

couples workbooks

couples workbooks are valuable resources designed to enhance communication, strengthen relationships, and promote personal growth among partners. These workbooks often incorporate exercises, assessments, and discussions that encourage couples to explore their dynamics, address conflicts, and set shared goals. As modern relationships face various challenges, from busy lifestyles to differing expectations, couples workbooks provide structured guidance that can help navigate these complexities. This article will delve into the benefits of couples workbooks, the types available, how to choose the right one, and tips for maximizing their effectiveness. Whether you're newly engaged, in a long-term partnership, or seeking to rekindle intimacy, this comprehensive guide will help you understand the profound impact of utilizing these tools in your relationship.

- Benefits of Couples Workbooks
- Types of Couples Workbooks
- How to Choose the Right Couples Workbook
- Tips for Using Couples Workbooks Effectively
- Popular Couples Workbooks to Consider
- Conclusion

Benefits of Couples Workbooks

Couples workbooks offer a myriad of benefits that can significantly improve the quality of a partnership. One of the primary advantages is that they foster open communication. Many workbooks include prompts and questions that encourage partners to discuss their feelings, desires, and concerns in a safe and structured manner. This can lead to greater understanding and empathy between partners, which is crucial for a healthy relationship.

Another vital benefit is the opportunity for personal growth. Workbooks often contain exercises that prompt individuals to reflect on their behavior, triggers, and emotional responses. By engaging in self-reflection, partners can identify personal issues that may be affecting the relationship, allowing for targeted growth and improvement.

Furthermore, couples workbooks can help in setting mutual goals. Many workbooks guide couples in establishing shared values and objectives, whether they pertain to finances, family planning, or career aspirations. This alignment of goals can strengthen the bond between partners and create a unified approach to the future.

Types of Couples Workbooks

There is a diverse range of couples workbooks available, each targeting specific aspects of relationships. Understanding the different types can help couples find the right fit for their needs.

Communication-Focused Workbooks

These workbooks are designed to enhance communication skills between partners. They often include exercises that promote active listening, conflict resolution, and expressing emotions effectively. By improving communication, couples can reduce misunderstandings and foster a more supportive environment.

Intimacy and Connection Workbooks

Intimacy-focused workbooks aim to deepen emotional and physical connections. They often include activities and discussions about love languages, sexual preferences, and ways to maintain romance. This type of workbook can be particularly beneficial for couples who feel their relationship has lost its spark.

Conflict Resolution Workbooks

Conflict resolution workbooks provide strategies for managing disagreements constructively. They typically include frameworks for identifying the root causes of conflict, understanding differing perspectives, and finding compromises. These workbooks can help couples learn how to argue constructively and emerge from conflicts with strengthened relationships.

Premarital and Relationship Enrichment Workbooks

Premarital workbooks are designed for engaged couples, helping them discuss critical topics before tying the knot. Enrichment workbooks, on the other hand, are suitable for couples at any stage of their relationship and focus on enhancing overall relationship satisfaction. Both types encourage discussions on values, expectations, and future plans.

How to Choose the Right Couples Workbook

With many options available, selecting the right couples workbook can be overwhelming.

Here are key considerations to keep in mind when making your choice.

Identify Your Goals

Before purchasing a workbook, discuss with your partner what you hope to achieve. Are you looking to improve communication, deepen intimacy, or resolve ongoing conflicts? Identifying your goals will help you select a workbook that aligns with your needs.

Assess Your Relationship Stage

Consider the stage of your relationship. Premarital couples may benefit from workbooks that focus on foundational discussions, while long-term partners might prefer materials that address evolving dynamics. Choose a workbook that is appropriate for your current situation.

Check for Professional Endorsements

Look for workbooks authored by qualified professionals, such as therapists or psychologists. These resources often incorporate evidence-based practices and reflect a deep understanding of relationship dynamics, ensuring you receive reliable guidance.

Read Reviews and Recommendations

Exploring reviews and recommendations from other couples can provide insights into the workbook's effectiveness. Look for testimonials that highlight how the workbook has positively impacted other relationships.

