faron temple walkthrough: Indiana Jones and the Staff of Kings Stephen Stratton, 2009
Adventurer's Handbook - As you might expect, Indy's all-new adventure on the Wii and PS2 brims with white-knuckle excitement, surprise twists, and grave danger. But fear not, true adventurer: Prima's guide truly is the "holy grail" of Indiana Jones and the Staff of Kings strategy, providing over 70 pages of detailed, step-by-step walkthrough (pg. 12-83). Rely on us to help you thwart every trap, solve every puzzle, and steer Dr. Jones toward Fortune and Glory. Secret Revelations - The Wii and PS2 versions of Indiana Jones and the Staff of Kings hold many special extras for the bold to discover (that's you!), and Prima's guide devotes nearly 20 pages to these special extras (pg. 84-101), providing handy Fortune and Glory checklists, multiplayer strategies, and complete co-op walkthroughs. One look at this info and you'll find unlocking these extras to be academic. Classic Game, Modern Guide - Adventurers who explore Indy's quest on the Wii are in for a special treat: After clearing just one Glory move in the main game, the whole of Indiana Jones and the Fate of Atlantis becomes unlocked and available to play. This classic PC title from the early 90's may be an oldie, but you'll find its puzzles and challenges are still stumpers. Fortunately, Prima's guide provides over 30 pages of step-by-step walkthrough (pg. 102-135), leading you through not one, but all three unique paths you may take through the game. Just promise us you'll at least try to solve the puzzles on your own first! Handheld Heroics - Plenty of pint-sized adventuring awaits Indy in the handheld version of Indiana Jones and the Staff of Kings, and Prima hasn't downsized any of the strategy. Flip our Wii/PS2 guide over to discover another complete guide - one that's been specially crafted for the Nintendo DS! After a bit of good-ol' adventuring know-how, the DS guide quickly opens into a thorough step-by-step walkthrough (pg. 6-45) filled with tips, puzzle solutions, and score-boosting artifact locations. Cipher Solutions - Intricate puzzle boxes known as ciphers abound in the DS version of Indiana Jones and the Staff of Kings, and many of these unique brainteasers can be quite tricky. You won't have any trouble cracking them in record time with our solutions though, which are conveniently placed in the walkthrough as the puzzles are encountered, and also in a separate section (pg. 46-57) at the end of the guide that's easy to reference when replaying the puzzles in Cipher Mode!
