

rules of satanism

rules of satanism form the foundation of a belief system that is often misunderstood and misrepresented. These rules serve as guiding principles for individuals who identify with Satanism, emphasizing personal autonomy, self-determination, and a worldview that challenges traditional religious norms. This article explores the essential rules and philosophies that define Satanism, including its moral code, ethical considerations, and the distinctions between different branches such as LaVeyan Satanism and Theistic Satanism. Understanding these rules is crucial for gaining a comprehensive perspective on Satanism beyond common stereotypes. The discussion will also cover the symbolic and practical aspects of these rules and how they influence the behavior and mindset of practitioners. This detailed overview aims to clarify the core tenets that govern Satanic practice and belief, providing a nuanced understanding of this complex and often controversial ideology.

- Overview of Satanism
- Core Rules of LaVeyan Satanism
- Ethical Principles in Satanism
- Theistic Satanism Rules and Beliefs
- Symbolism and Rituals in Satanism
- Common Misconceptions about Satanic Rules

Overview of Satanism

Satanism is a broad term encompassing various religious, philosophical, and ideological beliefs that often revolve around the figure of Satan or similar archetypes. While popular culture frequently associates Satanism with evil or malevolence, the actual rules of Satanism emphasize individualism, freedom, and personal responsibility. There are multiple forms of Satanism, including LaVeyan Satanism, founded by Anton LaVey in the 1960s, and Theistic Satanism, which involves the worship or veneration of a literal Satan or similar deity. These variations influence the specific rules followers adhere to but share common themes related to self-empowerment and questioning conventional moral dogmas.

Core Rules of LaVeyan Satanism

LaVeyan Satanism is the most widely recognized form of modern Satanism, codified in "The Satanic Bible" by Anton LaVey. Its rules of Satanism provide a structured ethical framework rooted in secular humanism, skepticism, and individualism. The philosophy rejects supernaturalism and instead focuses on the self as the ultimate authority.

The Nine Satanic Statements

The Nine Satanic Statements outline the fundamental beliefs of LaVeyan Satanism. They emphasize indulgence over abstinence, self-preservation, and the rejection of spiritual authority. These statements serve as a concise summary of the rules followers strive to live by.

The Eleven Satanic Rules of the Earth

These rules act as behavioral guidelines for interpersonal conduct among Satanists. They promote respect for privacy, personal boundaries, and self-interest without infringing on others unnecessarily. The rules encourage honesty, responsibility, and a pragmatic approach to social interactions.

- Do not give opinions or advice unless asked.
- Do not tell your troubles to others unless you are sure they want to hear them.
- When in another's lair, show him respect or else do not go there.
- If a guest in your lair annoys you, treat him cruelly and without mercy.
- Do not make sexual advances unless you are given the mating signal.
- Do not take that which does not belong to you unless it is a burden to the other person and he cries out to be relieved.
- Acknowledge the power of magic if you have employed it successfully to obtain your desires. If you deny the power of magic after having called it with success, you will lose all you have obtained.
- Do not complain about anything to which you need not subject yourself.
- Do not harm little children.
- Do not kill non-human animals unless you are attacked or for your food.
- When walking in open territory, bother no one. If someone bothers you, ask him to stop. If he does not stop, destroy him.

Ethical Principles in Satanism

The ethical framework within Satanism is primarily individualistic and pragmatic. Unlike traditional religious moral codes, the rules of Satanism emphasize personal responsibility and the consequences of one's actions rather than adherence to an external deity's commandments. The emphasis is on achieving personal growth and happiness without infringing upon the freedom of others unless in self-defense or justifiable retaliation.

Individualism and Self-Interest

At the heart of Satanic ethics lies the principle of individualism. Satanism encourages followers to prioritize their own needs, desires, and goals. This self-interest is balanced by an understanding of social dynamics and respect for others' rights, as long as those rights do not conflict with one's own well-being.

Personal Responsibility and Accountability

Rules of Satanism stress that individuals must take full responsibility for their actions and their consequences. This means not blaming external forces, including supernatural entities, but rather accepting the outcomes of decisions and learning from them. This accountability fosters a sense of empowerment and control over one's life.

Theistic Satanism Rules and Beliefs

Theistic Satanism differs from LaVeyan Satanism in that it involves worship or reverence of Satan as a supernatural being or deity. The rules of Satanism in this context may include devotional practices, rituals, and moral codes derived from the interpretation of Satan as a godlike figure. These rules vary widely among practitioners but often emphasize loyalty, spiritual growth, and the pursuit of knowledge.

