

the glass castle review

the glass castle review offers a detailed exploration of the 2017 film adaptation of Jeannette Walls' bestselling memoir. This review examines the movie's narrative structure, performances, direction, and thematic elements, providing an insightful analysis for both fans of the book and new viewers. The glass castle is a compelling story of resilience, family dysfunction, and personal growth, and this review assesses how effectively these themes translate to the screen. Additionally, it highlights the film's cinematography, score, and emotional impact. Readers will gain a comprehensive understanding of the strengths and weaknesses of the adaptation, as well as its place within the broader genre of biographical dramas. To facilitate easy navigation, this article includes a clear table of contents outlining the key topics covered in the review.

- Plot Summary and Adaptation
- Cast and Performances
- Direction and Cinematography
- Thematic Analysis
- Critical Reception and Audience Response
- Technical Aspects and Soundtrack

Plot Summary and Adaptation

The glass castle review begins with an overview of the film's plot, which closely follows Jeannette Walls' memoir about her unconventional and often tumultuous childhood. The story recounts Walls' experiences growing up in a deeply dysfunctional family, marked by poverty, neglect, and parental instability. The narrative structure alternates between her childhood and adult life, showcasing how her past shapes her identity and choices. This dual timeline approach allows viewers to witness the stark contrasts between innocence and harsh reality.

As an adaptation, the film condenses certain events for cinematic pacing while maintaining the memoir's core emotional truths. Key moments such as the family's frequent relocations, the father's charismatic yet destructive behavior, and the mother's artistic eccentricity are depicted with considerable fidelity. However, some critics note that the film simplifies complex relationships and omits certain nuanced details present in the book. Despite these changes, the adaptation succeeds in conveying the essence of Walls' resilience and the enduring hope for a better future.

Cast and Performances

The glass castle review highlights the strong performances delivered by the film's principal cast, which significantly contribute to its emotional weight. Brie Larson stars as Jeannette Walls, portraying both vulnerability

and determination with subtlety and depth. Her performance captures the internal conflict of a young woman torn between familial loyalty and the desire for independence.

Supporting Cast

Woody Harrelson and Naomi Watts play Jeannette's parents, Rex and Rose Mary Walls, bringing complexity to their flawed characters. Harrelson's portrayal of Rex is particularly notable for balancing charm and volatility, embodying the paradoxical nature of a father who is both inspiring and damaging. Watts' performance as Rose Mary emphasizes the mother's whimsical yet neglectful tendencies, adding layers to the family dynamic.

Child Actors

The younger versions of Jeannette and her siblings are portrayed convincingly, adding authenticity to the depiction of childhood adversity. Their performances help ground the film's emotional core and engage the audience with the family's struggles from an early perspective.

Direction and Cinematography

The film's direction, led by Destin Daniel Cretton, is praised in this glass castle review for its sensitive handling of difficult subject matter. Cretton employs a restrained style that avoids melodrama, allowing the story's emotional resonance to develop naturally. His approach emphasizes character development and intimate moments over spectacle.

Visual Style

The cinematography contributes significantly to the film's tone, utilizing a muted color palette that reflects the bleakness of the Walls family's circumstances. Strategic use of lighting contrasts between the warmth of family moments and the coldness of abandonment enhances the storytelling. The framing often isolates characters to emphasize their emotional isolation and vulnerability.

Setting and Atmosphere

Locations are carefully chosen to represent the various stages of the family's nomadic lifestyle, from dilapidated homes to urban environments. This variety reinforces the instability central to the narrative and immerses viewers in the physical and psychological landscape of the Walls' world.

Thematic Analysis

The glass castle review delves into the prominent themes explored in the film, which are integral to understanding its impact. Central among these is resilience—the capacity to overcome hardship despite adverse conditions. The story illustrates how Jeannette and her siblings develop strength and self-reliance amid neglect and poverty.

