila Mickelwait tells the story of her battle against Pornhub’s billionaire executives and the credit card companies who helped them monetize the abuse of countless victims—some as young as three years old. Readers will follow her from her first horrifying discovery of criminal content on Pornhub to closed-door meetings with credit card executives, White House and Justice Department senior officials, a powerful hedge-fund manager and more. Through insider accounts from Pornhub moderators and executives, you’ll meet the world’s first online porn tycoon, AKA “the Zuckerberg of porn,” along with Pornhub’s top brass (known internally as “The Bro Club”) who operate in secrecy. The culmination of years of activism, Takedown is the true, never before told story of how Mickelwait mobilized a movement of two million people and together they accomplished the biggest takedown of content in Internet history. (Financial Times)

pornhub: Nobody's Victim Carrie Goldberg, 2019-08-13 Nobody's Victim is an unflinching look at a hidden world most people don’t know exists—one of stalking, blackmail, and sexual violence, online and off—and the incredible story of how one lawyer, determined to fight back, turned her own hell into a revolution. “We are all a moment away from having our life overtaken by somebody hell-bent on our destruction.” That grim reality—gleaned from personal experience and twenty years of trauma work—is a fundamental principle of Carrie Goldberg’s cutting-edge victims’ rights law firm. Riveting and an essential timely conversation-starter, Nobody's Victim invites readers to join Carrie on the front lines of the war against sexual violence and privacy violations as she fights for revenge porn and sextortion laws, uncovers major Title IX violations, and sues the hell out of tech companies, schools, and powerful sexual predators. Her battleground is the courtroom; her crusade is to transform clients from victims into warriors. In gripping detail, Carrie shares the diabolical ways her clients are attacked and how she, through her unique combination of advocacy, badass relentlessness, risk-taking, and client-empowerment, pursues justice for them all. There are stories

about a woman whose ex-boyfriend made fake bomb threats in her name and caused a national panic; a fifteen-year-old girl who was sexually assaulted on school grounds and then suspended when she reported the attack; and a man whose ex-boyfriend used a dating app to send more than 1,200 men to ex's home and work for sex. With breathtaking honesty, Carrie also shares her own shattering story about why she began her work and the uphill battle of building a business. While her clients are a diverse group—from every gender, sexual orientation, age, class, race, religion, occupation, and background—the offenders are not. They are highly predictable. In this book, Carrie offers a taxonomy of the four types of offenders she encounters most often at her firm: assholes, psychos, pervers, and trolls. “If we recognize the patterns of these perpetrators,” she explains, “we know how to fight back.” Deeply personal yet achingly universal, *Nobody's Victim* is a bold and much-needed analysis of victim protection in the era of the Internet. This book is an urgent warning of a coming crisis, a predictor of imminent danger, and a weapon to take back control and protect ourselves—both online and off.

pornhub: 'Rough Sex' and the Criminal Law Hannah Bows, Jonathan Herring, 2022-11-07 Bows and Herring expertly collate an extensive mix of perspectives on the topic of 'rough sex' to contribute to a powerful feminist investigation of this critical and timely debate.

pornhub: NSFW Susanna Paasonen, Kylie Jarrett, Ben Light, 2024-02-06 An exploration of how and why social media content is tagged as “not safe for work” and an argument against conflating sexual content with risk. The hashtag #NSFW (not safe for work) acts as both a warning and an invitation. NSFW tells users, “We dare you to click on this link! And by the way, don't do it until after work!” Unlike the specificity of movie and television advisories (“suggestive dialogue,” “sexual content”), NSFW signals, nonspecifically, sexually explicit content that ranges from nude selfies to pornography. NSFW looks at how and why social media content is tagged “not safe” and shows how this serves to conflate sexual content and risk. The authors argue that the notion of “unsafety” extends beyond the risk of losing one's job or being embarrassed at work to an unspecified sense of risk attached to sexually explicit media content and sexual communication in general. The authors examine NSFW practices of tagging and flagging on a range of social media platforms; online pornography and its dependence on technology; user-generated NSFW content—in particular, the dick pic and associated issues of consent, desire, agency, and social power; the deployment of risqué humor in the workplace; and sexist and misogynist online harassment that functions as an enforcer of inequalities. They argue against the categorical effacement of sexual content by means of an all-purpose hashtag and urge us to shift considerations of safety from pictorial properties to issues of context and consent.