Devotional Practices and Rituals

Theistic Satanists often follow specific rituals that honor Satan or related entities. These rituals may be designed to invoke spiritual power, seek guidance, or celebrate Satanic holidays. The rules governing these practices are typically centered on respect for the deity and the sanctity of the ritual space.

Spiritual and Moral Codes

Many Theistic Satanists adopt moral codes that reflect their understanding of Satan's nature as a liberator from oppressive religious dogma. These rules often promote freedom of thought, rebellion against tyranny, and the pursuit of personal enlightenment. Ethical behavior is generally framed in terms of loyalty to Satan and the community of believers.

Symbolism and Rituals in Satanism

Symbols and rituals play a crucial role in the rules of Satanism by providing structure, meaning, and expression to the belief system. These elements help practitioners connect with the philosophy and with each other, reinforcing the ethical and spiritual principles outlined in Satanic doctrine.

Common Symbols and Their Meanings

The pentagram, Baphomet, and the Sigil of Satan are among the most recognized symbols in Satanism. Each carries specific connotations related to power, balance, and rebellion. Understanding these symbols is essential to grasping the cultural and spiritual dimensions of Satanism's rules and practices.

Role of Rituals

Rituals in Satanism can range from simple personal affirmations to elaborate ceremonies. They are designed to channel energy, reinforce beliefs, and mark important occasions. The rules of Satanism often specify the importance of intent, consent, and respect within these rituals to maintain their efficacy and ethical integrity.

Common Misconceptions about Satanic Rules

Many misunderstandings surround the rules of Satanism, often fueled by sensationalism and misinformation. Contrary to popular myths, Satanism does not promote chaos, harm to others, or criminal behavior. Instead, it advocates for self-discipline, personal growth, and respect within defined boundaries.

Debunking Myths

One prevalent misconception is that Satanists engage in harmful or illegal activities. The rules of Satanism explicitly forbid harming children and only allow harm in self-defense or practical necessity. Additionally, Satanism is not synonymous with devil worship in a traditional sense but is often a symbolic framework for questioning established religious norms.

Respect for Law and Society

Despite its rebellious stance, Satanism generally encourages adherence to societal laws and norms unless they directly impede personal freedom or ethical principles. The rules of Satanism promote a balance between challenging authority and maintaining social order to ensure coexistence and mutual respect.

Frequently Asked Questions

What are the core rules of Satanism according to the Church of Satan?

The Church of Satan emphasizes individualism, self-indulgence, and personal responsibility. Its core rules include respecting others' freedom, not harming others unless in self-defense, and embracing rational self-interest.

Does Satanism promote worship of an actual devil or deity?

Most forms of modern Satanism, such as LaVeyan Satanism, are atheistic and do not involve worship of a literal devil. Instead, Satan is viewed as a symbol of freedom, rebellion, and individualism.

Are there specific ethical guidelines in Satanism?

Yes, ethical guidelines in Satanism focus on personal accountability, respecting others' boundaries, and pursuing one's own desires without infringing on others' rights. The emphasis is on pragmatic morality rather than absolute rules.

Is there a formal code or commandments in Satanism?

The Church of Satan has the 'Eleven Satanic Rules of the Earth,' which include principles like not harming children, respecting privacy, and not making sexual advances without consent. These serve as behavioral guidelines for adherents.

Can anyone become a Satanist by following these rules?

Yes, Satanism generally welcomes anyone who resonates with its philosophy of individualism, skepticism, and self-empowerment. Following the rules helps guide behavior but personal interpretation and autonomy are encouraged.

Additional Resources

1. *The Satanic Bible* by Anton LaVey

This foundational text of modern Satanism, written by Anton LaVey in 1969, outlines the core philosophy and rules of the Church of Satan. It presents a set of ethical guidelines and rituals that emphasize individualism, self-indulgence, and personal empowerment. The book challenges traditional religious norms and promotes a worldview based on rational self-interest and skepticism.

2. *The Satanic Rituals* by Anton LaVey

A companion volume to *The Satanic Bible*, this book details ceremonial practices and rituals used in LaVeyan Satanism. It provides instructions for various rites that aim to harness personal power and achieve psychological transformation. The rituals emphasize symbolism and theatricality as tools for empowerment rather than literal worship.

