celebrity hunter walkthrough: In Hindsight, What Really Happened: The Revised Edition Rielle Hunter, 2013-10-15 Dear readers, When I wrote What Really Happened I was still very raw from the firestorm that my life had become due to my unwise decision to have an affair with John Edwards, a married man. I realize now what I have never admitted before. I behaved badly. That may strike you as obvious, but it's taken me a long time to admit this, even to myself. I was attacked so often, and so viciously, that I felt that I was the victim. I felt hurt, and betrayed, and somehow that justified my actions. But of course all of the attacks and all of the betrayal were beside the point. The point is ... I behaved badly. And the release of What Really Happened didn't help. When I look back at this book that I wrote, I want to throw it out and start again. But instead of attempting to erase my mistakes, I am now owning them. I've annotated the original book. Typos have been corrected but not a word has been changed, not even words that cause me to cringe when I reread them. Instead I have put notes throughout—notes that acknowledge what I couldn't when I wrote the book. Best, Rielle

celebrity hunter walkthrough: What Really Happened Rielle Hunter, 2012-06-22 The John Edwards-Rielle Hunter affair made headlines for years. One of the biggest political scandals of all time, a fall from grace, a modern-day tragedy—it's a story that has been reported, distorted, and spun over and over again by the media, by political aides, by the U.S. government, by supposed friends. However, there is someone who actually knows the truth, someone who lived it from day one—the woman at the heart of the story itself: Rielle Hunter. In the New York Times, Wall Street Journal, and Publishers Weekly bestseller What Really Happened, Hunter offers an extremely personal account of her relationship with John Edwards: the facts of how they actually met, how their accidental love started and escalated, what it was like to fall in love with a married man who decided to run for president, the surprise of becoming pregnant during the campaign, how the affair became public, the extensive cover-up, and finally, what happened in the years after Edwards publicly admitted to being the father of their daughter, Frances Quinn. Meet Edwards's political players and get an intimate look at how they really operated. Learn about the evolution of friends, enablers, and do-gooders, their involvement with the affair and Edwards's 2008 presidential campaign, and where the money from Rachel Bunny Mellon and Fred Baron actually went. This book doesn't spin the truth to achieve a prettier picture or a better story. It isn't about changing anyone's mind. It's simply the facts, the truth of what really happened.