Tips for Using Couples Workbooks Effectively

Once you have chosen a couples workbook, it is essential to use it effectively to reap its benefits. Here are some tips to consider.

Set Aside Dedicated Time

Schedule regular sessions to work through the workbook together. Treat these sessions as important appointments to ensure you both commit to the process. Consistency is key to making meaningful progress.

Approach with Openness

Maintain an open and honest mindset during discussions. Approach each exercise with a willingness to share and listen without judgment. This openness will create a safe space for vulnerability and honest dialogue.

Reflect Individually

While working through the workbook together, allow time for individual reflection. After completing exercises, take a moment to process your thoughts and feelings independently. This dual approach enhances personal growth alongside relationship development.

Be Patient and Flexible

Recognize that some exercises may be challenging or evoke strong emotions. Approach the process with patience and allow for flexibility. If a particular exercise feels overwhelming, it is okay to take a break and revisit it later.

Popular Couples Workbooks to Consider

With an array of options on the market, here are some popular couples workbooks that have garnered positive feedback.

- **The Seven Principles for Making Marriage Work** by John Gottman - This workbook provides exercises based on extensive research into what makes relationships successful.
- **Hold Me Tight: Seven Conversations for a Lifetime of Love** by Dr. Sue Johnson - Focused on emotional attachment, this workbook encourages couples to create deeper connections.
- **Attached: The New Science of Adult Attachment** by Amir Levine and Rachel Heller - This workbook helps couples understand their attachment styles and how they affect relationships.
- **How to Be an Adult in Relationships** by David Richo - This workbook combines personal growth with relationship skills, focusing on mindfulness and emotional awareness.
- **The Couples Workbook for Managing Stress** - This workbook provides tools for couples to manage external stresses together, fostering resilience in the relationship.

Conclusion

Couples workbooks serve as powerful tools for enhancing relationship dynamics, fostering communication, and promoting personal growth. By understanding the various types available and how to choose the right one, couples can embark on a journey of discovery and improvement together. With dedication and commitment to the process, these workbooks can lead to profound positive changes in relationships, ultimately creating stronger, healthier partnerships.

Q: What are couples workbooks designed to do?

A: Couples workbooks are designed to enhance communication, strengthen relationships, and promote personal growth among partners through structured exercises and discussions.

Q: How do I know if a couples workbook is effective?

A: An effective couples workbook typically includes research-backed exercises, has positive reviews from other couples, and is authored by qualified professionals in the field of relationship psychology.

Q: Can couples workbooks help with conflict resolution?

A: Yes, many couples workbooks focus specifically on conflict resolution, providing strategies and frameworks for managing disagreements and enhancing understanding between partners.

Q: Are couples workbooks suitable for all stages of a relationship?

A: Yes, there are couples workbooks tailored for various stages, including premarital preparation, relationship enrichment for long-term partners, and those seeking to rekindle intimacy.

Q: How often should couples use a workbook?

A: Couples should aim to set aside dedicated time regularly to work through the workbook, ideally on a weekly basis, to ensure consistent engagement and progress.

Q: What if my partner is resistant to using a workbook?

A: If one partner is resistant, it's essential to discuss their concerns openly. Emphasize the benefits and suggest starting with a workbook that feels less intimidating.

Q: Can I use a couples workbook alone?

A: While workbooks are designed for couples, individual reflection can still provide valuable insights. However, the full benefits are typically realized when both partners are actively engaged.

Q: What should I look for in a workbook related to intimacy?

A: Look for workbooks that provide exercises on love languages, emotional connection, and ways to maintain romance, as these elements are crucial for enhancing intimacy.

Q: How long does it take to see results from using a couples workbook?