3. *The Complete Satanic Scriptures* by Peter H. Gilmore

Written by the current High Priest of the Church of Satan, this collection expands on earlier works by LaVey and provides updated commentary on Satanic philosophy and practice. It includes essays, rituals, and reflections on the application of Satanic rules in modern life. The book reinforces the importance of personal responsibility, freedom, and skepticism.

4. *Satanism: A Beginner's Guide* by James R. Lewis

This introductory guide offers an accessible overview of Satanism, including its history, beliefs, and ethical codes. The book covers various forms of Satanism, from LaVeyan to theistic, and explores how adherents interpret and apply Satanic rules. It serves as a primer for those interested in understanding the diverse perspectives within Satanic traditions.

5. *The Devil's Notebook by Anton LaVey*

A collection of essays, aphorisms, and reflections by Anton LaVey, this book delves into the philosophy and practical application of Satanic rules. It discusses topics such as morality, power, and social critique, often with a provocative tone. The Devil's Notebook encourages readers to question conventional values and embrace a self-defined code of conduct.

6. *Letters from the Devil's Advocate by Michael W. Ford*

This book compiles writings that explore the esoteric and magical aspects of Satanism, focusing on the development of personal power through Satanic principles. Ford discusses the rules that govern the spiritual and magical practices within Satanism, blending historical context with modern interpretations. It appeals to those interested in the mystical side of Satanism.

7. *The Church of Satan: A History of the World's Most Notorious Religion by Blanche Barton*

Blanche Barton, a close associate of Anton LaVey, provides an insider's perspective on the Church of Satan and its foundational rules. The book traces the organization's origins, key figures, and the evolution of its doctrines. It offers valuable insights into how Satanic rules have been codified and practiced within the institutional framework.

8. *Satanic Witch by Anton LaVey*

Focusing on the role of women in Satanism, this book outlines rules and strategies for feminine empowerment according to LaVeyan philosophy. It combines practical advice with Satanic principles to help women assert control over their lives and relationships. The book emphasizes confidence, self-awareness, and the art of manipulation as tools for success.

9. *The Satanic Scriptures by Peter H. Gilmore*

This work presents a modern collection of essays and rules that define the contemporary Church of Satan's beliefs and practices. Gilmore elaborates on Satanic ethics, ritual practice, and worldview, reinforcing the importance of personal sovereignty and rational inquiry. The book serves as a guide to living by Satanic principles in today's world.

rules of satanism: *Laws Relating to Sex, Pregnancy, and Infancy* Carmen M. Cusack, 2015-05-05 *Laws Relating to Sex, Pregnancy, and Infancy* examines case law and legislation in regards to reproduction, pregnancy, and infancy. Cusack explores the winding pathways of legal precedence and action on the social conditions of pregnancy and childbirth, and draws from criminal and court procedures and behavioral science to determine if the law is acting in the best interest of those vulnerable populations. Cusack surveys interpersonal, familial, and societal problems presented throughout history and currently facing contemporary generations, questioning whether the criminal justice system can evolve to support the growing needs of its citizens most in need of legal assistance.

rules of satanism: *Satanism* Per Faxneld, Johan Nilsson, 2023 Satanism is a current of thought

that generates intense feelings. It remains understudied by academics. This selection of key source texts from the period 1841 to 2017 attempts to remedy that gap. Ranging from the esoteric to the anti-clerical, countercultural, and political, the texts span a wide variety of genres, from poetry and polemical religious tracts to ritual instructions and internet FAQ's. All are provided with comprehensive introductions, written by specialists in the field, that offer readers both critical historical context and expert scholarly interpretation. Chronologically structured, the book can be read as a succinct historical overview of the development of Satanism, with the immediacy that only primary sources can provide. It is ideal for both classroom and research use, as well as a fascinating read for anyone with an interest in the occult, the transgressive, secularization, and the fringes of the religious landscape.

rules of satanism: *Satanism And Cult Religions* Dipo Toby Alakija, With historic resignation of Joseph Ratzinger, the deposed Pope Benedict who was convicted of crimes against humanity, it becomes evident that Satanism is mingled with Christianity and so many other religions. High profile members of some respectable Christian denominations, charity, character-building and other organizations are implicated in the practice of Satanism and cult religions. Satanism and cult religions have also infiltrated all areas of life; including world politics, economy, education, different cultures, laws and social orders. With various studied cases like the association of UNO with Lucis Trust which was once known as Lucifer Trust in 1923, results of research works prove that Satanism and cult religions are both strongholds that are used to subdue nations all over the world with exception of none. This book makes serious attempts to expose some of these strongholds, proving the facts that the official reports about missing people and the discoveries of mass graves of school children in many areas are all governments' efforts to cover up truths about human ritual sacrifices that are taking place everywhere in the world.

