the companion bible by kregel: Commentary On Genesis 1:1-11:26 D.J. Letscher, 2020-01-28 As no part of the Bible is to be considered more important than any other part and there are no words of Scripture that we can do without, the words of Genesis 1:1-11:26 are not considered any more or less important or noteworthy than another set of eleven chapters randomly found in Scripture. These eleven chapters do, however, form the beginning of God's word to us and we are presented with history on a universal scale. In my opinion, it is the most sensible place to begin learning about our heavenly Father and about His eternal plan. This approach will give a Bible student the fundamental knowledge that is essential to understanding all remaining Scripture. This commentary will cover topics such as: 1. The Creation of the Heaven and the Earth by God in Eternity Past (Gen. 1:1) and the Ruin in which they Ended (Gen. 1:2). 2. The Six Days of Creation in Time Present (Gen. 1:231), Including the (Sixth Day) Creation of all mankind, both male and female (Gen. 1:27), and the Blessing by God of the Seventh Day (Gen. 2:13). 3. The Generations of the Heavens and of the Earth (Gen. 2:4-4:26). 4. The (Sixth Day) Formation of Adam (Gen. 2:7), the Creation of Eve (Gen. 2:22), and Their Stay in the Garden of Eden (2:8-25). 5. The Beguiling of Adam and Eve by Satan (Gen. 3:1-7); the Punishment Determined by God upon Satan, Eve, and Adam (Gen. 3:8-24). 6. The Promise of a Savior (Gen. 3:15). 7. The Birth of Cain and Abel; the Murder of Abel by Cain, and the Lineage of Cain (Gen. 4:1-24). 8. The Lineage of Adam and the Antediluvian, or Pre-Flood, Patriarchs (Gen. 5:1-31). 9. The Fallen Angels and their Progeny; the Giants (Gen. 6:1-7). 10. Grace found only in Noah (Gen. 6:8). 11. The Pedigree of Noah; the Ark, and the Flood (Gen. 6:9-9:29). 12. The Generations of the Sons of Noah (Gen. 10:1-31). 13. Nimrod and the Tower of Babel (Gen. 11:1-9). 14. The Generations of Shem (Gen. 11:10-26). In addition, below each verse of the eleven chapters covered selected words will be highlighted and both the equivalent Hebrew translation of the word, as well as its definition will be given. *Definitions given are from The New

the companion bible by kregel: Blessed Is He That Watches Robert Wittenberg, 2022-03-15 Behold, I come as a thief. Blessed is he that Watches, and keepeth his garments, lest he walk naked, and they see his shame. —Revelation 16:15 Jesus Christ warns us to watch, to be in readiness for his coming, whenever it occurs it would be at a time when people were not expecting Him. Only God knows the time, not even the saints or angels in heaven know the time, we must always be prepared. Christ used nakedness as a symbol of unrighteousness and not being prepared. He counseled the Church of Laodicea to buy from Him "white garments, that you may be clothed, that the shame of your nakedness [unrighteous acts] may not be revealed" (Revelation 3:18). Jesus encourages us to watch world events and ourselves to make sure we are always ready.

the companion bible by kregel: Mastering the Discipline of Bible Study Jenai J. Rasmussen Ed.D., 2022-07-22 This work, along with the other volumes in the Foundational Knowledge of the Bible series, can help those who are young in the faith to seek a Christian relationship with God. All who choose to enter into the new covenant must concurrently embrace a new perceptual field. By heeding God's call to service, believers embark upon a Christian journey to become wise from the application of spiritual knowledge. This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God, which is the source of all spiritual truth in this world. The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment, be equipped with sound doctrine, and grow together in all things according to Christ's authoritative leadership (Eph. 4:15). By becoming covenant Christians set apart by God for his particular use, we can be diligent by precisely and accurately handling the word of truth (2 Tim. 2:15). This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life's pressing spiritual questions, whether general or specific. Accordingly, Christ's disciples need to comprehend the questions before the answers can have real meaning. No greater reason can be given for studying the Bible. Therefore, the people of God are duty-bound to master this Christian discipline. The first volume in this series is divided into three phases of Bible study: "Why" addresses the importance of knowing God's word, study motivations, conditions for discipleship, Christian distinctions, and the attributes needed to study biblical truth. "How" covers preliminary actions, Bible versions, principles, study considerations, and necessary skills. "What" offers a unique sevenfold framework for understanding the Bible. Divine power can move the Scriptures to be more than words on a page. It can become a life-changing force for good in the world. To that end, this resource directs the reader on how to inquire, search, and ask diligently concerning godly truth. Invaluable information, accessible resources, clear educational materials, and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text. This work will also prepare

the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth. To be sure, wisdom is the result of applying biblical knowledge to our lives. By speaking divine truth in love, believers can grow together in Christ as fellow workers who labor in the word of God. There is no greater work in this world than to share this life-saving truth with others. The obligation of receiving divine knowledge requires that it be shared. Truly, giving the hope and joy that is found in Jesus Christ, and the message he brought from the Father, is the greatest privilege of a human life. Amen, and amen.

