browsers inside story walkthrough: *Luigi's Mansion 3* Paul a Maxwell, 2020-04-08 Luigi never seems to learn his lesson. It's been 18 years since he was first lured to a haunted house and tortured by its spooky inhabitants. Now, having been duped again, he's trapped in an even bleaker building - the Hotel of Last Resort - as he races to rescue a familiar cast of Mushroom Kingdom characters. Although it treads very familiar ground to its predecessors, there's a lot to love in the third installment of the adventure series that lets Mario's timid twin take charge. You still guide the character through uniquely themed sections of the building, relying on his flashlight and multi-functional Poltergust vacuum to rid the place of ghosts. Luigi keeps track of his progress through the 15 main hotel floors with the help of a digital assistant, amusingly called a Virtual Boo, as well as the quirky Professor E Gadd, who's on hand to offer tips and tutorials. Luigi's Mansion 3 guide and walkthrough is complete with puzzle solutions, boss guides, every gem location, all boo locations, tips and tricks, secrets, easter eggs and references, and much more.

However, his dream quickly becomes a nightmare when King Boo reveals everything had been a ploy to capture Mario and friends. With the assistance of Professor E. Gadd once again, the reluctant and cowardly hero Luigi traverses up and down treacherous floors of the now-ominous hotel on a quest to save them. Wield the upgraded Poltergust G-00 to slam and blow away the ghosts' defenses, or summon Gooigi, an all-green doppelganger that can help Luigi overcome obstacles he can't get past alone. Interchange between Luigi and Gooigi as one player, or grab a friend and control one each.