rules of satanism: *The Satanic Mini Bible* "Knife" Sotelo,

rules of satanism: *Who Rules the World* Hans Schwarz, 2021-03-30 Over a career spanning more than fifty years, Hans Schwarz has grappled with nearly all of Christianity's major theological questions. In this latest volume, Schwarz tackles the perennial problem of evil. How is it possible to reconcile the manifest evil and pain in the world with the biblical promise of hope and redemption? Are we, in fact, lonely wanderers in the immensity of the universe about whom nobody cares, or is there something above and beyond us in which we can trust? To this perennial question Schwarz brings his signature blend of pastoral sensitivity and scholarly acumen. Informed by decades in the classroom, Schwarz offers a sweeping survey of views of the problem of evil, beginning with the world's major religious traditions before focusing on the major views across the broad span of Christian history. The book aims to help readers interested in the problem of evil understand the broad sweep of human thought about the problem, and make informed assessments of the issue for themselves.

rules of satanism: *The Path to Satan* Emperor Noctulius, 2007-11-13 The Path To Satan hands down the wit, wisdom and diabolical perspective of the Satanic Chapel's Priest known as Emperor Noctulius. These essays, articles and diatribes have been collected from the years of Noctulius writings for his infernal cabal, From the magic of toys to rituals, Magus Noctulius leads the reader down a The Path where few will find what they expect.

rules of satanism: *Satan's Anvil* Obi, 2004-04

rules of satanism: *The Rule of God - Shepherd Bishop Rule* ,

rules of satanism: *The Strategy of Satan* Warren Wiersbe, 2011-11-15 Dr. Wiersbe zeroes in on Satan's attacks as deceiver, destroyer, ruler, and accuser. He emphasizes that conquering the enemy comes by obeying God's truth.

rules of satanism: *The Satanic Kerygma* LCFNS, 2023-06-03 The book The Satanic Kerygma is a scripture expounding the Satanic doctrine of the Ecclesia Luciferi system - The Mystery of Godlessness. So that the Satanist, having rejected belief in imaginary gods, would believe in the divinity of the reason of the human animal, and in an abundant, godless life before death, and that, knowing it to be the inevitable end, he would have eternal peace after death, united forever with the

power of the Infinite, the only godless reality that exists. Or even more succinctly: So that man so loves the godless Satanic world that he rejects the belief in delusion, which takes away the power of the divinity of human reason, and so that he does not become a slave to the fear of hell, but has a godless life abundant before eternity in the peace of death.

rules of satanism: The Satanic Apocrypha David Sinclair-Smith, 2018-11-11 This book is a compilation of myths, poems and writings that have inspired or given voice to the story of Satan, from a Satanic perspective, as a single cohesive source of linear storytelling.

rules of satanism: Satan's Strategies to Steal Your Identity: To Defeat God's Purposes in Your Life Savannah Micheals, 2018-08-10 Savannah Micheals is a dedicated believer and disciple of Jesus Christ who has a strong desire to encourage others in their faith about salvation and the gospel message. She has served in the Social Services, Mental Health and Addictions profession for the past 30 years and utilizes her knowledge and experience when exploring the sufferings and struggles of humanity. Savannah has written this book for the purpose of inspiring and encouraging others to confront and overcome the destructive and self-defeating strategies of the enemy of their souls. This is a spiritual self-help book that will assist Christians and non-Christians alike with the exploration of their faith and belief in God. This book will expose the tactics of the devil in his attempts to destroy a Christian's spiritual walk with Jesus Christ and provide spiritual weapons of warfare that will defeat the devil and enable a Christian to walk victoriously in Christ.

