resident evil jill walkthrough: Teenage Shooters Travis Barrett, 2008-06 Teenage Shooters is about Freddy Louche's world. Who is Freddy Louche? If you asked him he would tell you that he is an all-American teenage loser who lives in a neighborhood populated by gangbangers and bullies. He hates school because the classes are boring and many of the students are intimidators. But there are three things Freddy loves: his skateboard, his video games, and his father. His skateboard is a Serial Killer which sports an image of Charles Manson. In a strange way Freddy never feels alone when he is riding Manson, who is also his protector, at least until that fateful night when Freddy's life begins to rapidly unravel. Resident Evil is Freddy's favorite video games because in the world of survival horror he can defend himself against the zombies and other monsters that remind him of the cretin bullies who hang out in the corridors of his school and the thugs that roam the streets of his city, a city that is in many ways like Raccoon City, which was also an all-American city until the walking dead and other beasties took control of its streets. Freddy's father is the one adult Freddy can always depend upon. Unfortunately, Mr. Louche, like the school authorities and the police, cannot protect his son from the thugs and bullies who constantly harass him. Thus, a time finally comes when Freddy and his loser friends must take on their tormentors.
