As an incredibly big fan of Falcom, I have a lot of love for both of their biggest series: Ys and Legend of Heroes. This game comes a couple years after the release of Ys VIII: Lacrimosa of Dana (which is my personal favorite) so playing another Ys game so soon is very exciting. I'm not going to lie, I didn't know where this game was going to go with Adol being Adol, but not being Adol (yes, very confusing), and him being in prison, but it's the same Ys experience you've come to know and love. The game has a much darker tone than previous games in the series, but it doesn't lower the charm of its world and characters. So follow me, as we play as Adol... and Crimson King and solve the mysteries plaguing Balduq, the Prison City.