Family Dysfunction and Forgiveness

The film examines the complexities of family ties, portraying the Walls parents as deeply flawed but not without moments of love and generosity. Themes of forgiveness and acceptance emerge as Jeannette grapples with her conflicting feelings toward her parents' failures and virtues.

Dreams and Reality

The motif of the glass castle itself symbolizes dreams of a better life, juxtaposed against the harsh realities faced by the family. This tension between aspiration and actuality underscores many of Jeannette's decisions and personal growth throughout the narrative.

Social and Economic Issues

The story also touches on broader social issues such as poverty, addiction, and homelessness, providing a critical lens on the systemic challenges faced by marginalized families.

Critical Reception and Audience Response

Upon release, the glass castle received mixed to positive reviews, as noted in this review. Critics generally praised the performances and emotional storytelling but expressed some reservations about the film's pacing and depth of character development. The adaptation's faithfulness to the memoir was both lauded and critiqued for its selective focus on certain plot elements.

Audience reactions tended to be favorable, particularly among viewers familiar with the book. Many appreciated the film's honest depiction of difficult family dynamics and its hopeful message. However, some viewers felt the film did not fully capture the memoir's complexity and nuance.

- Positive aspects: strong acting, emotional depth, faithful adaptation of key themes
- Criticisms: narrative simplification, uneven pacing, limited exploration of secondary characters

Technical Aspects and Soundtrack

The technical execution of the film complements its narrative and thematic goals, as highlighted in this glass castle review. Editing is smooth, facilitating transitions between past and present without confusing the audience. The sound design supports the emotional tone, emphasizing moments of tension and tenderness alike.

Musical Score

The soundtrack features a subtle and evocative score that enhances the film's mood without overwhelming the scenes. Music cues are used to underscore pivotal moments, adding an additional layer of emotional resonance.

Production Design

Attention to detail in sets and costumes helps to authentically recreate the time periods depicted and the socio-economic conditions of the Walls family. This attention to realism strengthens the viewer's immersion and connection to the story.

Frequently Asked Questions

What is the overall critical reception of 'The Glass Castle' movie?

The Glass Castle movie received generally positive reviews, with critics praising the strong performances and emotional storytelling, though some noted it could be melodramatic at times.

How does 'The Glass Castle' film compare to the memoir it is based on?

The film closely follows Jeannette Walls' memoir, capturing the essence of her challenging upbringing, though some critics feel it simplifies certain complex aspects of the book for cinematic purposes.

Who are the standout actors in 'The Glass Castle' and how are their performances?

Brie Larson and Woody Harrelson deliver standout performances, with Larson portraying Jeannette Walls with vulnerability and strength, and Harrelson convincingly playing the flawed but charismatic father.

What themes are explored in 'The Glass Castle' movie?

The movie explores themes of family dysfunction, resilience, poverty, and forgiveness, highlighting the impact of childhood experiences on personal growth.

Is 'The Glass Castle' suitable for family viewing?

Due to its mature themes including neglect and abuse, 'The Glass Castle' is better suited for adult viewers and older teens rather than younger children.

How does the cinematography contribute to the storytelling in 'The Glass Castle'?

The cinematography effectively contrasts the harsh realities of the Walls family's life with moments of beauty and hope, enhancing the emotional depth of the narrative.

What are some criticisms of 'The Glass Castle' movie?

Some critics argue that the film occasionally leans into sentimentality and

glosses over some of the memoir's harsher details, which may dilute the impact of the story.

Would fans of memoir-based dramas enjoy 'The Glass Castle'?

Yes, fans of memoir-based dramas will likely appreciate 'The Glass Castle' for its heartfelt portrayal of overcoming adversity and complex family dynamics.

Additional Resources

1. *Educated by Tara Westover*

This memoir recounts Tara Westover's journey from growing up in a strict and isolated household in rural Idaho to earning a PhD from Cambridge University. Like *The Glass Castle*, it explores themes of family dysfunction, resilience, and the transformative power of education. Westover's story highlights the struggle to reconcile loyalty to family with personal growth and self-discovery.