A: The time taken to see results varies by couple and their commitment level. Some may notice improvements in communication and connection within a few sessions, while others may take longer for deeper issues.

couples workbooks: Couples Therapy Workbook Kathleen Mates-Youngman, LMFT, 2014-10-01 Couples Therapy Workbook is a series of guided questions to promote meaningful couple conversations and build ongoing, connected communication. The core of this unique guide is 30 guided conversations of the most critical relationship struggles. For each of the 30 topics, there is an introduction, goal-setting strategies and 10 scripted questions to ask each other - all presented in an easy-to-use mindful style. Set in a weekly format over 30 days but can be tailored to any timeframe. Designed to be used to couples, and also by therapists working with couples (bonus clinician prep included with each conversation). Week 1- Who Are We? Falling in Love, Friendship, Caring, Acceptance, Empathy, Emotional Intimacy, Rituals Week 2 - Who Am I? Childhood, Family Origin, Temperament, Influences, Spirituality, Values, How I Think Week 3- How do we work? Communication, Conflict, Defensiveness, Intimacy, Trust, Fidelity and Boundaries, Parenting, Staying in Sync Week 4 - What do we want? Romance, Joy and Gratitude, respect, Apologies and Forgiveness, Challenges, Relationship Savings Account, Past, Present & Future, Keeping Connected Reviews: "What a unique resource! A treasure-trove of guided conversations to increase intimacy and friendship. Therapists often ask me for good homework assignments. This book does the thinking for you. Keep it on hand and whether its values, sex, conflict or other challenging issues, you'll have a ready-made way to help your clients make immediate progress." -- Ellyn Bader, Ph.D, Founder/Director The Couples Institute This is a valuable resource for anyone working with couples. Any couple can profit greatly if they are willing to take Kathleen Youngman's challenge to explore these important topics and discuss these wonderful questions. -- Milan and Kay Yerkovich, Authors of best-selling How We Love series "Instead of offering analysis, advice or theory, The Couples Therapy Workbook offers just that, a set of questions to stimulate conversations that help couples deepen their engagement with each other and reconnect. All couples will find this an exceptional guide, and all therapists will find it an effective instrument to supplement the therapeutic process. I highly recommend it and complement the author on her creativity and attention to the core details of a connected relationship." --Harville Hendrix, Ph. D. and Helen LaKelly Hunt, Ph. D.; Authors of Making Marriage Simple and Getting the Love You Want.

couples workbooks: 8-Week Couples Therapy Workbook Jill Squyres Groubert PhD, 2022-05-03 Spend the next 8 weeks overcoming relationship obstacles and building a stronger connection Every relationship has challenges, but learning to listen, communicate, and get in sync can help you move through the tough times quicker and spend more time enjoying each other. The 8 Week Couples Therapy Workbook is full of expert guidance and simple exercises that show you and your partner how to work through anything that comes up, so your relationship stays healthy, strong, and happy. What's going on?—This therapy book includes straightforward explanations of how intimacy and interpersonal connections work, the ways they can break down, and how to get them back on track. Advice that works—Find techniques from a licensed psychologist that are rooted in communication therapy, but simple to understand and implement in your daily lives. An 8-week timeline—These activities are spread out over 8 weeks, so it's easy to find time for them in your busy schedules, and to get in the habit of using your new skills in the long-term. Every aspect of life together—Focus on a different theme each week: communication, intimacy, conflict, money matters, social styles, relationship patterns, values, and love languages. Pick up this relationship workbook for couples today and create a better future together!

couples workbooks: The Couple's Workbook The School of Life, 2020-02-06 Therapeutic exercises to help couples nurture patience, forgiveness and humour. Here is a workbook containing the very best exercises that any couple can undertake to help their relationship function optimally; exercises to foster understanding, patience, forgiveness, humour and resilience in the face of the many hurdles that invariably arise when you try to live with someone else for the long term. Couples are guided to have particular conversations, analyse their feelings, explain parts of themselves to one another and undertake rituals that clear the air and help recover hope and passion. The goal is always to unblock channels of feeling and improve communication. Not least, doing exercises together is – at points – simply a lot of fun.

