wes moore early life: *Discovering Wes Moore* Wes Moore, 2012-09-11 From the governor-elect of Maryland comes a story of two fatherless boys from Baltimore, both named Wes Moore. One is in prison, serving a life sentence for murder. The other is a Rhodes Scholar, an army veteran, and an author whose book is being turned into a movie produced by Oprah Winfrey. The story of "the other Wes Moore" is one that the author couldn't get out of his mind, not since he learned that another boy with his name—just two years his senior—grew up in the same Baltimore neighborhood. He

wrote that boy—now a man—a letter, not expecting to receive a reply. But a reply came, and a friendship grew, as letters turned into visits and the two men got to know each other. Eventually, that friendship became the inspiration for *Discovering Wes Moore*, a moving and cautionary tale examining the factors that contribute to success and failure—and the choices that make all the difference. Two men. One overcame adversity. The other suffered the indignities of poverty. Their stories are chronicled in *Discovering Wes Moore*, a book for young people based on Wes Moore's bestselling adult memoir, *The Other Wes Moore*. Includes an 8-page photo insert. Praise for *Discovering Wes Moore* "Moore wisely opens the door for teens to contemplate their own answers and beliefs, while laying out his own experiences honestly and openly."—Publishers Weekly "He argues earnestly and convincingly that young people can overcome the obstacles in their lives when they make the right choices and accept the support of caring adults."—Kirkus Reviews

wes moore early life: *The Other Wes Moore* Wes Moore, 2010-04-27 NEW YORK TIMES BESTSELLER • From the governor of Maryland, the "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

wes moore early life: *The Work* Wes Moore, 2015-07-21 NEW YORK TIMES BESTSELLER • The acclaimed author of *The Other Wes Moore* and governor of Maryland continues his inspirational quest for a meaningful life and shares the powerful lessons—about self-discovery, service, and risk-taking—that led him to a new definition of success for our times. "This book is about how to make our journeys not just about surviving and succeeding, but about coming truly alive."—Arianna Huffington *The Work* is the story of how one young man traced a path through the world to find his life's purpose. Wes Moore graduated from a difficult childhood in the Bronx and Baltimore to an adult life that would find him at some of the most critical moments in our recent history: as a combat officer in Afghanistan; a White House fellow in a time of wars abroad and disasters at home; and a Wall Street banker during the financial crisis. In this insightful book, Moore shares the lessons he learned from people he met along the way—from the brave Afghan translator who taught him to find his fight, to the resilient young students in Katrina-ravaged Mississippi who showed him the true meaning of grit, to his late grandfather, who taught him to find grace in service. Moore also tells the stories of other twenty-first-century change-makers who've inspired him in his search, from Daniel Lubetzky, the founder of KIND, to Esther Benjamin, a Sri Lankan immigrant who rose to help lead the Peace Corps. What their lives—and his own misadventures and moments of illumination—reveal is that our truest work happens when we serve others, at the intersection between our gifts and our broken world. That's where we find the work that lasts. An intimate narrative about finding meaning

in a volatile age, *The Work* will inspire readers to see how we can each find our own path to purpose and help create a better world.

wes moore early life: At Mama's Knee April Ryan, 2016-12-15 Winner of the African American Literary Show Award for Best Non-Fiction In her first book, *The Presidency in Black and White*, journalist April Ryan examined race in America through her experience as a White House reporter. In this book, she shifts the conversation from the White House to every home in America. At Mama's Knee looks at race and race relations through the lessons that mothers transmit to their children. As a single African American mother in Baltimore, Ryan has struggled with each gut wrenching, race related news story to find the words to convey the right lessons to her daughters. To better understand how mothers transfer to their children wisdom on race and race relations, she reached out to other mothers—prominent political leaders like Hillary Clinton and Valerie Jarrett, celebrities like Cindy Williams, and others like Sybrina Fulton, Trayvon Martin's mother, whose lives have been impacted by prominent race related events. At a time when Americans still struggle to address racial division and prejudice, their stories remind us that attitudes change from one generation to the next and one child at a time. Features interviews with: Sybrina Fulton, mother of Trayvon Martin; John Lewis, congressman; Hillary Clinton, former First Lady, Secretary of State, Presidential candidate; Cindy Williams, actress known for role of Shirley on *Laverne & Shirley*; Cory Booker, United States senator; Christopher Darden, OJ Simpson prosecutor; Michael Cole, actor best known for role of Pete on *The Mod Squad*; Valerie Jarrett, presidential advisor; Kerry Kennedy, daughter of Robert and Ethel Kennedy; Iyanla Vansant, author, life coach and television personality; Harry Belafonte, singer, songwriter, actor, and social activist; President Barack Obama; and President Jimmy Carter.