the companion bible by kregel: *The Gospel of John 3:16* Randy A. Barnes, 2024-10-07 The gospel is being preached, however, the Bible makes it clear that it is the "truth of the gospel" that has to be proclaimed to the world before it ends and warns of those preaching a "different gospel." This true gospel was being followed when Christ's followers were first called Christians after He left earth and only those adhering to this same gospel will be translated when He returns. In a thoughtful word-by-word commentary on the most famous and most quoted verse in the Bible, Randy Barnes, with no denominational predisposition, shows how a correct understanding of John 3:16 clearly illuminates this identical gospel when the paradigms of customs and traditions are eliminated from its interpretations. Using biblical hermeneutics and contextual juxtaposition as tools, Barnes shows how the Bible gives its own interpretation of not only of John 3:16, but all other verses, as well. Using only scriptural references, Barnes demonstrates how God has used both the Jewish and Christian faiths to spread the story of the true gospel to the world by examining over two dozen doctrinal issues—from the earth's creation to its recreation, from the books of Genesis to Revelation. The book is formatted with both a comprehensive table of contents and an exhaustive index to enable its use as reference for Bible study. Supplemental information such as diagrams and illustrations are also included to assist in your reading enjoyment. Christians will find excellent support for foundational principles as well as be challenged in much traditional thinking.

This is about all the angels in the Bible, their nature, and their ministry. --from the preface Lockyer shows us that the Bible speaks clearly about angels. He lists every biblical reference to angels and describes the angels of the Old Testament and the angels of the New Testament. Through angels, God has provided for centuries of believers. Lockyer's book encourages us that god will continue this provision.

the companion bible by kregel: *The Heart: The Key to Everything in the Christian Life*

Tim Rowe, 2016-03-10 We need to recover a truth that has been all but lost in modern-day Christianity. It has been buried for too long, and it is too valuable to be forgotten. This life-changing truth is that the heart is the key to everything in the Christian life. The heart is the wellspring of all our actions, emotions, motives, and character. Everything we are, everything we say, and everything we do flows directly from the heart. In *The Heart-The Key to Everything in the Christian Life*, believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world. The heart is the key to our service and obedience to the Father. The heart is the key to the purity and depth of our worship, praise, and love of God. It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us.

the companion bible by kregel: Five Models of Scripture Mark Reasoner, 2021-08-24 "To relish the feast that is Scripture, we need to use multiple models." A Christian never gains all that Scripture offers by reading it with just one approach. Yet too often this is attempted—whether through an academic obsession with the historical-critical method or through a consumerist approach that seeks only the motivation of the moment. Mark Reasoner broadens the options for scriptural engagement by describing five models of Scripture: documents, stories, prayers, laws, and oracles. To illustrate each, he uses examples from throughout the history of interpretation. While he concedes that certain books of the Bible will naturally lend themselves to particular models, Reasoner shows how an appreciation for all five will enrich one's scriptural insights while also bridging divides between the various branches of the Christian family. In addition to the five models, Reasoner surveys Catholic, Orthodox, and Protestant constructions of the biblical canon and addresses specific issues relevant to their respective interpretations of Scripture, including scriptural metanarratives, the use of the Bible in Christian worship, and the principle of sola Scriptura. Through it all, Reasoner remains unequivocally focused on his goal: "to help readers grow in their love for Scripture in ways that will help them plant this love in those to whom they minister."

the companion bible by kregel: Understanding God's Government Paul W. Syltje, 2005-03 *Understanding God's Government* dares to explore the nature of government at all levels - its pyramidal, hierarchical structure - within civil, religious, business, military, and social spheres, and then dissect the motivations behind their leaders. It is discovered that fear is usually the prime motivator that leaders use to gain and maintain control. The Creator's intended form of government for mankind, however, is a brotherhood based upon lateral relationships of love and concern for one's fellow man. The author delves into Biblical and secular sources to elucidate the nature of today's governments, elements of Godly government, ideal government within the ecclesia, forms of government that work, and their consequences. Additional articles are included, by former presidential candidate Harry Browne, Herbert W. Armstrong, James Lloyd, Norman Edwards, and the author. Learn why future government holds so much promise within this war-torn, unstable world.