2. *Wild: From Lost to Found on the Pacific Crest Trail by Cheryl Strayed*

Cheryl Strayed's memoir details her solo hike along the Pacific Crest Trail as a way to heal from personal tragedy and hardship. The book shares a raw and inspiring narrative of overcoming adversity through physical endurance and introspection. Similar to *The Glass Castle*, it emphasizes resilience and the search for identity amid challenging circumstances.

3. *The Liars' Club by Mary Karr*

In this memoir, Mary Karr recounts her turbulent childhood in a Texas town, marked by her mother's mental illness and her father's drinking. The narrative is both darkly humorous and deeply moving, portraying the complexity of family relationships. Readers of *The Glass Castle* will appreciate the honest and unflinching look at dysfunction and survival.

4. *Running with Scissors by Augusten Burroughs*

Augusten Burroughs offers a candid and often humorous memoir of his unconventional and chaotic upbringing in a psychiatrist's household. The book explores themes of neglect, mental illness, and finding one's way amid instability. Like *The Glass Castle*, it blends humor with painful realities to depict a difficult childhood.

5. *Angela's Ashes by Frank McCourt*

Frank McCourt's Pulitzer Prize-winning memoir chronicles his impoverished childhood in Limerick, Ireland. The story captures the struggles of poverty, family hardship, and the longing for a better life. Readers who appreciated the resilience and candid storytelling in *The Glass Castle* will find *Angela's Ashes* equally compelling.

6. *Breaking Night: A Memoir of Forgiveness, Survival, and My Journey from Homeless to Harvard by Liz Murray*

Liz Murray's memoir tells the story of her rise from homelessness and an unstable childhood to attending Harvard University. It is a powerful testament to determination, hope, and the ability to overcome seemingly insurmountable obstacles. Fans of *The Glass Castle* will resonate with Murray's tale of perseverance and transformation.

7. *Little House on the Prairie by Laura Ingalls Wilder*

This classic memoir series describes Laura Ingalls Wilder's pioneer childhood in the American Midwest. While more nostalgic and less fraught with dysfunction, it shares themes of family, hardship, and survival in difficult environments. Readers interested in childhood memoirs and family dynamics may find this series a gentle complement to **The Glass Castle**.

8. *The Color of Water: A Black Man's Tribute to His White Mother* by James McBride

James McBride's memoir explores his biracial identity and his mother's complex past as a Jewish immigrant. The book delves into themes of race, family secrets, and identity formation. Like **The Glass Castle**, it offers a compelling look at how family history shapes personal growth.

9. *Furiously Happy: A Funny Book About Horrible Things* by Jenny Lawson

Jenny Lawson's memoir blends humor with candid discussions of her struggles with mental illness and family challenges. It provides a unique perspective on resilience and finding joy amid pain. Readers who appreciated the honest and sometimes humorous tone of **The Glass Castle** will enjoy Lawson's distinctive voice.

the glass castle review: Still I Rise Marlene Wagman-Geller, 2017-07-25 "An incredible book about the strength of women . . . an important book and a read that is nothing if not timely with current politics." —FangirlNation A #1 Bestseller in 21st Century U.S. History for Teens Still I Rise takes its title from a work by Maya Angelou and it resonates with the same spirit of an unconquerable soul, a woman who is captain of her fate. It embodies the strength of character of the inspiring women profiled. Each chapter will outline the fall and rise of great women heroes who smashed all obstacles, rather than let all obstacles smash them. The book offers hope to those undergoing their own Sisyphean struggles. Intrepid women heroes are the antithesis of the

traditional damsels in distress; rather than waiting for the prince, they took salvation into their own hands. Celebrate girl power! Women leaders in history celebrated in this book include: Madame C. J. Walker—first female American millionaireAung San Suu Kyi—Burma’s first lady of freedomBetty Shabazz—civil rights activistNellie Sachs—Holocaust survivor and Nobel Prize recipientSelma Lagerlof—first woman Nobel LaureateFannie Lou Hamer—American voting rights activistBessie Coleman—first African-American female pilotWilma Rudolph—first woman to win three gold medalsSonia Sotomayor—first Hispanic Supreme Court justiceWangari Maathai—Nobel Prize winnerWinnifred Mandela—freedom fighterLois Wilson—founder of Al-AnonRoxanne Quimby—cofounder of Burt’s Bees “Inspirational . . . If you need a little encouragement in your life during these difficult times, the lives of these women will give you hope.” —Says Me Says Mom

