creative writing workbooks: *The Soul of Place* Linda Lappin, 2015-04-20 "This is such a pleasure to read. Unlike most books with writing prompts, this one goes in depth with sensitizing you to ground yourself in awareness of where you are and why. Grazie, Linda, for this marvelous work."—Frances Mayes, author of *Under the Tuscan Sun* In this engaging creative writing workbook, novelist and poet Linda Lappin presents a series of insightful exercises to help writers of all genres—literary travel writing, memoir, poetry, fiction, creative nonfiction—discover imagery and inspiration in the places they love. Lappin departs from the classical concept of the *Genius Loci*, the indwelling spirit residing in every landscape, house, city, or forest—to argue that by entering into contact with the unique energy and identity of a place, writers can access an inexhaustible source of creative power. *The Soul of Place* provides instruction on how to evoke that power. The writing exercises are drawn from many fields—architecture, painting, cuisine, literature and literary criticism, geography and deep maps, Jungian psychology, fairy tales, mythology, theater and performance art, metaphysics—all of which offer surprising perspectives on our writing and may help us uncover raw materials for fiction, essays, and poetry hidden in our environment. An essential resource book for the writer's library, this book is ideal for creative writing courses, with stimulating exercises adaptable to all genres.
