

rock hudson last partner

rock hudson last partner is a topic that continues to intrigue fans and historians of classic Hollywood cinema. Rock Hudson, a legendary actor known for his charismatic screen presence, had a private personal life that only became widely known after his death in 1985. His last partner played a significant role in his life during his final years, especially as Hudson battled AIDS, a disease that was heavily stigmatized at the time. Understanding who Rock Hudson's last partner was sheds light on the challenges he faced and the support he received in his final days. This article will explore the identity of Rock Hudson's last partner, their relationship dynamics, and the impact this partnership had on Hudson's legacy. Additionally, the article will provide context on Rock Hudson's personal life, his public image, and how his last partner contributed to the narrative surrounding his life and death.

- The Identity of Rock Hudson's Last Partner
- The Relationship Between Rock Hudson and His Last Partner
- Impact of Rock Hudson's Last Partner on His Legacy
- Rock Hudson's Final Years and Health Struggles

Rock Hudson's Personal Life and Public Image

Rock Hudson, born Roy Harold Scherer Jr., was one of the most iconic actors of the 1950s and 1960s, renowned for his roles in romantic dramas and comedies. Despite his widespread fame and on-screen persona as a leading man, Hudson's personal life was marked by secrecy, particularly regarding his sexuality. In an era when Hollywood actors faced immense pressure to conform to heteronormative ideals, Hudson maintained a carefully constructed public image as a heterosexual heartthrob. This façade was crucial for his career but came at a personal cost, as he concealed his true identity from the public and many in his inner circle.

Hollywood's Culture During Hudson's Era

The mid-20th century Hollywood industry was a challenging environment for actors who deviated from the mainstream image expected by studios and audiences. LGBTQ+ individuals, including Rock Hudson, often had to hide their sexual orientation to avoid professional and social repercussions. This culture of secrecy influenced Hudson's personal relationships and public appearances, making the identity of his last partner particularly significant in understanding his private life.

Public Perception vs. Reality

While Rock Hudson was celebrated as a leading man opposite stars such as Doris Day and Elizabeth Taylor, the public was largely unaware of his sexuality until the emergence of his AIDS diagnosis. The revelation shocked fans and marked a turning point in how celebrity privacy and health issues were handled in the media. Hudson's last partner, therefore, represents a crucial link between the public persona and the private realities of the actor's life.

The Identity of Rock Hudson's Last Partner

During the final years of Rock Hudson's life, his last partner was Marc Christian, a relationship that remained largely out of the public eye until after Hudson's death. Marc Christian was a Danish-American designer and makeup artist who became Hudson's companion in the early 1980s. Their partnership was characterized by mutual support during Hudson's struggle with AIDS and the challenges posed by the disease's stigma at the time.

Marc Christian's Background

Marc Christian was well-known within the fashion and entertainment industries for his work as a designer and makeup artist. His creative talents and understanding of the entertainment world allowed him to connect with Hudson on both personal and professional levels. Their bond grew stronger as Hudson's health declined, highlighting the importance of Christian's presence in Hudson's final years.

How They Met and Began Their Relationship

Rock Hudson and Marc Christian met in the late 1970s or early 1980s, during a period when Hudson was increasingly private about his personal relationships. Their connection was based on companionship, trust, and care, especially as Hudson faced the challenges of living with AIDS. Christian was by Hudson's side during many difficult moments, providing emotional and practical support.

The Relationship Between Rock Hudson and His Last Partner

The relationship between Rock Hudson and Marc Christian was both deeply personal and emblematic of the hidden lives led by many LGBTQ+ individuals in Hollywood at the time. Their partnership was marked by loyalty and discretion, allowing Hudson a degree of normalcy and comfort amid public scrutiny and personal health battles.

Support During Hudson's AIDS Diagnosis

Hudson's diagnosis of AIDS in 1984 was a watershed moment for both the actor and the broader public understanding of the disease. Marc Christian played an essential role in caring for Hudson, managing aspects of his treatment and providing companionship through the difficult progression of his illness. This support was critical during a time when AIDS was widely misunderstood and feared.

Maintaining Privacy in a Public World

Despite his celebrity status, Rock Hudson and Marc Christian kept their relationship largely out of the media spotlight. This was a strategic choice to protect Hudson's privacy and reputation, reflecting the broader context of stigma surrounding AIDS and homosexuality in the 1980s. Their discretion emphasized the need for respect and dignity in the face of widespread discrimination.