pornhub: *Chasing Hope* Nicholas D. Kristof, 2024-05-14 From New York Times columnist, Pulitzer Prize winner, and best-selling author Nicholas D. Kristof, an intimate and gripping memoir about a life in journalism “Nick Kristof takes us behind the scenes as he risks his life to shine a light on the world's most pressing problems and blaze a trail to a better future. In a time when trust in journalism is in jeopardy, his honesty, humility, and humanity are rays of hope.”—Adam Grant, author of *Hidden Potential* Since 1984, Nicholas Kristof has worked almost continuously for The New York Times as a reporter, foreign correspondent, bureau chief, and now columnist, becoming one of the foremost reporters of his generation. Here, he recounts his event-filled path from a small-town farm in Oregon to every corner of the world. Reporting from Hong Kong, Beijing, and Tokyo, while traveling far afield to India, Africa, and Europe, Kristof witnessed and wrote about century-defining events: the Tiananmen Square protests and massacre, the Yemeni civil war, the Darfur genocide in Sudan, and the wave of addiction and despair that swept through his hometown and a broad swath of working-class America. Fully aware that coverage of atrocities generates considerably fewer page views than the coverage of politics, he nevertheless continued to weaponize his pen against regimes and groups violating basic human rights, raising the cost of oppression and torture. Some of the risks he took while doing so make for hair-raising reading. Kristof writes about some of the great members of his profession and introduces us to extraordinary people he has met, such as the dissident whom he helped escape from China and a Catholic nun who browbeat a

warlord into releasing schoolgirls he had kidnapped. These are the people, the heroes, who have allowed Kristof to remain optimistic. Side by side with the worst of humanity, you always see the best. This is a candid memoir of vulnerability and courage, humility and purpose, mistakes and learning—a singular tale of the trials, tribulations, and hope to be found in a life dedicated to the pursuit of truth.

pornhub: *Examining Paratextual Theory and its Applications in Digital Culture* Desrochers, Nadine, 2014-04-30 The paratext framework is now used in a variety of fields to assess, measure, analyze, and comprehend the elements that provide thresholds, allowing scholars to better understand digital objects. Researchers from many disciplines revisit paratextual theories in order to grasp what surrounds text in the digital age. *Examining Paratextual Theory and its Applications in Digital Culture* suggests a theoretical and practical tool for building bridges between disciplines interested in conducting joint research and exploration of digital culture. Helping scholars from different fields find an interdisciplinary framework and common language to study digital objects, this book serves as a useful reference for academics, librarians, professionals, researchers, and students, offering a collaborative outlook and perspective.

pornhub: **The Silencing of the Lambs** Michael L. Brown, 2022-03-01 How long will the church's voice be drowned out by the roar of the enemy? After reading this book, you will understand the critical issues threatening the spread of the gospel in America, and how you can play a part and no longer be a silent lamb drowned out by the voices of secularism, liberalism, and pagan thinking in America. If you are a conservative living in America today, there is a target on your back. If you are a Christian conservative, that target is even bigger. If you are a Christian conservative who refuses to bow down to the spirit of the age, the spirit of political correctness, that target is so big that you are a marked man or woman. A person like that—like you!—must be silenced. So says today's cultural elite, who are making it increasingly difficult for Christians to stand up and live out their faith. In *The Silencing of the Lambs*, Dr. Michael L. Brown lays out what is happening in the world around us—from the assault on children in schools and on college campuses to the unprecedented censorship of Christians and conservatives through Big Tech. He then maps out strategies for how we can turn the pitfalls into platforms and find courage in the midst of opposition. The Word of God cannot be bound. The church cannot be cancelled. This book sounds the alarm, alerting Christians to the increasing censorship, opposition, and even persecution believers are facing today, and calls them to remove the muzzle, take their place as the church in this nation, and turn the tide.

