chronos before the ashes walkthrough: *Metroid Dread* Mark C Frier, 2021-10-09 Metroid Dread is here, and it marks the conclusion to the decades-long story that's been told across the 2D side of the series, dating back to the original Metroid. While it may be a landmark game in that sense, the actual structure of it is very much still what you'd expect from a Metroid, as Samus starts out her journey stripped of her powers before slowly (and sometimes not so slowly) accumulating them again. It's typical Metroid fare, but whether it's been years since you last touched a game in the series or are making this your starting point, we've got some tips to help ensure your hours spent on the planet ZDR are dread-free. Dread is a challenging game, but in many ways, it's not especially punishing. The new EMMI enemies that have been featured all over the game's marketing pose a serious threat to Samus, but thanks to checkpoints just outside of the zones you inhabit, an encounter going awry with one will only set you back a minute or two at most. Boss battles can also be quite difficult until you learn their patterns, but you can make things easier on yourself by putting in some legwork beforehand. With all of that in mind, let's dive into the tips.

chronos before the ashes walkthrough: Assassin's Creed Origins Esther Perry, 2020-08-05 There's no such thing as a perfect video game. It's impossible to make something every single person will love. If you need evidence, Assassin's Creed Origins - the latest in Ubisoft's 10-year-old historically minded sci-fantasy saga - is strong proof. By retooling the series' stealth centric open-world action mechanics to accommodate more combat and an emphasis on simple but pervasive loot, developer Ubisoft has worn the series' mechanical signature too thin. The new mechanics don't as work as well as they should, and the stealth gameplay lacks refinement, since the game wasn't designed with those mechanics in mind. Do you want to be a good Assassin's Creed Origins player? We have exactly what you are looking for! We will walk you through the game, provide professional strategies and tips, as well as all the secrets in the game.