Impact of Rock Hudson's Last Partner on His Legacy

Marc Christian's role as Rock Hudson's last partner has contributed significantly to the understanding of Hudson's personal life and the human side of his struggle with AIDS. Their relationship humanized Hudson beyond his on-screen image and helped to shift public perceptions about AIDS and LGBTQ+ individuals.

Changing Public Conversations About AIDS

Hudson's disclosure of his AIDS diagnosis, supported by Christian, helped to raise awareness about the disease and reduce stigma. This openness was instrumental in encouraging more compassionate and informed discussions, leading to increased advocacy and research funding. Christian's presence in Hudson's life exemplified the importance of supportive partnerships in coping with chronic illness.

Legacy of Compassion and Courage

The partnership between Rock Hudson and Marc Christian symbolizes courage and compassion in the face of adversity. Their story has inspired ongoing dialogue about the intersection of celebrity, illness, and privacy, influencing how public figures manage personal challenges today. Christian's role as Hudson's last partner remains a vital part of the actor's enduring legacy.

Rock Hudson's Final Years and Health Struggles

The last years of Rock Hudson's life were dominated by his battle with AIDS, a disease that was then associated with fear and misunderstanding. His health declined rapidly after he went public with his diagnosis in 1985, a courageous act that helped to challenge misinformation and prejudice surrounding the illness.

Diagnosis and Public Announcement

Rock Hudson was diagnosed with AIDS in 1984 but kept it a secret until 1985, when he publicly disclosed his condition. This announcement was a landmark moment in the fight against AIDS, as Hudson was one of the first major celebrities to reveal their diagnosis. It helped to bring the disease into the public consciousness and fostered greater empathy for those affected.

The Role of His Last Partner During This Time

Marc Christian's support during Hudson's final years was invaluable. He provided emotional comfort and practical assistance as Hudson navigated the complexities of his illness and the evolving medical treatments available. Christian's dedication underscored the importance of love and companionship in confronting life-threatening diseases.

Hudson's Enduring Influence

Though Rock Hudson passed away in 1985, his openness about AIDS and the support he received from his last partner left a lasting impact on public health advocacy and the entertainment industry's approach to discussing illness and sexuality. His story continues to resonate as a testament to resilience and the power of personal relationships during hardship.

Summary of Key Points

- Rock Hudson maintained a carefully guarded personal life during his career due to Hollywood's restrictive culture.
- His last partner was Marc Christian, a designer and makeup artist who supported him during his AIDS diagnosis.
- Their relationship was marked by loyalty, discretion, and mutual care in the face of public stigma.
- Hudson's public disclosure of AIDS, supported by Christian, helped change public perceptions and advance awareness.
- The partnership between Hudson and Christian remains a significant aspect of Hudson's legacy and the history of AIDS advocacy.

rock hudson last partner: Between Rock and a Hard Place Robert Parker Mills, 2010-11
This book is about the first fear of AIDS case tried in America. It tells the untold story of the trial that the general public heard nothing about. By telling the true story from the perspective of the lawyer who actually represented the Estate of Rock Hudson it is hoped the reader, acting as the 13th juror, will see the gross injustice done to the late actor by Christian and Rock's alleged friend, Mark Miller, as well as the court, the jury, and the press, all of which were blinded from the truth by this newly discovered disease called AIDS. Marc Christian claimed he was given a death sentence because Rock didn't tell him of his AIDS diagnosis and continued to have high risk sex with him. 25 years later Christian died not from HIV or AIDS. He was never HIV positive. How could this be if he was telling the truth that he continued having anal sex with Hudson 3 to 5 times a week for 8 months after Rock was first told he had full blown AIDS? Christian was either superhuman and they should clone his blood as a cure for AIDS, or he simply didn't tell the truth at trial, where Rock Hudson could not defend himself because Christian waited until Rock died, and found out he wasn't in his Will, before bringing his lawsuit.