rules of satanism: Lords of the Left-Hand Path Stephen E. Flowers, 2012-06-15 Examines the left-hand path and reveals the masters of the tradition • Explores the practices and beliefs of many left-hand path groups, including the Cult of Set, the Hell-Fire Club, and heretical Sufi, Zoroastrian, Christian, and Muslim sects • Investigates many infamous occult personalities, including Helena Blavatsky, Aleister Crowley, the Marquis de Sade, and Anton LaVey • Explains the true difference between the right-hand path and the left-hand path--union with and dependence on God versus individual freedom and self-empowerment From black magic and Satanism to Gnostic sects and Gurdjieff's Fourth Way, the left-hand path has been linked to many practices, cults, and individuals across the ages. Stephen Flowers, Ph.D., examines the methods, teachings, and historical role of the left-hand path, from its origins in Indian tantric philosophy to its underlying influence in current world affairs, and reveals which philosophers, magicians, and occult figures throughout history can truly be called "Lords of the Left-Hand Path." Flowers explains that while the right-hand path seeks union with and thus dependence on God, the left-hand path seeks a "higher law" based on knowledge and power. It is the way of self-empowerment and true freedom. Beginning with ancient Hindu and Buddhist sects and moving Westward, he examines many alleged left-hand path groups, including the Cult of Set, the Yezidi Devil Worshipers, the Assassins, the Neoplatonists, the Hell-Fire Club, the Bolsheviks, the occult Nazis, and several heretical Sufi, Zoroastrian, Christian, and Muslim sects. Following a carefully crafted definition of a true adherent of the left-hand path based on two main principles--self-deification and challenge to the conventions of "good" and "evil"--the author analyzes many famous and infamous personalities, including H. P. Blavatsky, Faust, the Marquis de Sade, Austin Osman Spare, Aleister Crowley, Gerald Gardner, Anton LaVey, and Michael Aquino, and reveals which occult masters were Lords of the Left-Hand Path. Flowers shows that the left-hand path is not inherently evil but part of our heritage and our deep-seated desire to be free, independent, and in control of our destinies.

rules of satanism: Satan The Accursed Jameel Kermalli, How Satan works, who works for him or with him, how he approaches humans, how to deal with his temptations and insinuations. The Religion of Islam emphasizes all Muslims, men and women, to learn about Satan as much as one can, and in the process, to increase faith about the Unity, Power and Dominance of Allah. There are many views on The Satan and and this book will take you through almost everything that is out there, and many texts have been translated from Arabic.

rules of satanism: Why Sufferings Salvation D. Baridoma, 2022-10-20 Many people live through life suffering and don't know why sufferings, and whether or how sufferings shall end, or they only hear an unclear and unconvincing explanation for it. Confused, they end up blaming God,

Satan, government, the other person, and whatnot. Why Sufferings explores suffering's origins and its development in the world and offers real answers, hope, and comfort to all suffering humanity. Why Sufferings is an answer, not a question. In it, you will find answers to many life's perplexing questions agitating your mind. Why Sufferings is insightful, informative and inspirational. It's spiced up with interesting illustrations, facts, and quotes in a fashion as to effectively drive home the points it makes. You stand to: Know the solutions to sufferings. See how it became incumbent upon God to permit sufferings, and what He has done to eliminate it in the end. Gain good biblical perspective on suffering that will enable you to develop healthy attitudes toward sufferers and suffering experiences. Know how you may enjoy the good life now and in the hereafter, etc. You will find this book immensely enlightening, inspiring, and helpful in your life.

rules of satanism: (Strumpet) All-n-All, All is Vanity Jeffrey V. Perry, 2014-10-12 This is a collection of poems by Jeffrey V. Perry, who has been writing since the tender age of seven. As a gifted young writer, he was betrayed by his own meager circumstances and the misfortunes of being young and naive. Now that he is older, he has begun to produce recent works to help complete him and his true calling. A summon is Strumpet, but also, a warning signal that must be heeded. In our times there are too many reasons for us not to stop and take notice. Too much is written on our walls and there is too much living in our streets, not to question our own lives. It is so much easier for us to just look the other way or to go for self-satisfaction than to do what we know to be best. Since we do not change, nothing gets better. In the end, we are responsible for ourselves, and we are the ones who are going to have to pay one way or another. While our truths are relative, there is an ultimate truth somewhere in this world; found only if we are brave enough to accept it.

