As undoubtedly one of the best platformers of 2020, the story follows Sackboy who embarks on an adventurous yet perilous journey to rescue his friends from the clutches of the evil Vex. It is up to Sackboy to defeat Vex and bring peace back to the world. The good news is that you don't need to 100% the game to earn the Platinum. You still need to collect most Dreamer's Orbs (275 to access all levels), but not all of them are needed to progress through the story, let alone 100%ing the game. Most trophies are instead tied to killing minions a certain way and to the multiplayer side of the game. Even though online co-op launches in late 2020, you can still earn the Platinum through local couch co-op or via online Shareplay (PS+ required for Shareplay method and both players must own the game). If you choose to use Shareplay, remember that the trophies will unlock only for the host, so if your friend wants to unlock the trophies as well, you'll have to do everything twice. Download Now!