Instaread, 2015-09-08 The Glass Castle: A Memoir by Jeannette Walls | Summary & Analysis
Preview: Jeannette Walls chronicles all the heartbreak, deprivation, humor, and love of her childhood in *The Glass Castle*, a memoir of growing up dirt-poor on a cross-country odyssey with her charismatic, but alcoholic, father and her codependent mother. Jeannette began thinking of her childhood after spotting her mother, Rose Mary, rummaging through trash in New York City. Her parents were basically living on the street, but offers of help were always rejected. Jeannette went home to her husband’s apartment on Park Avenue. She arranged to have lunch with her mom, who advised her to stop feeling guilty, accept her parents as they were, and stop hiding the truth about them. Taking this advice, Jeannette started writing her story. Her first memory went back to a trailer park in Arizona. At the age of three, she spent six weeks in a hospital after her pink tutu caught fire while she was boiling hot dogs with no supervision... the glass castle review: *Reading Is My Window* Megan Sweeney, 2010-02-15 Drawing on extensive interviews with ninety-four women prisoners, Megan Sweeney examines how incarcerated women use available reading materials to come to terms with their pasts, negotiate their present experiences, and reach toward different futures. Foregrounding the voices of African American women, Sweeney analyzes how prisoners read three popular genres: narratives of victimization, urban crime fiction, and self-help books. She outlines the history of reading and education in U.S. prisons, highlighting how the increasing dehumanization of prisoners has resulted in diminished prison libraries and restricted opportunities for reading. Although penal officials have sometimes endorsed reading as a means to control prisoners, Sweeney illuminates the resourceful ways in which prisoners educate and empower themselves through reading. Given the scarcity of counseling and education in prisons, women use books to make meaning from their experiences, to gain guidance and support, to experiment with new ways of being, and to maintain connections with the world.

the glass castle review: **THE GLASS CASTLE- Summarized for Busy People** Goldmine Reads, 2017-08-20 This book summary and analysis is created for individuals who want to extract the essential contents and are too busy to go through the full version. This book is not intended to replace the original book. Instead, we highly encourage you to buy the full version. Jeannette Walls' *The Glass Castle* is a memoir of unbreakable spirit and salvation: an account of the life of a dysfunctional yet oddly vivacious family. When sober, Jeannette's father was creative and ambitious. He taught them geology, physics, and how to take on life without doubt or fear. When drunk, he was untruthful and violent. Meanwhile, Jeannette's mother was indifferent and free-spirited. She detested the concept of domesticity, and she disliked the responsibility that came with raising children. Jeannette and her siblings were compelled to look after themselves and fend for one another. Together, they endured. When they had settled in New York, their parents followed—not minding the fact that they had nowhere to stay—just so they could come together as a family once again. Wait no more, take action and get this book now!

the glass castle review: *Marginal Narratives and the Question of Human Rights in Asian Pacific Literature* Sk Sagir Ali, Avijit Basak, 2024-11-13 This book represents a significant intervention in human rights and its literary praxis, underscoring its paramount relevance and pressing urgency within the intricate tapestry of the Asian Pacific context. The book examines the local trauma endured within the complex geopolitical landscape of the Asian continent while also embracing a broader outlook that transcends geosocial boundaries. As a pivotal contribution to the discourse on Asian trauma studies, the chapters address a critical scholarly lacuna by delving into critical theoretical reflections and providing a robust epistemological foundation. The chapters look at human rights and trauma studies in a way that focuses not only on Europe. The volume fosters a deep comprehension of the historical and cultural facets shaping the Asian continent and its human rights challenges. The book is indispensable for educators, policymakers, and researchers engaged in the intricate realm of human rights and trauma studies.

