Puzzle Solutions

Puzzles are a core aspect of Little Nightmares, requiring players to think critically about their surroundings. Here, we will discuss common puzzle types and strategies to solve them effectively.

Escape Sequences

Many chapters feature intense escape sequences where players must rapidly navigate through obstacles while being chased by enemies. Familiarize yourself with the layout of the environment to make quick decisions and find the safest routes.

Enemy Encounters

him successfully. Use the environment to your advantage, hiding under objects or in shadows to escape his grasp.

The Twin Chefs

The Twin Chefs are relentless and can quickly corner players. Utilize distractions, such as throwing objects, to divert their attention while you make your escape.

Collectibles and Secrets

Throughout Little Nightmares, players can find collectibles that enhance the gameplay experience. These items not only provide backstory but also add to the game's lore.

Hidden Collectibles

Look for lanterns, which can be found in various chapters. Collecting these items often requires thorough exploration and can unlock additional content, such as concept art or lore entries.