the companion bible by kregel: The Battle of The Sexes: It's Been Downhill Since The Garden H.R. Boaz, 2021-05-08 "The Battle of the Sexes" explores how the Word of God (YHWH), both the Old Testament and the New Testament, has been twisted to support a narrative that is not in the Scriptures. Traditional translations and teachings of the Bible have either presumed or assumed that men are given power and dominion over women. But nowhere in the Bible is this statement made, not even in Genesis (Bereishis) 3:16, "And your husband will rule over you," which is not spoken as an imperative but rather as a prophecy. The original Hebrew language of the first five books of Moses, also known as the Torah (Old Testament), tells a very different story of the primal couple. A story that is contrary to what is often taught in all religions that use the Word of YHWH as their foundation - namely, Judaism, Christianity and Islam. With an abbreviated overview of human history as told from YHWH's point of view, we discover a connection of how all cultures have come to share similar myths, legends and stories with the Torah. And how these ancient archetypes of good and evil have been misused to support a psychological and socio-political advantage of men over women. Likewise, a brief foray into the unique Hebrew language, the ancient language in which YHWH created our world, and dictated the Torah to Moses provides proof that the Word of God is indeed communication from another dimension. Like a massive encrypted message, the Torah includes multiple levels of God-given "fences" that protect the Word of God from man's distorted perspective. The Hebrew language itself provides the most significant "fence." Like no other language each Hebrew word defines itself by the letters that make up the word. This is only one feature of the holy text that assures that the instructions of YHWH remain intact, regardless of man's interpretations. "The Battle of the Sexes" is an examination, from a fresh viewpoint, into the issues that arise between the genders, which stem from the original disobedience of God's one instruction by the primal couple in the Garden of Eden (Gan Eden). We see a more complete perspective of who did what in the initial defiance, and how we continue to struggle in the female/male relationship with those very same issues first raised in Gan Eden. Moreover, with clarity, the Hebrew language reveals a much greater significance of the female to the human experience than is typically taught in any religion. Exposed in her Hebrew name (which is not usually translated properly) is her irrefutable role in God's plan of salvation for the human race. God did not make women subservient to men, and YHWH did not give men or women dominion over anything but the animals, and the earth to utilize as God intends. Humanity is to work together, not to manipulate or fight to assume power over one another. Nowhere is this idea more consequential than in the marriage relationship. Being the preeminent human relationship, YHWH presents marriage as the foundation for all other human relationships, from Bereishis, the beginning creation of our world, and the human creature. Undergirding the arrogant, impudent presumption that men are to rule over women is the equally destructive fallacy that God is masculine. The Battle of the Sexes explores how from the initial verses and chapters of the first book of Torah, the book of

Genesis, we begin to understand how, as the Jewish Sages say, with the change of one letter the world is destroyed. With the misinterpretation and misunderstanding of one Hebrew word, adam, our modern grasp of the essence of YHWH and the female/male relationship, as described in Torah, has been distorted, and all but destroyed. The Battle of the Sexes is sure to, not only answer, but raise many questions regarding the female/male relationship as well as humanities' relationship with God.

the companion bible by kregel: *The Parable of the Fig Tree* Jerry O. Roberg, 2011-08 At age eleven, Jerry raced the 1949 Soap Box Derby in Des Moines, Iowa. Jerry was disqualified when forced to leave his lane trying to avoid a collision with the driver in the center lanes. This contestants steering cable broke, he lost control crashed into the fence and broke a spectator's leg. At thirteen, Jerry's family moved to Alliance Nebraska; later they moved to La Canada California. Jerry worked summers for his dad. At sixteen he saved money to buy a 1941 Chevy coupe for \$350. He joined the Navy at seventeen and during that time, saved enough money to buy a 1956 Chevy and began racing it at the San Fernando Drag Strip. Over his life, he worked in the car business, material handling business, sold advertising and worked as a commercial diver and sailor for both Hawaii, and Washington University. On a skiing trip in Idaho, Jerry met his wife Carol and they married in 1982. The two of them attended Bible school in Ventura CA, thinking they would enter the Missionary field. However, God had other plans! They ended up serving the Lord 2-1/2 miles from their home directing the Oxnard Rescue Mission. Jerry served as President CEO of the Rescue Mission Alliance for 14 yrs. After retiring, Jerry never lost his boyhood passion for racing. Once a racer always a racer; it's in my blood Jerry's passion for racing is only exceeded by the burden God has given him to warn Christians of the deception being taught today by false teachers. The world is rapidly changing, as evidence by the unrest in Europe, the middle-east, wars, earthquakes and Tsunami's, we're living in the generation of the fig tree. The sign on Jerry's hotrod reads: Don't be a... Stupidbaker NOW, LEARN THE PARABLE OF THE FIG TREE

the companion bible by kregel: *The Rapture: Biblical Fact or Man's Tradition* Dena Stevens Th.D., 2014-06-24 In *The Rapture: Biblical Fact or Man's Tradition*, author Dr. Dena Stevens considers a subject called rapture-- pertaining to the end-times and embraced by many--to determine if it is actually taught in the Bible, or if it is only a tradition of men. The consequences of accepting or rejecting this doctrine are of such importance to the eternal, spiritual destiny of man that it is deserving of very close examination. Stevens goes back to the account at the beginning in Genesis, examining scriptural descriptions of God's divine plan for the world from both the Old and New Testaments, as well as His reasons for placing man on the earth in flesh bodies. She then takes an in-depth look into some of the areas that God's people have not understood and serves to clarify some questions we have often pondered, but for which we have found no real answers. Stevens examines future prophetic events of the end-times and man's role in them in order to answer the question of her study: is the rapture a doctrine taught in the Bible, or is it only a tradition that man has devised for his own comfort and salvation?
