rabbi finkelstein interview: The Routledge History of Antisemitism Mark Weitzman, Robert J. Williams, James Wald, 2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding, and as concern over antisemitism has grown, so too have the debates over how to understand and combat it. This handbook explores its history and

manifestations, ranging from its origins to the internet. Since the Holocaust, many in North America and Europe have viewed antisemitism as a historical issue with little current importance. However, recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews. Antisemitism has become a major issue confronting and challenging our world. This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective, covering a broad scope of experiences across different countries and regions. The final section discusses the manifestations of antisemitism in its varied cultural and social forms. With an international range of contributions across 40 chapters, this is an essential volume for all readers of Jewish and non-Jewish history alike.

rabbi finkelstein interview: Unveiling True God The Father of Christ Dr. Steven Christ, 2020-01-31 The purpose of this book is to bring truth as to who God The Father is and who we really are in Christ. Knowing who you are allows you to take back your power and authority over the God of this world—Yahweh. God The Father of Christ and all creation is not the God of this world (John 18:36). The Father gave man dominion over the earth (Genesis 1:26-28); through man's sin, power and authority was transferred to Satan/Lucifer. The Father cast Lucifer out of heaven down to the earth (Isaiah 14:12-14) vowed to be worshipped as God the Most High, the Father. Lucifer deceives the whole world (Revelation 12:9) into believing he is God The Father of Christ. The world is looking for this deception to occur in the future. In this book, I prove biblically this deception has already occurred twenty-five hundred years ago when Yahweh freed the Jews out of Egypt. Yahweh declares he is the God of the Jews ever since the land of Egypt and there is no other savior but him (Hosea 13:4). Before this, who was Yahweh? Our minds have been blinded by two thousand years of corrupt and false teachings that were set in place to maintain Yahweh's power and control over this world. Jesus Christ came into this world to tell the Jews the god they're worshipping—Yahweh is not God The Father. The Jews killed Jesus to save the Jewish nation (John 11:50-53) as His message would have completely destroyed the nation; this truth brought division within families. The Jews, with the help of Paul, gathered the children of Christ, grafting them into Yahweh's kingdom under the pretense that Yahweh is the Father of Christ, knowing he is the fallen angel Lucifer. The Father gave man markers to identify Lucifer and his fallen angels. One marker—they are chained in darkness. Yahweh always appears to men in thick darkness: Moses, Solomon, David, and the prophets. Yahweh/Jehovah is the god and ruler of this world, so the only way God The Father could help man was to be born into Yahweh's kingdom here on earth. Yahweh demanded shedding of blood—an innocent blood sacrifice for the forgiveness of sin. Jesus followed all of Yahweh's laws and statutes perfectly; He was sinless. Jesus gave himself to be man's blood sacrifice to appease Yahweh's wrath upon man. God the Father is perfect love; He is displeased with blood sacrifice of any kind. He told the Jews to stop but they continued making sacrifices to their God—Yahweh (Isaiah 66:3, Hosea 6:6-9). God the Father says killing of bulls and goats does not take away sin (Hebrews 10:4-6). I prove through scripture that Yahweh is not the loving God The Father of Christ. Yahweh does not have the Holy Spirit of the Father; therefore, he cannot create, he cannot raise the dead, and he cannot heal the sick. Yahweh needs the Father's Holy Spirit that is in all men to maintain his world construct; without it, this world would collapse. Yahweh keeps all men's souls in bondage and imprisoned here within the earth through sin and reincarnation; our spirit is recycled over and over till the day of judgment. Jesus came to teach us how to break free from Yahweh's matrix, being brought into God The Father's kingdom of light in the third heaven. Yahweh/Jehovah is the God of this world; his realm is the heavens directly above the earth and our planetary system. God the Father and Christ dwells in the third heaven aka the pleroma where there is no time, gravity, or matter. All things created emanate from the Father, Who is perfect love. He loves all His creation equally, so He has no favorites; no judgment or wrath towards His creation. This world is worshipping Yahweh; who comes from the Creator/God the Father. Yahweh is a jealous, angry, wrathful god that wants you to fear him. God the Father is the father of all things created; all things emanate from the Father so who can He be jealous of? Nothing. We are now living in the end times. Yahweh is doing everything in his power to corrupt God The Father's creation using all men of

power having one agenda—to control the whole world through one world religion, one world government, and one world currency. In this book, I give you the tools needed to escape Yahweh's kingdom of condemnation, death, and destruction.