the glass castle review: *Writing the South through the Self* John C. Inscoe, 2011-05-01 Drawing on two decades of teaching a college-level course on southern history as viewed through autobiography and memoir, John C. Inscoe has crafted a series of essays exploring the southern experience as reflected in the life stories of those who lived it. Constantly attuned to the pedagogical value of these narratives, Inscoe argues that they offer exceptional means of teaching young people

because the authors focus so fully on their confrontations—as children, adolescents, and young adults—with aspects of southern life that they found to be troublesome, perplexing, or challenging. Maya Angelou, Rick Bragg, Jimmy Carter, Bessie and Sadie Delany, Willie Morris, Pauli Murray, Lillian Smith, and Thomas Wolfe are among the more prominent of the many writers, both famous and obscure, that Inscoc draws on to construct a composite portrait of the South at its most complex and diverse. The power of place; struggles with racial, ethnic, and class identities; the strength and strains of family; educational opportunities both embraced and thwarted—all of these are themes that infuse the works in this most intimate and humanistic of historical genres. Full of powerful and poignant stories, anecdotes, and testimonials, *Writing the South through the Self* explores the emotional and psychological dimensions of what it has meant to be southern and offers us new ways of understanding the forces that have shaped southern identity in such multifaceted ways.

the glass castle review: *The Psychology of Family Law* Eve M. Brank, 2019-04-09 Winner, 2021 Lawrence S. Wrightsman Book Award, given by the American Psychology-Law Society Bridges family law and current psychological research to shape understanding of legal doctrine and policy Family law encompasses legislation related to domestic relationships—marriages, parenthood, civil unions, guardianship, and more. No other area of law touches so closely to home, or is changing at such a rapid pace—in fact, family law is so dynamic precisely because it is inextricably intertwined with psychological issues such as human behavior, attitudes, and social norms. However, although psychology and family law may seem a natural partnership, both fields have much to learn from each other. Our laws often fail to take into account our empirical knowledge of psychology, falling back instead on faulty assumptions about human behavior. This book encourages our use of psychological research and methods to inform understandings of family law. It considers issues including child custody, intimate partner violence, marriage and divorce, and child and elder maltreatment. For each topic discussed, Eve Brank presents a case, statute, or legal principle that highlights the psychological issues involved, illuminating how psychological research either supports or opposes the legal principles in question, and placing particular emphasis on the areas that are still in need of further research. The volume identifies areas where psychology practice and research already have been or could be useful in molding legal doctrine and policy, and by providing psychology researchers with new ideas for legally relevant research.

the glass castle review: *The Development of Children's Happiness and Success* Maria Kalpidou, 2023-12-06 This engaging book is a comprehensive exploration of children's happiness and success covering a wide range of factors influencing positive functioning. It offers a holistic view of children's well-being, identifying both threats and catalysts to happiness and success, as well as evidence-based strategies that promote optimal functioning. The first section of the book delves into the science of happiness, discussing the role of early social relationships, the importance of experiencing positive emotions and flow, spirituality, and physical health. The second section focuses on the science of success, exploring topics such as mindsets, self-control, and executive functions. Finally, the book explores individual and contextual factors explaining why character matters, the influence of media and technology, and the critical role of disadvantaged environments. Presenting happiness as an ongoing journey, intertwined with the pursuit and achievement of personal goals, the book concludes by proposing a new conceptual framework which identifies pivotal contributors to children's happiness and success such as relationships, self-regulation, and competence. Suited to upper-level undergraduate and graduate courses in child development, family studies, education, and positive psychology, this book is also an invaluable resource for caregivers, educators, and child practitioners. It is a must-read for anyone interested in cultivating a fulfilling, well-lived life for children and adolescents.
