I had no idea the dead population was so lively here. Truly, Dwyer brings the past to life." —Mick Winter, author of *The Napa Valley Book* Serving as a guide to one of America's most treasured lands, the *Ghost Hunter's Guide to California's Wine Country* takes readers to the rolling hills, old wineries, and beautiful vineyards of the California Wine Country. With more than eighty haunted locations described in great historical detail, experienced and novice ghost hunters alike can search this famous region for encounters with ghosts of explorers, Native Americans, soldiers, and others. walkthrough california: California's Central Coast: The Ultimate Winery Guide Mira Advani

Honeycutt, 2007-05-10 The winemaking region encompassed by Santa Barbara and San Luis Obispo Counties is hot among those in the know -- and with good reason. A huge variety of the finest wines are only a pour away, and the setting is as dazzling as what's in the glass. Yet, despite its recent surge in popular appeal, the coast retains the down-home feel and roll-up-your-sleeves attitude that made it famous. The wineries of the Central Coast offer the perfect mix of elegant hospitality and warm accessibility -- as often as not, the people who pour your wine in the tasting rooms are not only the winemakers, but the winery owners as well, and they are happy to spend time chatting about their passion. Mira Advani Honeycutt's affectionately detailed text is a perfect introduction to this exciting expanse of vineyards. She reveals how the many microclimates of the Santa Ynez, Santa Maria, Arroyo Grande, and Edna Valleys, as well as the area around Paso Robles, have led to the production of an amazing diversity of varietals by an equally varied collection of wineries. Whether you're looking for a lush picnic spot and a glass of bubbly or panoramic views accompanied by a tasting flight of robust Rhône blends, her helpful tips lead the way. In addition, she reveals the distinctive art and architecture that abound in the wineries, while fine cuisine, fresh produce, and eclectic historical sites are never far away.--