rock hudson last partner: How You and Your Mate Can Become a Super Couple James Milton Murphy, 2011-05-18

rock hudson last partner: Last Served? Cindy Patton, 2005-07-12 Following a decade in which the focus on HIV and AIDS has been on specific social groups, a shift in professional perceptions has resulted in a change in the images of women and HIV/AIDS. *Last Served?* recognizes and analyzes the trend toward more openly acknowledging and planning for women in the pandemic. Rather than enumerating the effects on women of confused or conflicting policies and representation, the book details why and how this situation occurred.; The author suggests that new visibility of women cannot in itself quickly or easily change the underlying assumptions which made women simultaneously radiant figures of sexual purity, and a magnet for blame during the pandemic's first decade.; *Last Served?* makes clear how the different ways of posing and answering questions about women and HIV are grounded in already existing ways of thinking about gender, and how these underlying preconceptions sometimes create situations whereby attempts to address the practical needs of women often result in reinforcement, or introduction of new forms of male domination.; Combining detailed analysis with practical suggestions, *Last Served?* provides insights into the current debates about women and AIDS and suggests future directions for work to overcome discrimination, faulty planning and misrepresentation.

rock hudson last partner: Rock Hudson John Mercer, 2019-07-25 Tall, dark and handsome, with a manufactured name and a scrupulously designed professional image, Rock Hudson represented the Hollywood ideal of American masculinity during the 1950s and 60s; an ideal that was to be questioned and ultimately undermined during the years to follow by lurid accounts of his private life and his death from AIDS related illness. This illuminating analysis of Hudson's career

reassesses the perceived disparity between his public persona and his 'true' nature. Exploring his unique qualities as a performer and exposing the role of his agent, producers and directors in the construction of his image, John Mercer unpicks Hudson's stardom to reveal a more complex star identity than has hitherto been understood. Foregrounding the ways in which Hudson's career provides insights into the nature of American popular culture and attitudes towards gender and sexuality, Mercer ultimately depicts Hudson as a star who embodied a period of transition between the old Hollywood and the new.

rock hudson last partner: Shattered Debra Puglisi Sharp, 2010-05-11 In April 1998, Debra Puglisi Sharp -- wife, nurse, and mother of teenage twins -- was tending the roses in her garden when a factory worker with a cocaine habit slipped in through an open door and waited for her to come in. Nino, her husband of twenty-five years, got in the way and was shot. The man then attacked and raped Debra, placed her in the trunk of his car, and drove away. Kept hog-tied in her abductor's house, Debra finally learned of her husband's murder from a newscast on a radio that the man blared to muffle her screams while he was out. After five excruciating days, Debra's mounting rage at her captor -- and the wrenching thought of her children burying their father alone -- gave her the courage and strength she desperately needed. She loosened her ties, groped her way to the phone...and dialed 911. *Shattered* is an indelible portrait of hope, determination, and the agonizing journey back to life. Struggling to heal from her horrendous ordeal and the devastating loss of her husband, Debra also had to endure an agonizing court trial, the raw grief of her children, and her own crippling fear. But through her work in hospice care and as an advocate for victims of violence and trauma, she has slowly discovered the measure of her own strength. A compelling survival story -- tragic and ultimately heroic -- *Shattered* represents one woman's attempts to make sense of a senseless crime.

rock hudson last partner: Liberace Darden Asbury Pyron, 2013-04-26 More people watched his nationally syndicated television show between 1953 and 1955 than followed *I Love Lucy*. Even a decade after his death, the attendance records he set at Madison Square Garden, the Hollywood Bowl, and Radio City Music Hall still stand. Arguably the most popular entertainer of the twentieth century, this very public figure nonetheless kept more than a few secrets. Darden Asbury Pyron, author of the acclaimed and bestselling *Southern Daughter: The Life of Margaret Mitchell*, leads us through the life of America's foremost showman with his fresh, provocative, and definitive portrait of Liberace, an American boy. Liberace's career follows the trajectory of the classic American dream. Born in the Midwest to Polish-Italian immigrant parents, he was a child prodigy who, by the age of twenty, had performed with the Chicago Symphony Orchestra. Abandoning the concert stage for the lucrative and glittery world of nightclubs, celebrities, and television, Liberace became America's most popular entertainer. While wildly successful and good natured outwardly, Liberace, Pyron reveals, was a complicated man whose political, social, and religious conservatism existed side-by-side with a lifetime of secretive homosexuality. Even so, his swishy persona belied an inner life of ferocious aggression and ambition. Pyron relates this private man to his public persona and places this remarkable life in the rapidly changing cultural landscape of twentieth-century America. Pyron presents Liberace's life as a metaphor, for both good and ill, of American culture, with its shopping malls and insatiable hunger for celebrity. In this fascinating biography, Pyron complicates and celebrates our image of the man for whom the streets were paved with gold lamé. An entertaining and rewarding biography of the pianist and entertainer whose fans' adoration was equaled only by his critics' loathing. . . . [Pyron] persuasively argues that Liberace, thoroughly and rigorously trained, was a genuine musician as well as a brilliant showman. . . . [A]n immensely entertaining story that should be fascinating and pleasurable to anyone with an interest in American popular culture.—Kirkus Reviews This is a wonderful book, what biography ought to be and so seldom is.—Kathryn Hughes, *Daily Telegraph* [A]bsorbing and insightful. . . . Pyron's interests are far-ranging and illuminating—from the influence of a Roman Catholic sensibility on Liberace and gay culture to the aesthetics of television and the social importance of self-improvement books in the 1950s. Finally, he achieves what many readers might consider impossible: a persuasive case for

