song of solomon verses: Song of Solomon Sekhar Reddy Vasa, 2020-12-23 Dear readers! Lord Christ manifested Himself in the form of wisdom in Solomon and inspired and

enabled him to produce this marvelous psalm. For this very reason, we need to comprehend the inner spiritual meaning of the song and not attempt understanding it from physical perceptions of lust and desire. So let us attempt at unravelling some of the mysteries of this often misread great book. God made this world and created living spirit. All our souls came from this living spirit. This includes Christians and Gentiles today. Christians are described by the Lord Christ as the daughters of Jerusalem. He described the Gentiles as a fierce woman of war, that is the Babylon. Apart from these two, another type of woman was described. That woman is the dark woman, and her name is said to be Shulamite. After coming into this world as a living spirit, all the souls were described as divided into three distinct women based on their works. In reality, they were all supposed to be united as one woman (church) as a bride of Lord Christ. This song of songs is a conversation between these women and Lord Christ as their beloved. Let us read about the great love that God has for us through this book...

song of solomon verses: The Song of Solomon Andrew Harper, 1902

song of solomon verses: A Figurative Commentary On the Song Of Solomon David Gregson McNeely, 2017-02-22 In American churches, the Song Of Solomon is traditionally thought of as an allegory of the love between Jesus, and the church. In Hebrew tradition, it is an allegory about the love of God for the Hebrew people, or Jehovah's Wife. While both interpretations can be considered accurate, there is a third and mostly overlooked interpretation, and that is that it is a poetic representation of the earthly life, ministry, crucifixion, death burial, and resurrection of Jesus Christ, & His continued ministry to the church, through the Holy Spirit from Heaven. This commentary is an attempt to outline this third interpretation in clear, concise language for the edification of the church and the body of Jesus Christ.

song of solomon verses: Commentary on the Song of Solomon Charles Spurgeon, Baptist pastor Charles Haddon Spurgeon is remembered today as the Prince of Preachers. But in addition to his sermons, he regularly reading a Bible passage before his message and gave a verse-by-verse exposition, rich in gospel insight and wisdom for the Christian life. Spurgeon writes, Certain divines have doubted the inspiration of Solomon's Song; others have conceived it to be nothing more than a specimen of ancient love songs, and some have been afraid to preach from it because of its highly poetical character. The true reason for all this avoidance of one of the most heavenly portions of God's Word lies in the fact that the spirit of this Song is not easily attained. Its music belongs to the higher spiritual life, and has no charm in it for unspiritual ears. The Song occupies a sacred enclosure into which none may enter unprepared. "Put off thy shoes from off thy feet, for the place whereon thou standest is holy ground," is the warning voice from its secret tabernacles. The historical books I may compare to the outer courts of the Temple; the Gospels, the Epistles, and the Psalms, bring us into the holy place or the Court of the priests; but the Song of Solomon is the most holy place: the holy of holies, before which the veil still hangs to many an untaught believer. It is not all the saints who can enter here, for they have not yet attained unto the holy confidence of faith, and that exceeding familiarity of love which will permit them to commune in conjugal love with the great Bridegroom. We are told that the Jews did not permit the young student to read the Canticles—that years of full maturity were thought necessary before the man could rightly profit by this mysterious Song of loves. Possibly they were wise; at any rate, the prohibition foreshadowed a great truth. The Song is, in truth, a book for full-grown Christians. Babies in grace may find their carnal and sensuous affections stirred up by it towards Jesus, whom they know, rather "after the flesh" than in the spirit; but it needs a man of fuller growth, who has leaned his head upon the bosom of his Master, and been baptized with his baptism, to ascend the lofty mountains of love on which the spouse standeth with her beloved. The Song, from the first verse to the last, will be clear to those who have received an unction from the holy One,

and know all things. The Song is a golden casket, of which love is the key rather than learning. Those who have not attained unto heights of affection, those who have not been educated by familiar intercourse with Jesus, cannot come near to this mine of treasure, "seeing it is hid from the eyes of all living, and kept close from the fowls of heaven." O for the soaring eagle wing of John, and the farseeing dove's eyes of Solomon; but the most of us are blind and cannot see afar off. May God be pleased to make us grow in grace, and give us so much of the Holy Spirit, that with feet like hind's feet we may stand upon the high places of Scripture, and have some near and dear intercourse with Christ Jesus.
