Forces of darkness moved into the vacuum of power left in the wake of the global disaster, reeking havoc on an unsuspecting civilian populous. *Facing Darkness* picks up where book 2, *Steps Back* left off as survivors, Asher Latham, aka Polar Bear and his small group of former

prison inmates, struggle to deal with the after-effects of the disaster. Latham and his former prisoners swore an oath to keep a new moral code he hoped would keep them unified and safe as they tried to reunite with their loved ones. They would help one another—or anyone else they came in contact with who was in need. They would only take from what was obviously abandoned, and they would not rob, rape, or murder. A group of church members hide out inside Budcamp's RV dealership, but they are on the verge of starving to death. They pray to God for help, not knowing what that help might look like. Other survivors, Vanderbilt University students, Bethany Johnson and Cooper Allen work together to identify and battle the unknown forces who attacked the world. Can they build a computer capable of their lofty goal? Will the groups of survivors overcome the odds against them? Read along and follow the drama and action.

at dead of night walkthrough: Cassy's Plight T. Richard, 2022-12-08 Have you ever thrown

caution to the wind and done something out of the ordinary—something to break up the monotonous and the mundane? And if so, was this choice you made so outlandish and irresponsible, were there times you felt your life was perilously hanging in the balance? Well, that's exactly what twenty-three year old, scatterbrain extraordinaire, Cassy Carter did. In fact, that's how this whole nightmare of an adventure begins: Hitchhiking on a dare! On a roadside nearing the hour of dusk, a young woman thumbing it for kicks and giggles, and maybe a bit more. For what happens next in these lush foothills and mountains dusted with snow, is the making of things unexpected. Things involving hellish demons, a killer copter, and a bloodthirsty drug baron. And if that doesn't sound like enough of a risk, how about falling for the man responsible for all this craziness? Meet Jack Reynolds, an unorthodox character if there ever was one, a manly man who lives in a treehouse and eats whatever can be snared with a fishing rod or a crossbow. For Cassy soon becomes one of the snared, often wondering if she was pegged to be more than a lover—like the possible fixings for a scrumptious meal. Following a mad chase along the primitive logging trails, an accident finds the two of them at the mercy of drug-running thugs in dire want of a payday. And when it becomes apparent that Jack cannot fulfil this request, the young heroine turns into the only prize left in this deadly game of cat and mouse. For as with most people, love can play tricks and cloud judgements. With Cassy, this lingering struggle is no different. At times these feelings gave her unbound strength; when in other moments, they seemed to render her with obvious paralysis. But the question remains...would this emotion prove to be her downfall, or the precise ingredient required to make it out alive?

at dead of night walkthrough: *The Knicks of the Nineties* Paul Knepper, 2020-09-22 The Knicks of the 1990s competed like champions but fell short of their goal. An eclectic group who took divergent, in many cases fascinating paths to New York, they forged an identity as a rugged, relentless squad. Led by a superstar center Patrick Ewing and two captivating coaches--Pat Riley and Jeff Van Gundy--they played David to the Chicago Bulls' Goliath. Despite not winning a championship, they were embraced as champions by New Yorkers and their rivalries with the Bulls, Indiana Pacers and Miami Heat defined NBA basketball for a decade. Drawing on original interviews with players, coaches and others, this narrative rediscovers the brilliance of the Knicks, Ewing and his colorful supporting cast--Charles Oakley, John Starks, Larry Johnson and Latrell Sprewell--in the glory days of Madison Square Garden.
