

# mouthwashing walkthrough

**mouthwashing walkthrough** is a comprehensive guide designed to provide you with all the information you need to effectively use mouthwash as part of your dental hygiene routine. Understanding the process of mouthwashing is crucial for maintaining oral health, fresh breath, and preventing dental issues. This article will cover the types of mouthwash available, the proper techniques for effective mouthwashing, potential benefits and risks, as well as tips for choosing the right product. By following this mouthwashing walkthrough, you will gain insights into how to enhance your oral care routine and achieve optimal results.

- Introduction to Mouthwashing
- Types of Mouthwash
- Proper Mouthwashing Techniques
- Benefits of Mouthwashing
- Potential Risks of Mouthwashing
- Choosing the Right Mouthwash
- Conclusion

## Introduction to Mouthwashing

Mouthwashing is an integral part of oral hygiene that involves the use of a liquid solution to rinse the mouth. This process helps to eliminate food particles, reduce plaque, and freshen breath. Regular mouthwashing can complement brushing and flossing, providing a more comprehensive approach to oral care. Many people overlook the importance of this practice, often unsure about its benefits or how to do it correctly. This section will provide a foundational understanding of mouthwashing and its place in daily oral hygiene routines.

## Types of Mouthwash

There are several types of mouthwash available, each designed to address specific needs. Understanding these types can help consumers make informed choices based on their oral health requirements.

### Cosmetic Mouthwash

Cosmetic mouthwashes primarily focus on freshening breath and providing a pleasant taste. They do not offer any significant therapeutic benefits, but they can be useful for temporary breath freshening.

# Therapeutic Mouthwash

Therapeutic mouthwashes contain active ingredients that can aid in the prevention and treatment of various dental issues. These may include:

- Fluoride mouthwash: Helps to prevent cavities.
- Antimicrobial mouthwash: Reduces bacteria and plaque buildup.
- Whitening mouthwash: Aids in stain removal.

## Prescription Mouthwash

Some mouthwashes require a prescription from a dentist or healthcare provider. These are often stronger formulations designed to treat specific conditions, such as periodontal disease or severe dry mouth.

## Proper Mouthwashing Techniques

To maximize the benefits of mouthwashing, it is essential to follow the correct techniques. This section outlines the steps for effective mouthwashing to ensure that all areas of the mouth are adequately cleaned.

## Step-by-Step Mouthwashing Process

Here is a simple guide for proper mouthwashing:

1. Measure the recommended amount of mouthwash (usually 20 ml or as directed).
2. Swish the mouthwash around in your mouth for 30 seconds to 1 minute.
3. Ensure that the mouthwash reaches all areas, including between teeth and along the gum line.
4. Do not swallow the mouthwash; instead, spit it out into the sink.
5. Avoid rinsing your mouth with water immediately after to allow the active ingredients to work.

## Benefits of Mouthwashing

Incorporating mouthwash into your oral hygiene routine offers several benefits that contribute to overall dental health. This section will explore these advantages in detail.

## **Improved Breath Freshness**

One of the most immediate benefits of mouthwash is its ability to freshen breath. Many mouthwashes contain flavoring agents and antimicrobial properties that combat odor-causing bacteria.

## **Reduction of Plaque and Tartar Buildup**

Therapeutic mouthwashes can help reduce plaque accumulation, which is crucial in preventing tartar buildup and subsequent dental issues such as cavities and gum disease.

## **Cavity Prevention**

Fluoride mouthwashes can strengthen tooth enamel, making it more resistant to decay. Regular use can significantly contribute to cavity prevention.

## **Gum Health Improvement**

Some mouthwashes contain ingredients that target gum inflammation and help in the management of gingivitis, contributing to healthier gums.

## **Potential Risks of Mouthwashing**

While mouthwashing has many benefits, there are also potential risks associated with improper use or overuse. Understanding these risks is essential for safe practice.

### **Alcohol Content**

Many mouthwashes contain alcohol, which can cause dryness in the mouth and lead to irritation of the oral mucosa. Those with sensitive gums or dry mouth conditions should consider alcohol-free options.

### **Staining of Teeth**

Certain mouthwashes, particularly those with chlorhexidine, may cause staining of the teeth and tongue when used excessively. It is important to follow usage guidelines to avoid this issue.