couples workbooks: The Couple Intimacy Workbook William E. Krill, 2018 Is the intimacy in your relationship as rich as it could be? Expand your understanding of the power of intimacy in couples. Learn new and stimulating ways to interact with your partner to enhance bonding. Explore the possibilities of pushing the limits of six kinds of intimacy. Advance your relationship with exercises you can do together or solo. Relate at a deeper level than you may have thought possible. Recharge passion for your relationship and partner. This workbook encourages us to take a step back and rethink our intentions and help us remember why we love our partners and continue to strengthen our relational bonds. -- Sarah Davinsizer, B.A. Growing Couple Intimacy is well done, filled with concrete ways for couples to explore and grow individually and in their intimacy with one another. -- Pastor Mary J. Hendricks A wonderful, practical guide to further develop intimacy, including helpful activities that are both individual and couple focused. -- Melody Ray Growing Couple Intimacy sums up many poignant topics most humans could use some help with and presents suggestions in very workable and understandable ways. I will be using this workbook in my own marriage. I also believe this will give me another useful tool in my clinical practice. -- Michael Stubler, MA, CRC, LPC Very insightful and engaging! The exercises help to break down walls and explore intimacy in ways you might not have known existed. -- Chris Schneider, Worship Leader, Manchester, CT Growing Couple Intimacy is a useful tool that I can apply to individuals as well as couples. I found the practical applications outlined a helpful step towards intimacy growth. -- Nicole Behe, wife and mother Learn more at www.LHPress.com

couples workbooks: An Emotionally Focused Workbook for Couples Veronica Kallos-Lilly, Jennifer Fitzgerald, 2014-08-13 This workbook is intended for use with couples who want to enhance their emotional connection or overcome their relationship distress. It is recommended for use with couples pursuing Emotionally Focused Therapy (EFT). It closely follows the course of treatment and is designed so that clinicians can easily integrate guided reading and reflections into the therapeutic process. The material is presented in a recurring format: Read, Reflect, and Discuss. Readings help couples look at their relationship through an attachment lens, walking them through the step-by-step

process of creating a secure relationship bond. 33 Reflections invite readers to engage with the material personally, expanding their own awareness and ability to tune into their partner. Discussion sections suggest relationship-building exercises and a framework for conversations that promote safety, disclosure, and engagement. Case examples, along with informative illustrations, are scattered throughout the book to validate, illustrate, and inspire couples along their journey. Clinicians conversant with EFT can use this workbook to extend the effectiveness of their work with couples by giving them structured tasks to work on between sessions. For clinicians training in EFT, the book can guide them in staying focused on the EFT roadmap and illuminate how important change events unfold.

couples workbooks: A Guide to Self-Help Workbooks for Mental Health Clinicians and Researchers Luciano L'Abate, 2014-01-14 Never has the need for a compendium of self-help workbooks been so great! From the founder of the world's first PhD program in Family Psychology comes an extensive guide to nearly all of the mental health workbooks published through 2002. Placed together in one volume for the first time, *A Guide to Self-Help Workbooks for Mental Health Clinicians and Researchers* includes reviews and evaluates the complexity of each workbook in regards to its form, content, and usability by the client. From abuse to women's issues, this annotated bibliography is alphabetized by author, but can also be researched by subject. While self-help workbooks are currently not as popular or as mainstream as self-help books and video, that could soon change. Self-help workbooks are versatile, cost-effective, and can be mass-produced. The workbook user is active rather than passive, and the mental healthcare worker can analyze a more personal response from the user, whether in the office or via the Internet. *A Guide to Self-Help Workbooks for Mental Health Clinicians and Researchers* brings these workbooks together into one sourcebook to suit anyone's needs. Each self-help workbook is reviewed according to specific criteria: contents structure specificity goal level of abstraction a subjective evaluation usually concludes the review of the workbook *A Guide to Self-Help Workbooks for Mental Health Clinicians and Researchers* also includes: an in-depth introduction discussing the need for workbooks in mental health practices indices for subject as well as author an address list of the publishing houses for the workbooks annotated in the bibliography an Informed Consent Form to verify compliance with ethical and professional regulations before administering a workbook to a client *A Guide to Self-Help Workbooks for Mental Health Clinicians and Researchers* offers you a complete resource to self-help workbooks for all mental health subjects. Dr. L'Abate's highly selective review process helps you find exactly what you need. This unique sourcebook is vital for mental health clinicians, counselors, schoolteachers, and college and graduate students.