Liberace's life and times as the embodiment of an important cultural moment.—Publishers Weekly
Liberace, coming on top of his amazing life of Margaret Mitchell, Southern Daughter, puts Darden Pyron in the very first rank of American biographers. His books are as exciting as the lives of his subjects.—Tom Wolfe
Fascinating, thoughtful, exhaustive, and well-written, this book will serve as the standard biography of a complex icon of American popular culture.—Library Journal

rock hudson last partner: *Secret City* James Kirchick, 2022-05-31 The New York Times Bestseller A New York Times Notable Book of 2022 Named one of Vanity Fair's "Best Books of 2022" "Not since Robert Caro's *Years of Lyndon Johnson* have I been so riveted by a work of history. *Secret City* is not gay history. It is American history." —George Stephanopoulos
Washington, D.C., has always been a city of secrets. Few have been more dramatic than the ones revealed in James Kirchick's *Secret City*. For decades, the specter of homosexuality haunted Washington. The mere suggestion that a person might be gay destroyed reputations, ended careers, and ruined lives. At the height of the Cold War, fear of homosexuality became intertwined with the growing threat of international communism, leading to a purge of gay men and lesbians from the federal government. In the fevered atmosphere of political Washington, the secret "too loathsome to mention" held enormous, terrifying power. Utilizing thousands of pages of declassified documents, interviews with over one hundred people, and material unearthed from presidential libraries and archives around the country, *Secret City* is a chronicle of American politics like no other. Beginning with the tragic story of Sumner Welles, Franklin Delano Roosevelt's brilliant diplomatic advisor and the man at the center of "the greatest national scandal since the existence of the United States," James Kirchick illuminates how homosexuality shaped each successive presidential administration through the end of the twentieth century. Cultural and political anxiety over gay people sparked a decades-long witch hunt, impacting everything from the rivalry between the CIA and the FBI to the ascent of Joseph McCarthy, the struggle for Black civil rights, and the rise of the conservative movement. Among other revelations, Kirchick tells of the World War II-era gay spymaster who pioneered seduction as a tool of American espionage, the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered, and how allegations of a "homosexual ring" controlling Ronald Reagan nearly derailed his 1980 election victory. Magisterial in scope and intimate in detail, *Secret City* will forever transform our understanding of American history.

rock hudson last partner: *The Advocate*, 2002-10-29 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

rock hudson last partner: *Luminous presence* Alexandra Parsons, 2021-11-02 Luminous presence: Derek Jarman's life-writing is the first book to analyse the prolific writing of queer icon Derek Jarman. Although he is well known for his avant-garde filmmaking, his garden, and his AIDS activism, he is also the author of over a dozen books, many of which are autobiographical. Much of Jarman's exploration of post-war queer identity and imaginative response to HIV/AIDS can be found in his books, such as the lyrical AIDS diaries *Modern Nature* and *Smiling in Slow Motion*. This book fully explores, for the first time, the remarkable range and depth of Jarman's writing. Spanning his career, Alexandra Parsons argues that Jarman's self-reflexive response to the HIV/AIDS crisis was critical in changing the cultural terms of queer representation from the 1980s onwards. Luminous presence is of great interest to students, scholars and readers of queer histories in literature, art

and film.