### **Disruption of Oral Microbiome**

Overuse of mouthwash can disrupt the natural balance of bacteria in the mouth, potentially leading to other oral health issues. Moderation is key.

# Choosing the Right Mouthwash

With the wide variety of mouthwash products available, selecting the right one can be overwhelming. This section will provide guidance on making an informed choice.

## Consider Your Oral Health Needs

Before choosing a mouthwash, assess your specific oral health needs. If you are prone to cavities, a fluoride mouthwash may be appropriate. For those with gum issues, an antimicrobial solution could be beneficial.

## Check the Ingredients

Review the ingredients list to ensure that the mouthwash contains beneficial active ingredients without harmful additives. Look for alcohol-free options if you have sensitivities.

## Consult Your Dentist

Your dentist can provide personalized recommendations based on your dental history and current oral health status. It is advisable to seek professional advice when uncertain.

## Conclusion

Implementing a mouthwashing routine can significantly enhance your oral hygiene practices, providing benefits beyond basic brushing and flossing. By understanding the different types of mouthwash, proper techniques, and potential risks, you can make informed decisions that contribute to your overall dental health. Remember to choose the right product based on your specific needs and consult your dentist for tailored advice. Incorporate mouthwashing into your daily routine for a healthier mouth and fresher breath.

## Q: What is mouthwashing and why is it important?

A: Mouthwashing is the act of rinsing the mouth with a liquid solution to remove food particles, bacteria, and plaque. It is important because it helps improve oral hygiene, freshens breath, and can prevent dental issues like cavities and gum disease.

## Q: How often should I use mouthwash?

A: Most dental professionals recommend using mouthwash twice a day, after brushing and flossing, to maximize its benefits. However, it is essential to follow the instructions on the specific mouthwash product you are using.

## **Q: Can mouthwash replace brushing and flossing?**

A: No, mouthwash should not replace brushing and flossing. It should be used as a supplementary method to enhance oral hygiene practices, not as a substitute.

## **Q: Are there any side effects of using mouthwash?**

A: Potential side effects of mouthwash include dry mouth, irritation of oral tissues, and staining of teeth, especially with certain formulations. It is important to choose the right product and use it correctly.

## **Q: What should I look for in a mouthwash?**

A: Look for mouthwash that meets your specific oral health needs, such as fluoride for cavity prevention or antimicrobial properties for gum health. Also, consider alcohol-free options if you have sensitivities.

## **Q: Is it safe to swallow mouthwash?**

A: No, mouthwash is not safe to swallow. It contains active ingredients that are meant for rinsing and spitting out. Always avoid swallowing mouthwash to prevent potential harm.

## **Q: Can children use mouthwash?**

A: Yes, children can use mouthwash, but it should be alcohol-free and age-appropriate. It is advisable to supervise their use and consult a dentist for recommendations.

## **Q: How long should I swish mouthwash in my mouth?**

A: You should swish mouthwash in your mouth for about 30 seconds to 1 minute, ensuring it reaches all areas of your mouth for effective cleaning.

## **Q: Can mouthwash help with bad breath?**

A: Yes, mouthwash can help eliminate bad breath by reducing odor-causing bacteria and providing a fresh taste. However, it is a temporary solution and should be part of a comprehensive oral care routine.

## **Q: How should I store mouthwash?**

A: Mouthwash should be stored in a cool, dry place, away from direct sunlight and heat. Always check the expiration date and avoid using expired products.

**mouthwashing walkthrough: A Walk Through Life...** Yvonne Crist, 2022-02-07 Life can fall to the depths of despair. And crumble into a million pieces. But there is nothing you cannot bear With a little prayer. As time and rhythm never cease. Life is a blessing, not a curse! Be a part of this world for better or worse! Life's not fair, but see, life is everywhere. Why don't you stop, take a breather, and read through a few poems to relax, uplift your spirits, and discover the journey I took through the last six years of my life. This journey was difficult and downright humbling, which allowed me time to pause, reflect, and write my thoughts and feelings down on the pages before you. You will find something of interest that will awaken your soul, and perhaps you will also find some solace through the difficulties you may have faced or are facing. Certainly, life can rock the bottom out of your world but know that life teaches us lessons. We need to take a time-out, recharge, and be true to ourselves. You may also find poems that will give you pause to ponder on all the abundance that we can embrace and to believe that there is something truly spiritual at play and poems that will inspire and embolden you to walk through your life with peace, courage, strength, and trust you are a worthy human being.

