amenti walkthrough: The Empire of Love Yum Razams, 2002-01-23 In a simple and compelling writing, the author recreates life in Ancient Egypt when the empire was at its peak. The plot interweaves the Temple's way of life with betrayals, power struggles, true love, good humor and the wisdom of the Masters. Over the centuries humanity has missed the true spirit of the Egyptian auto-deism concepts, until the present time when our perception has grown to a new level of understanding. Now, in a fantastic journey, the author offers a view of Ancient Egypt, a melange of traditions overlaid with legend, folklore, religious ceremony and natural beauty, to meet the emerging need of the present Age of Aquarius. Through the pages of The Empire of Love the reader will be confronted with different levels of being and parallel realities, experiencing a new dimension foreign to time and space. The plot takes place during the social revolution of the 60's, when Karl, (the main character) feels outcast among his own society and searching for an answer to his growing longing, he leaves New York City in search of that truth that he knew was out there. After long hours of a lonely driving through the inter-state highways, he reaches Arizona and overcome by exhaustion he decides to stop and rest for a while. Sitting on a high cliff close to the road, Karl falls asleep and, without any warning, he awakes on the high summit of the Amenti in ancient Egypt, 3,000 years back in time. Karl meets several characters that help to create a gradual awakening that adds more confusion to his perception of reality. A dual feeling of happiness and fear takes place with each incident that evokes subconscious memories that he could not identify. Everything becomes familiar and foreign at the same time The dialogues in the first part of the novel are filled with intense emotion and the teachings of the temple. Karl begins to forget the nostalgic feelings for his American way of life, his beloved XX century fades in his memory and he becomes immersed in the new experience imposed on him by destiny. With the help of the temple's masters, Karl is induced into a deep hypnotic trance and he relives a previous incarnation in ancient Egypt, as Aum a young temple initiate. During this incarnation Aum (Karl) becomes a master at the temple of Heliopolis. The successive events will bring Karl to a full awakening when different aspects of the Egyptian philosophy are incorporated into the drama, to conclude with the self-awareness and realization of his mission among men.

amenti walkthrough: *The Mertowney Mountain Interviews* Richard Leviton, 2014-07-16 You see, Edward, editor and budding Grail Knight, you're part of the Merlin myth, and you have been for a long time, said Merlin enigmatically. The figure of Merlin, magician, enchanter, trickster, strategist of King Arthur's Camelot, wise old man of Celtic myth, has intrigued and enthralled readers for centuries, but who, really, was he? Did he ever actually exist? Boston editor Edward Burbage is given a unique opportunity to find out. He's invited to Merlin's home on Mertowney Mountain to interview him. The invitation includes free transportation, and Merlin's mountain is not in this world, and for that matter, how on Earth could Burbage be talking to Merlin anyway? Merlin is supposed to be only a character from an old myth, isn't he? Over the course of five years, starting in 2034, Burbage conducts his interviews, and the revelations Merlin makes are astounding. He has been many mythic figures, taken on many guises, such as the Irish Cuchulainn, the Egyptian Anubis, the Navaho Monster Slayer, the Greek Herakles, the Polynesian Maui, and even a few holy men like Saint Columba of Iona and John the Evangelist of Patmos, author of Revelation. He's worked as initiator, war-god, slayer of inimical spirits, prophet, seer, a guide to the soul in the after-life, geomancer, terraformer, a fisher up of islands, and especially a devoted field agent to the Great Mother, Herself operating under many guises such as Morrigan, Isis, Changing Woman, and Hera. But why has Edward Burbage been brought to Mertowney Mountain? It's not just so Merlin can tell his true story. Merlin has a plan for him, and he's preparing things all the time he's recounting his exploits. Edward Burbage has a key role to play in the next installment of the long life of Merlin. He's about to step onto the world stage of myth disclosing a long withheld mystery, the secret of the Mer-Line, the truth and power behind Merlin himself.