rabbi finkelstein interview: *The Rabbi's Wife* Shuly Rubin Schwartz, 2007-09-01 2006 National Jewish Book Award, Modern Jewish Thought Long the object of curiosity, admiration, and gossip, rabbis' wives have rarely been viewed seriously as American Jewish religious and communal leaders. We know a great deal about the important role played by rabbis in building American Jewish life in this country, but not much about the role that their wives played. The Rabbi's Wife redresses that imbalance by highlighting the unique contributions of rebbetzins to the development of American Jewry. Tracing the careers of rebbetzins from the beginning of the twentieth century until the present, Shuly Rubin Schwartz chronicles the evolution of the role from a few individual rabbis' wives who emerged as leaders to a cohort who worked together on behalf of American Judaism. The Rabbi's Wife reveals the ways these women succeeded in both building crucial leadership roles for themselves and becoming an important force in shaping Jewish life in America.

Established within a rabbinic seminary, the museum's formation and development reflect changes in Jewish society over the twentieth century as it grappled with choices between religion and secularism, particularism and universalism, and ethnic pride and assimilation.

rabbi finkelstein interview: The Kings of the Earth and the High Ones on High Allan Cornford, 2018-12-30 There is a war taking place for the souls of mankind which the majority fail to see; having been blinkered by a fantasy world of falsehood, materialism and toxic manufactured realities. With this book, I pass judgement on no man. Nor do I attempt to determine the thoughts and sincerity of men, both past and present, whose actions and achievements have impacted world history. I'm just piecing together man's satanic agenda to generate a return to the 'Golden Age.' The New World Order, which will rise like a Phoenix from the ashes of World War III. This includes a re-look at the Genesis creation account, the true design of the Earth, the growth of false religion, the Synagogue of Satan, the coming delusion and certain end-time prophecy.

rabbi finkelstein interview: Food and Judaism Ronald Simkins, Philip M. and Ethel Klutznick Chair in Jewish Civilization. Symposium, 2005 Food is not simply a popularly imagined and well-known manifestation of Jewish culture. For Jews, food has been a means of exclusion, persecution, and assimilation by the larger society. Equally important, it has been an instrument of community, reparation, and renewal of identity. Food and Judaism presents a wide range of research on the history and interpretation of Jewish food practices and meanings. This volume covers a comprehensive array of topics, including American regional manifestations of food practices from little-known Jewish communities in cities such as contemporary Brighton Beach and Memphis; a social history of Jewish food in America by the renowned expert on Jewish food Joan Nathan; and an examination of how the American food industry appealed to early twentieth-century Jews. Several discussions of the religious meaning and personal advantages of following a vegetarian lifestyle are considered from biblical and historical perspectives. A rescued cookbook text from the Theresienstadt concentration camp is juxtaposed with an examination of how garlic in Jewish cooking served as an anti-Semitic caricature in early modern Europe. Historical perspectives are also provided on the use of separate dishes for milk and meat, the sanctification of Hasidic foods in Eastern Europe, and "mystical satiation" as found in the medieval Kabbalah.

rabbi finkelstein interview: Pastrami on Rye Ted Merwin, 2015-10-06 The history of an iconic culinary institution. Winner of the 2015 National Jewish Book Award in Education and Jewish Identity from the Jewish Book Council. For much of the twentieth century, the New York Jewish deli was an iconic establishment in both Jewish and American life. As a social space it rivaled—and in some ways surpassed—the synagogue as the primary gathering place for the Jewish community. In popular culture it has been the setting for classics like *When Harry Met Sally*. And today, after a long period languishing in the trenches of the hopelessly old-fashioned, it is experiencing a nostalgic resurgence. *Pastrami on Rye* is the first full-length history of the New York Jewish deli. The deli, argues Ted Merwin, reached its full flowering not in the immigrant period, as some might assume, but in the interwar era, when the children of Jewish immigrants celebrated the first flush of their

success in America by downing sandwiches and cheesecake in theater district delis. But it was the kosher deli that followed Jews as they settled in the outer boroughs of the city, and that became the most tangible symbol of their continuing desire to maintain a connection to their heritage. Ultimately, upwardly mobile American Jews discarded the deli as they transitioned from outsider to insider status in the middle of the century. Now contemporary Jews are returning the deli to cult status as they seek to reclaim their cultural identities. Richly researched and compellingly told, Pastrami on Rye gives us the surprising story of a quintessential New York institution.