rules of satanism: The Illuminati Mark Dice, 2009 Secret societies have both fascinated and frightened people for hundreds of years. Often the infamous Illuminati is mentioned as the core of conspiracies which span the globe. The Illuminati is actually a historical secret society which had goals of revolutions and world domination dating back to the 1770s. Since then, rumors and conspiracy theories involving the Illuminati continue to spread, sometimes finding their way into popular novels like Dan Brown's Angels & Demons and Hollywood movies like Lara Croft: Tomb Raider. Some men have even come forward claiming to be former members, offering details of what they allege are the inner workings of the organization. When you sift through all of the information available on the subject, you may be surprised that the truth is stranger than fiction. In The Illuminati: Facts & Fiction, conspiracy and occult expert Mark Dice separates history from Hollywood and shows why tales of the secret society won't die. - Original Writings and Documents - Purported Texts - Freemasonry's Connections - The Georgia Guidestones - Alleged Victims and Defectors - Aliens and Reptilians - Activists and Eyewitnesses - Fictional books - Fictional films - TV references - The Music Industry - Mainstream Media Manipulation - Documentary Films - Pre Illuminati Organizations - The Luciferian Doctrine - The Federal Reserve - Skull and Bones - The Bilderberg Group - Bohemian Grove - The Council on Foreign Relations - The Franklin Cover-up - Sex Magic - Election Fraud - The Necronomicon - The Church of Satan - The Secret Doctrine - Emerald Tablet - The Book of Thoth - The Book of Dzyan - The Report From Iron Mountain - Protocols of the Elders of Zion - The Holy Grail - MK-ULTRA Documents - The Satanic Bible - The Secret Doctrine - David Rockefeller's Memoirs - Memoirs Illustrating the History of Jacobinism - Secret Societies and Subversive Movements - Occult Theocracy - Externalization of the Hierarchy - None Dare Call It Conspiracy - Magick: In Theory and Practice - Bloodlines of the Illuminati - The Lexicon of Freemasonry - Morals and Dogma - The Secret Teachings of All Ages - Myron Fagan - Edith Miller - Gary Allen - Abbe Barruel - Nesta Webster - Anthony J. Hall - Fritz Springmeier - Albert Pike - Anton LaVey - David Icke - And More By the author of The New World Order: Facts & Fiction

rules of satanism: *Satan* Claude Nherisson, 2020-07-07 This book is about Satan's war against God and the human race, a war that started in heaven and continues on the earth. Christian or not, believer or not, we are at war. Satan targets families, young people, believers, and nonbelievers. As he pushes believers to sin, it is unquestionable that tragic events all over the world are the deeds of Satan influencing the minds of nonbelievers. Most of the time, he is an unseen presence at the table of negotiation in the UN. He is the bitter enemy of the human race. His goal is to steal, destroy, and kill. We have to be aware and prepared in order to protect ourselves against his attacks. As a child of God, our objective should be to stay close to the Lord. The armor of God is the weapon that the Bible instructs us to use in order to protect ourselves against him. My friend, I want to let you know that Satan is real. Be aware, be prepared.

rules of satanism: The Christian in Compleat Armour William Gurnall, 1669

rules of satanism: *Demons, the Devil, and Fallen Angels* Marie D. Jones, Larry Flaxman, 2017-09-01 Illuminating the Dark Side's Spirits, Fiends, Devils, and Demons. Throughout human history, we have been obsessed with the dark opposites of God and angels, light, and mercy. Whether it is our religious and sacred texts, folklore and myths of old, legends, fairy tales, novels, or the movies and television shows of today, the dark entities enthrall us, terrify us, and remind us of the dualities of life. But where did they originate? Are they real? Does every religion or region of the world include them? Exploring over two dozen religious traditions, myths, folkloric and spiritual traditions, the world of the supernatural, and the demons, the Devil, and fallen angels in today's pop culture, *Demons, the Devil, and Fallen Angels* is a comprehensive resource of the many faces of the devil, his minions, ominous deities, and the darker side of nature and ourselves. From ancient demon worship to modern Satanism, the bloody era of the Inquisitions and later witch burnings to the Satanic Panic of the late-twentieth century, and secret occult societies to Hitler's involvement with demonology, this book covers it all! You'll learn about the key figures in history associated with demons and the Devil, the worshiping of the dark forces, and the lives of Aleister Crowley, John Dee, and Anton LaVey, as well as well-known figures who were alleged Satanists, some of whom may surprise you! Also featured are dozens of examples of links between demons/fallen angels and aliens, cryptids, apparitions and poltergeists, and IDEs (interdimensional entities). Were the demons of the Bible possibly ancient alien visitors? Are alien abductions and poltergeists really demons in disguise? Is Slender Man a modern day demonic entity ... or totally fake? This fascinating look at Satan, evil spirits, and their 10,000-year history has 120 photographs, drawings, and illustrations to bring the portraits of over 200 demons and fallen angels to shivering life. *Demons, the Devil, and Fallen Angels* also includes a helpful bibliography and an extensive index, adding to its usefulness. It is a comprehensive, clear, and objective look at a subject that fills most people with fear and dread. Yet the presence of dark angels continues to remain a part of our human experience, our popular culture, and our spiritual understandings. Come and explore the shadowy side of existence and its integral part of our nature.