**mouthwashing walkthrough: For Girls Who Walk through Fire** Kim DeRose, 2023-09-26 Those who would suppress and destroy you stand not a chance when confronted with the power that lies within these pages . . . Elliott D'Angelo-Brandt is sick and tired of putting up with it all. Every week, she attends a support group for teen victims of sexual assault, but all they do is talk. Elliott's done with talking. What she wants is justice. And she has a plan for getting it: a spell book that she found in her late mom's belongings that actually works. Elliott recruits a coven of fellow survivors from the group. She, Madeline, Chloe, and Bea don't have much in common, but they are united in their rage at a system that heaps judgments on victims and never seems to punish those who deserve it. As they each take a turn casting a hex against their unrepentant assailants, the girls find themselves leaning on each other in ways they never expected—and realizing that revenge has heavy implications. Each member of the coven will have to make a choice: continue down the path of magical vigilantism or discover what it truly means to claim their power. For Girls Who Walk Through Fire is a fierce, deeply moving novel about perseverance in the face of injustice and the transformational power of friendship.

**mouthwashing walkthrough: The Queen of Clean's Complete Cleaning Guide** Linda Cobb, 2002-01-01 Banish dirt from your Castle forever with 2,047 Queen-Tested Tips.

**mouthwashing walkthrough: A Walk Through Fire** William Cobb, 2000 Amidst disorder and angst, these characters face an unthinkable struggle to find order and commonality among people they've known all their lives.

**mouthwashing walkthrough: It Was Not My Time** Denise Harris, 2009-11-09 This is a story of survival, my survival. While walking home from a restaurant where we had been to bid farewell to my friend, who was going to live in Greece I was hit by a car, leaving me almost dead. I spent 8 months in hospital trying to recover from the very serious injuries that I sustained that night and it was wrote in an attempt to give hope to others who have to deal with such injuries or the families who need to be there when such a dramatic, life changing event happens

**mouthwashing walkthrough: Hot Flashes and Southern Sasses** Kathleen Harper,

2010-10-27 Kathleen Harper is a southern gal who cant quit saying what she really thinks, calls things as she sees em, considers herself a professional eavesdropper, and has the ability to find the humor in everyday life. In her second compilation of entertaining essays, Harper shares her twisted opinions on men, menopause, neighbors, and children from a unique Southern outlook. I'm full of sass and vinegar...so just let me get started! Harper, the author of Why, Shut My Mouth!: Southern, Sassy and Proud of It, offers a laugh-out-loud look at life from a womans perspective that reminds us that life is as funny as we make it. Harpers humor is relevant to any woman who has experienced hot flashes so sizzling that she feels like a neon sign blinking on the side of the highway; has wondered why a search for her bikini body suddenly feels like a never-ending scavenger hunt; has shrieked, Gotta have 'em! while trying on the sexiest shoes ever and when asked by her Hubs Why did you call me a \_\_\_, she remarks Google it why don't ya, and pick one! In Hot Flashes and Southern Sasses, Harper shares another sassy, opinionated, and truthful journey through the life of a middle-aged Southern gal that encourages women everywhere to laugh at themselves often and much, never take life too seriously, don't buy cheap wine or shoes, and have yourself a lifelong party! And if you decide to ever grow up...leave me out of it! Harper is a native of the South Carolina and makes her home on the coastal and marsh regions. She is married, has 2 grown children, two remarkable grandsons and two well-behaved dogs! Life ain't bad, y'all!