pornhub: *Queering Digital India* Rohit K. Dasgupta, 2017-11-22 Combines development theory with practice through a case study of the West African community of Tostan

pornhub: **Gender and Sexuality in the European Media** Cosimo Marco Scarcelli, Despina Chronaki, Sara De Vuyst, Sergio Villanueva Baselga, 2021-05-25 This edited collection brings together original empirical and theoretical insights into the complex set of relations which exist between age, gender, sexualities and the media in Europe. This book investigates how engagements with media reflect people's constructions and understandings of gender in society, as well as articulations of age in relation to gender and sexuality; the ways in which negotiations of gender and sexuality inform people's practices with media, and not least how mediated representations may reinforce or challenge social hierarchies based in differences of gender, sexual orientation and age. In doing so, it showcases new and innovative research at the forefront of media and communication practice and theory. Including contributions from both established and early career scholars across Europe, it engages with a wide range of hotly debated topics within the context of gender, sexuality and the media, informing academic, public and policy agendas. This collection will be of interest to students and researchers in gender studies, media studies, film and television, cultural studies, sexuality, ageing, sociology and education.

pornhub: *Internet and Smartphone Use-Related Addiction Health Problems* Olatz Lopez-Fernandez, 2021-08-31 This Special Issue presents some of the main emerging research on technological topics of health and education approaches to Internet use-related problems, before

and during the beginning of coronavirus disease 2019 (COVID-19). The objective is to provide an overview to facilitate a comprehensive and practical approach to these new trends to promote research, interventions, education, and prevention. It contains 40 papers, four reviews and thirty-five empirical papers and an editorial introducing everything in a rapid review format. Overall, the empirical ones are of a relational type, associating specific behavioral addictive problems with individual factors, and a few with contextual factors, generally in adult populations. Many have adapted scales to measure these problems, and a few cover experiments and mixed methods studies. The reviews tend to be about the concepts and measures of these problems, intervention options, and prevention. In summary, it seems that these are a global culture trend impacting health and educational domains. Internet use-related addiction problems have emerged in almost all societies, and strategies to cope with them are under development to offer solutions to these contemporary challenges, especially during the pandemic situation that has highlighted the global health problems that we have, and how to holistically tackle them.

pornhub: Kinky History Esmé Louise James, 2023-10-03 Irreverent and provocative, this is a history of sex, from TikTok sensation Esmé Louise James. It's time to take your seat for a dinner party like no other. Discover the long, long history of the dildo. Hear James Joyce celebrate the beauty of his wife's farts. And you'll never guess Albert Einstein's thoughts on marital relations. Kinky History draws on Esmé Louise James's phenomenally successful series on TikTok, which explores scandalous stories in the ancient world and the saucy secrets of famous figures. Teaming up with her statistician mother, Dr Susan James, the pair have surveyed the nation for all of your intimate secrets - and the results are in. By placing the past in conversation with the present, we'll explore five 'kinks' that challenge our thinking about sex. How has the idea of sin shaped our sex lives? Why is masturbation so taboo? Where are our hidden queer histories? How do kinks and fetishes play with the idea of sex? And why does pornography have so much power over us? Kinky History aims to blow open our conversation about sexuality and gender. Strap yourself in (or on?) - let's build a more liberated, sex-positive future.

pornhub: Contemporary Critical Criminology Walter S. DeKeseredy, 2021-09-22 The concept of critical criminology - that crime and the present-day processes of criminalization are rooted in the core structures of society - is of more relevance today than it has been at any other time. Written by an internationally renowned scholar, Contemporary Critical Criminology introduces the most up-to-date empirical, theoretical, and political contributions made by critical criminologists around the world. In its exploration of this material, the book also challenges the erroneous but widely held notion that the critical criminological project is restricted to mechanically applying theories to substantive topics, or to simply calling for radical political, economic, cultural, and social transformations. Now fully updated and expanded in a new edition, this book offers further coverage of new directions in critical criminology, covering topics such as: Green criminology Indigenous criminology Intersectionality Narrative criminology Rural critical criminology Queer criminology Zemiology Critical research methods Contemporary critical criminological policies Written in a clear and direct style, this book is an essential source of reference for both undergraduate and postgraduate students of criminology, deviance and social control, criminological theory, social policy, research methodology, and criminal justice.
