He was shot; that we know for sure. But by whom and why? What if I told you it was done by a close-knit group of his best friends at his own request? Would you consider the possibility or think it's nuts? Taken directly from the pages of a recently discovered, personal diary that’s been kept hidden for almost 60 years, Fallen Angel takes us on an international journey of discovery revealing the true, untold emotional and spiritual journey of a man the world was never allowed to know, or forget. The idealized image of Kennedy, who seemed to be the picture of robust health, is how most remember him. Behind the scenes, however, nothing was further from the truth. He was a very sick man. In fact, he was dying. So, who stood to gain the most from his death? The mafia? The CIA? The Illuminati? No. It was Kennedy himself. Everyone knows how the story ends, but no one really knows how it began or more importantly, why. Until now. For the man who was so taken with magic as a