**mouthwashing walkthrough:** Sebastian GiGi Meier, 2023-12-12 From best-selling author GiGi Meier, a laugh-out-loud holiday romance where an image-obsessed financial executive falls for a wealthy playboy until his past threatens to end what's barely started. When Santa Claus IS the gift this holiday season. In the glittering world of Houston's elite, Chloe Miller, a driven financial analyst with an unbreakable spirit, stands out not for her wealth but for her impeccable fashion sense. Yet behind the façade of success lies a childhood shadowed by poverty, where Christmas was a harsh reminder of what she couldn't afford. Her desire for glamour and a better life led her to build a fortress of designer clothes and accessories, guarding her against the judgment of a world that had once looked down on her. When an invitation to the high-society charity Christmas party hosted by the charismatic heir to immense wealth, Sebastian Agnelli, arrives, Chloe's skepticism mingles with her fear of being judged for her humble beginnings. Sebastian Agnelli, a playboy with a flamboyant lifestyle, longs for something more meaningful. Haunted by the painful loss of his parents in a plane crash during his college years, he is burdened by wealth he never wanted. Their fateful encounter at the charity event becomes the spark that sets their worlds on a collision course. As the holiday season unfolds, their connection deepens, and the walls they've built around their hearts start to crumble. Chloe's fear of judgment and Sebastian's need for authenticity form a potent mix, challenging them to confront their pasts and insecurities. Sebastian is a heartwarming tale of romance, redemption, and the enchantment of the holiday spirit, where two individuals find that the most precious gifts can't be bought with wealth but are discovered in the depths of the heart. Sebastian is the second book in The Cougars and Cubs Series and is a connected standalone. It is a steamy, reverse age-gap, opposites attract, holiday romance.

**mouthwashing walkthrough:** **Catch & Release** Blythe Woolston, 2013-08-01 I should have died quick. But I didn't. I'm a miracle of modern medicine, only the medicine doesn't get much credit, I notice. People say I'm lucky, or I'm blessed, and then they turn away. I'm not the only miracle. There's Odd too. Polly Furnas had The Plan for the future. Get married to Bridger Morgan, for one. College, career, babies. Etc. All the important choices were made. It was all happily-ever-after as a diamond-ring commercial. But The Plan did not include a lethal drug-resistant infection. It did not include "some more reconstruction and scar revision in the future. And it certainly did not include Odd Estes, a trip to Portland in an ancient Cadillac to tear Bridger a new one, fly fishing, marshmallows, Crisco, or a loaded gun. But plans change. Stories get revised and new choices must be made. Polly and Odd have choices. Surviving or not. Catch or release.

**mouthwashing walkthrough:** **Wraith** Phaedra Weldon, 2007-06-05 Zoë Martinique was just your average, single female, past 25, looking for love and/or exciting job opportunities. Then life handed her the dubious ability to travel outside of her body at will—which she turned into a career,

hiring herself out as a literal spook. But one night things get out of hand while she is out-of-body: Zoë witnesses a murder. What's worse, the killer is also a traveler—who not only sees her but tries to pursue her. To save herself, Zoë must somehow guide the very handsome detective assigned to the case to the truth without revealing herself. And with the help of her semi-psychic mom, a pair of gay ghosts, and her best friend (a Goth techno witch), she also has to figure out exactly who—and what—the murderer is, before he finds her and puts an end to her traveling—permanently.

**mouthwashing walkthrough: Pup Culture** Victoria Lily Shaffer, 2021-11-16 This debut book by fostering-extraordinaire Victoria Shaffer is a collection of dog adoption and fostering tales, tips, checklists, DIY recipes and crafts, and heartwarming stories and Q&A's from both celebs and everyday dog lovers--

**mouthwashing walkthrough: Summer Heat** Jeff Adams, 2020-12-01 Ethan is a grad student stuck in Tuscaloosa, Alabama, for the summer. Though he's thrilled about his teaching assistant position at the university, he's not at all excited about the record-breaking heat wave that's plaguing the area. In the midst of an oppressively hot summer night, Ethan meets fellow grad student Marcus. While their initial encounters are scorching, can two busy students have more than a heated seasonal fling? Or could it be the beginning of something that will last beyond the stormy southern nights? Summer Heat was previously published under the title Heat Wave: Tuscaloosa.

**mouthwashing walkthrough: Seeing Red** Terry Odell, 2014-12-03 2015 Silver Falchion Award: Best Short Story Collection Three short works featuring Florida Homicide Detective James T. Kirkland who has to put up with a Star Trek loving Medical Examiner, an ex-wife, and a cousin who overreacts to just about everything. Sometimes murder happens when and where you least expect it. Redshirted. He's dead, Jim. Homicide Detective James T. Kirkland dreads the Star-Trek loving medical examiner's joy in stating the obvious. This time, the victim was wearing a red shirt, and when what looked like a death from natural causes turns into a homicide, Kirkland is called upon to solve the crime, red shirt and all. Red's Heat There's a body buried in my yard. Detective James T. Kirkland braves the hot, sweltering heat of a Florida summer to debunk his cousin's claim before both of them are set up for ridicule in the Sheriff's Office. But when the body isn't really a body, Kirkland accepts being the butt of department jokes—until things take an unexpected turn. Red Flagged Call me when you've got a dead body. Favorite words of an over-worked detective trying to get some shut-eye. But when his ex-wife calls and says her friend is missing, all thoughts of sleep evaporate as James T. Kirkland rushes to help solve the mysterious disappearance. Red Flagged first appeared in Deception, a Mystery Anthology published by Highland Press, 2011.