rock hudson last partner: *Cary Grant* Marc Eliot, 2009-02-04 "Everybody wants to be Cary Grant. Even I want to be Cary Grant." —Cary Grant He is Hollywood's most fascinating and timeless star. Although he came to personify the debonair American, Cary Grant was born Archibald Leach on January 18, 1904, in the seaport village of Bristol, England. Combining the captivating beauty of silent-screen legend Rudolph Valentino with the masculine irresistibility of Clark Gable, Grant emerged as Hollywood's quintessential leading man. Today, "the man from dream city," as critic Pauline Kael once described him, remains forever young, an icon of quick wit, romantic charm, and urbane sophistication, the epitome of male physical perfection. Yet beneath this idealized movie image was a conflicted man struggling to balance fame with a desire for an intensely private life separate from the "Cary Grant" persona celebrated by directors and movie studios. Exploring Grant's troubled childhood, ambiguous sexuality, and lifelong insecurities as well as the magical amalgam of characteristics that allowed him to remain Hollywood's favorite romantic lead for more than thirty-five years, Cary Grant is the definitive examination of every aspect of Grant's professional and private life, and the first to reveal the man behind the movie star. Working with the most talented directors of his time, Grant starred in an astonishing seventy-two films, ranging from his groundbreaking comedic roles in such classics as *Bringing Up Baby* (Howard Hawks) and *The Philadelphia Story* (George Cukor) to the darker, unforgettable characters of Alfred Hitchcock's *Suspicion* and *Notorious*, culminating in the consummate sophisticates of *An Affair to Remember* (Leo McCarey), *North by Northwest* (Hitchcock), and *Charade* (Stanley Donen). The camera loved Grant, and his magnetism helped illuminate his leading ladies, some of the most glamorous women ever to grace the silver screen: Mae West, Irene Dunne, Katharine Hepburn, Ingrid Bergman, Grace Kelly, and Sophia Loren, among others. Yet, because of his pioneering role as an independent player, Grant was repeatedly denied the Oscar he coveted—a snub from the Academy that would last until 1970, when he graciously accepted a special lifetime achievement award. Grant's sparkling image on-screen hid a tumultuous personal life that he tried desperately to keep out of the public eye, including his controversial eleven-year relationship with Randolph Scott, five marriages, and numerous affairs. Rigorously researched and elegantly written, *Cary Grant: A Biography* is a complete, nuanced portrait of the greatest Hollywood star in cinema history.

rock hudson last partner: Hollywood Heaven David Barraclough, Denise McMullen, 1991 This detailed profile of our favorite stars who died tragically (from Natalie Wood, James Dean, and Marilyn Monroe, to John Belushi), is fascinating reading. Over 120 full-color and black-and-white photographs.

rock hudson last partner: *Brando Unzipped* Darwin Porter, 2006 That ongoing, barely under control drama known as Marlon Brando--Hollywood's Ultimate Bad Boy, Megastar, and Sexual Outlaw--with a special focus on his early rise to fame and his social and sexual associations with the A-list legends of the 40s, 50s, and 60s. *Brando Unzipped* is the definitive gossip guide to the late, great actor's life --New York Daily News. Lurid, raunchy, perceptive, and certainly worth reading, it's one of the best show-biz biographies of the year. --London's Sunday Times. *Brando Unzipped* received an Honorable Mention from Foreword Magazine in its Book of the Year competition, and it won a Silver Ippy award for Best Biography from the Independent Publisher's Association.

rock hudson last partner: Scandals, Secrets and Swansongs Boze Hadleigh, 2021-09-01 Behind the images and facades of stars whose fame and fascination continue to outlive them lies the naked truth. How Hollywood stars lived, worked and died is often more dramatic than their films. When we talk about movie stars we usually dwell not on their movies but their personalities or what happened to them or supposedly happened. Their lives interest us even more than their roles, especially, let's be honest, their mishaps and tragedies, including early deaths. Their scandals define several movie stars, and Hollywood secrets remain a true-gossip staple, particularly sexual secrets. *Scandals, Secrets & Swansongs* takes a close-up, no-holds-barred look at 101 stars—at their

surprising, often shocking, sometimes sordid but always entertaining real selves and lives.