**mouthwashing walkthrough: Milo Powell, PI** T. W. Person, 2009-02-23 My name is not Milo Powell, but it has been a few times. I was born in a rural setting into an immigrant farm family and raised in a midwest-city atmosphere. My father, a construction worker, provided me with a strong work ethic; and my mother instilled in me the naiveté of a farmer's daughter. Both were intelligent. Mom was top of her class in high school, and Dad was awarded a college scholarship but didn't take it because he didn't think it would allow him enough time to play around

**mouthwashing walkthrough: A Thousand Paper Birds** Tor Udall, 2017-06-15 'A masterful exploration of love, loss and the healing power of the natural world. Heartbreaking and uplifting in equal measure' Observer LONGLISTED FOR THE AUTHORS' CLUB BEST FIRST NOVEL AWARD 2018 Jonah roams Kew Gardens trying to reassemble the shattered pieces of his life after the death of his wife, Audrey. Weathering the seasons and learning to love again, he meets Chloe, an enigmatic origami artist who is hesitant to let down her own walls. In the gardens he also meets ten-year-old Milly, and Harry, a gardener, both of whom have secrets of their own to keep – and mysteries to solve.

**mouthwashing walkthrough: The Unburied Dead** Douglas Lindsay, 2013-12-05 An edgy police thriller from the creator of the Barney Thomson series. A psychopath walks the streets of Glasgow, selecting his first victim. He sees his ex-girlfriend everywhere, and he will have her back. When a woman is savagely murdered, her body stabbed over a hundred times, the police know from the nature of the crime that the killer will strike again. DCI Bloonsbury, the once-feted detective, is put

in charge of the investigation, but as the killer begins to hit much closer to home and an old police conspiracy starts to unravel, Bloonsbury slides further into morose alcoholic depression. In the middle of it all is Detective Sergeant Thomas Hutton, juggling divorce, deception, alcohol, murdered colleagues, and Dylan. He could use a break but the dead will not rest and the past will not be buried until he can catch the latest serial killer to haunt the streets of his city. Also by Douglas Lindsay featuring DS Thomas Hutton, *A Plague Of Crows*, and coming in October 2014, *The Blood That Stains Your Hands* I thoroughly enjoyed *Plague Of Crows*. It's another superb example of Scottish crime noir. There are a number of elements to highlight. The writing is excellent. Sharp, fast paced, gripping. - *Crime Fiction Lover* An excellent, well written story that will appeal to readers of gritty, down to earth crime / noir - *Big Al's Books And Pals* The brilliant and totally entertaining aspect of this novel is the characters, their shenanigans and their humour. Lindsay is funny ... and he writes about real folk like you and me who are just as confused, jealous, broken, greedy and damaged as we are. - *I Meant To Read That* Douglas Lindsay is a fine Scottish export that should be hailed in the same way as whisky, Rankin, haggis, tartan and those Jimmy hats that you can pick up from the Royal Mile. Super stuff. - *Sea Minor* I was at once cringing at the horror of the murders and then laughing from Hutton's interactions with the finer sex. It takes a talented author to pull off such a seamless switch of gears and Douglas Lindsay is just that. - *Just A Guy Who Likes To Read* If you like very dark and disturbing fiction, that is superbly written and beautifully addictive, then this one is definitely for you. Extremely highly recommended. - *Old Dogs And New Tricks* Douglas Lindsay is the author of 13 novels, including *The Unburied Dead* (DS Hutton series), *We Are The Hanged Man* (DCI Jericho), the surreal thriller *Being For The Benefit of Mr Kite!* and *The Long Midnight Of Barney Thomson* (the *Legend of Barney Thomson* series), now a major movie starring Robert Carlyle and Emma Thompson.