rock hudson last partner: Ryan Murphy's Queer America Brenda R. Weber, David Greven, 2022-05-18 Ryan Murphy is a self-described gay boy from Indiana, who has grown up to forge a media empire. With an extraordinary list of credits and successful television shows, movies, and documentaries to his name, Murphy can now boast one of the broadest and most successful careers in Hollywood. Serving as writer, producer, and director, his creative output includes limited-run dramas (such as *Feud*, *Ratched*, and *Halston*), procedural dramas (such as *9-1-1* and *9-1-1 Lonestar*), anthology series (such as *American Crime Story*, *American Horror Story*, and *American Horror Stories*), sit-coms (such as *The New Normal*) and long-running serial narratives (such as *Glee*, *Nip/Tuck*, and *Pose*). Each of these is infused in different ways with a distinctive form of queer energy and erotics, animating their narratives with both campy excess and poignant longing and giving new meaning to the American story. This collection takes up Murphy as auteur and showrunner, considering the gendered and sexual politics of Murphy's wide body of work. Using an intersectional framework throughout, an impressive list of well-known and emerging scholars engages with Murphy's diverse output, while also making the case for Murphy's version of a queer sensibility, a revised notion of queer time, cultural memory, and the contributions his own production company makes to a politics of LGBTQ+ representation and evolving gender identities. This book is suitable for students of Gender and Media, LGBTQ+ Studies, Media Studies, and Communication Studies.

rock hudson last partner: Encyclopedia of Gay and Lesbian Popular Culture Luca Prono, 2007-12-30 During the 20th century through today, gay and lesbian artists, writers, political activists, and sports figures contributed their talents to all areas of popular culture. Authors such as E. Lynn Harris and Patricia Highsmith write bestselling novels. Rupert Everett follows in the footsteps of Rock Hudson and others who starred in multimillion dollar films. George Michael and k.d.lang have been the creative forces behind dozens of hit songs, and the TV programs of Ellen DeGeneres, Rosie O'Donnell, and the cast of *Queer Eye for the Straight Guy* are enjoyed in gay and straight households alike. The *Encyclopedia of Gay and Lesbian Popular Culture* identifies the people, films, TV shows, literature, and sports figures that have made significant contributions to both gay and lesbian popular culture, and American popular culture.

rock hudson last partner: Another Fine Mess Saul Austerlitz, 2010-09 From *City Lights* to *Knocked Up*, this history examines American film from the perspective of its unwanted stepbrother, the comedy, and puts the comic titans of the present in the context of their predecessors. The 30 chapters and 100 essays follow the connections that link Mae West to Marilyn Monroe and W. C. Fields to Will Ferrell. Offering unvarnished insight into comedians and directors such as Buster Keaton, Christopher Guest, Eddie Murphy, and Ben Stiller, this eye-opening, entertaining, and enlightening tour encompasses the masterpieces, the box-office smashes, and all the little-known gems in between. Laurel and Hardy, Marilyn Monroe, Peter Sellers, Mel Brooks, Richard Pryor, Steve Martin, and the Coen Brothers are among others profiled, while a list of the top-100 American film comedies is also included.

rock hudson last partner: Life After Betrayal Lynda Bevan, 2006-12-01 A self-help guide for people recovering from infidelity in a long-term relationship.

rock hudson last partner: Adaptation and the New Art Film William H. Mooney, 2021-04-21 Since the 1990s, the expropriation of canonical works of cinema has been a fundamental dimension of art-film exploration. Rainer Werner Fassbinder provides an early model of open adaptation of film classics, followed ever more boldly by the Coen Brothers, Chantal Akerman, Alex Carax, Todd Haynes, Florian Henckel von Donnersmarck, Baz Luhrmann, and Olivier Assayas. This book devotes chapters to each of these directors to examine how their films redeploy landmark precursors such as *City Lights* (1931), *Citizen Kane* (1941), *Rome Open City* (1945), *All About Eve* (1950), and *Vertigo* (1958) in order to probe our psychological, philosophical, and historical situations in a postmodern *société du spectacle*. In broadly diverse ways, each of these directors complicates received notions of the past and its representation, while probing the transformative media evolution and dislocation

of the present, in film art and in society.