**mouthwashing walkthrough: *The Art of Failing*** Anthony McGowan, 2017-09-07 An Observer book of the year *HAUNTED!* By endless tiny humiliations. *STRUGGLING!* To resurrect the corpse of his literary career. *ENSNARED!* In a loving yet bamboozling marriage. A man at odds with the universe, Anthony McGowan stumbles from one improbable fiasco to the next. On the mean streets of West Hampstead he reflects upon all that is at the heart of life itself - socks with holes, underwhelming packed lunches, broken washing machines, Kierkegaard, liver salts, British Library eccentricities and disapproving ladies on trains. In this chronicle of one man's daily failures and disappointments, McGowan can't help but speak his mind - with cringeworthy and hilarious results.

**mouthwashing walkthrough: *Coming Clean*** Tom Gunn, 2010-09-22 If you think you have a drinking problem, you probably do. If you think you can handle it without any outside help, you're probably wrong. In fact, I'll bet you've tried. And still have a problem. Thus begins Tom Gunn's *Coming Clean*, a handbook disguised as a memoir, a small book with a big message, a book that cuts through the excuses and puts a spotlight on the path to recovery. In this, Gunn is an expert-a well-practiced substance abuser from the age of fifteen who spent more than twenty years living in a self-induced fog before confronting his disease. He's been sober now for almost thirty years and has stories to tell. While readers will learn something about Tom Gunn, they will learn more about themselves. Gunn, trained as a lawyer, became a super-salesman and served as head of international sales for one of the world's largest aerospace companies and as president of a helicopter company. For too many years, he avoided getting straight and thought he was doing just fine. As he writes, I always was very good at my job in spite of the fact that I was using. After I came clean, I was very good at my job. I always thought that booze and pills made me super creative, helping me write speeches and position papers and marketing plans and I was on top of the world! Truth was, I was very good at faking it. Call it, style over substance. It was not until I got sober that I learned how creative I really could be. Advance praise for *Coming Clean*: In more than three decades specializing in the assessment and treatment of addiction, I've read many books written by and for substance abusers. Some are technical, some anecdotal, some 'conversational, ' and each makes a contribution in one way or another-but I've never before read a book that so effectively targets men and women who know they have a problem, but are not yet comfortable with the idea of doing something about

it. Ronald B. Dicker, PhD, Licensed Clinical Psychologist, St. Louis, Missouri.

**mouthwashing walkthrough:** *Pro Bowl Kapu* Selma R. Davis, 2006-11-29 Story Summary Murder, mayhem, and terrorist threats stalk the NFL Pro Bowl in Honolulu. A Philadelphia Eagles cheerleader relinquishes her spot in the Pro Bowl show to patrol the air and protect the city, the event, and her country. Meanwhile, a retired suburban couple from the Philadelphia area gets involved as does a ditzy blond. Readers tour Honolulu with Barbara and Philip Day and learn about cheerleading, the Pro Bowl, the Chinese Lion Dance, and the Devon Horse Show. Madam Pele, the mythical goddess of the volcano and creator of the Hawaiian Islands takes care of the bad guys in her own inimitable way.

**mouthwashing walkthrough:** *All I Want Is Everything* Daaimah S. Poole, 2007 Sabrina put her dream of being a singer on hold to care for her younger siblings when her father left and her mother became an alcoholic. But now she's ready to strive for what she really wants. Sabrina takes her savings and makes a demo. Her gift and her personality soon get her a manager, gigs and finally a contract - along with a cheque big enough to buy a house for her family. But then she's upstaged by a younger, less talented, singer and it all goes wrong. Now she's heartbroken, alone and in debt, but with a choice: sink, or discover what she's really made of...

**mouthwashing walkthrough: Finding Hope** Hope Addison, 2013-12-27 Hope appears to be a typical young Christian woman at a Christian college, but behind the door of her dorm lies a secret life of past abuse, depression, eating disorders and self-mutilation. When her secrets become known, the past and present collide, and Hope finds her life spiraling out of control. Disowned and homeless, Hope realizes that, while she's known about God her entire life, she has never really understood unconditional love. Determined, and with a new-found faith, Hope returns home, attempting to reconcile with her family, and embarks on a journey of learning to find hope through life's roughest storms. Can Hope find acceptance and love? Can she sort through the lies she's learned, and find the truth of who she is, and who God is? Will the scars of past hurts ever fade, and allow her to have peace? From the mirror in her college dorm, to the mirror in her home today, follow Hope's journey of self-discovery, as she realizes her own strength, and allows her heart to heal.