couples workbooks: The Couples Therapy Companion Russell Grieger, 2015-04-17 Learn to look at marriage and couples counseling through the lens of Rational Emotive Couples Therapy. Dr. Russell Grieger walks the reader through the RECT process and includes numerous exercises that are appropriate for clinicians to use with their clients, for those couples who are in therapy and need a little extra help, and for couples working to improve their relationship on their own. Along with explaining the process of Rational Emotive Couples Therapy, Dr. Grieger makes the distinction between relationship difficulties, which are small disagreements and dissatisfactions, and relationship disturbances, which occur when a couple becomes emotionally distressed and entrenched in negativity. He walks readers through the couple diagnosis and presents eight powerful strategies for helping resolve both couple difficulties and disturbances to find relationship harmony. Dr. Grieger addresses such issues as ridding hurt, anger, fear, and insecurity, enhancing closeness and intimacy, win-win conflict resolution, and building couple commitment and connection. Replete with exercises that empower couples to take action and solve their problems, *The Couples Therapy Companion* also helps readers to sustain the positive momentum learned in therapy in everyday life.

couples workbooks: Using Workbooks in Mental Health Luciano L'Abate, 2014-01-14 The use of workbooks in therapy might represent one of the biggest breakthroughs that has occurred in decades. *Using Workbooks in Mental Health: Resources in Prevention, Psychotherapy, and*

Rehabilitation for Clinicians and Researchers examines the effectiveness of mental health workbooks designed to address problems ranging from dementia and depression to addiction, spousal abuse, eating disorders, and more. Compiled by Dr. Luciano L'Abate, a leading authority on mental health workbooks, this resource will help clinicians and researchers become aware of the supportive evidence for the use of workbooks. Using Workbooks in Mental Health examines workbooks designed to specifically help: clients affected by dementia or depression abused women gambling addicts women who have substance-abuse addictions incarcerated felons couples preparing for marriage children with school refusal disorder and more! An essential reference for mental health professionals, graduate students, administrators, and researchers, Using Workbooks in Mental Health also explores the role of workbooks in psychological intervention over the past decade. Although workbooks are not yet part of the mainstream of psychological intervention, they are growing in popularity as their many advantages are recognized. They are easy to use by almost any client, they are cost-effective to both therapist and client in terms of money and time, they provide therapists with written assignments to use as homework for individuals, couples, and families, and they can be used in any setting, especially in computer-assisted offline or online interventions. In addition, this book shows how workbooks can be used to administer therapy to previously unreachable clients such as: people who are reluctant to talk to an authoritative figure or a stranger people who cannot afford face-to-face treatments incarcerated offenders who have not been helped by talk therapies Internet users who are searching for help via computer rather than in person

couples workbooks: *Couples Therapy Workbook* Katheen Mates-Youngman, 2014 Couples Therapy Workbook is a series of guided questions to promote meaningful couple conversations and build ongoing, connected communication. The core of this unique guide is 30 guided conversations of the most critical relationship struggles. couples workbooks: Relationship Workbook for Couples Rachel Stone, 2019-04 It may seem obvious to you that good communication is the foundation of every healthy, functioning relationship. Good communication skills will positively impact all of the relationships in your life, but this book will focus primarily on the practices that will have the greatest impact on the unique bond you share with your partner. You can aim to use these tools throughout your personal life, with friends and co-workers and family members--but regardless of how you incorporate these ideas into your day-to-day life, you and your partner should make a concerted effort to use these skills as you complete any of the questionnaires, quizzes or activities you find in this book. You may find a number of the questions to be challenging or provocative--they are intended to be! But you will find that with a toolbox of positive communication skills and a game plan to handle conflict, even the most nerve-wracking discussions will become manageable with your partner. Perhaps they'll even become easy and comfortable, once you are well-practiced with these skills. This book was designed with the intention of making the concepts of couples' therapy accessible to those who cannot find the time, money, or transport to reach a therapist's office. It also aims to make this work as simple, easy, and enjoyable as possible. Some chapters may pose challenging questions that expose difficulties in your relationship, while many others will offer fun, stress-free interactive exercises that you'll want to incorporate into date nights or lazy weekend mornings together. The concepts included can be applied to any relationship, whether your partnership is weeks, months, years, or decades old. You'll find activities designed for couples to use together, but you'll also find questionnaires to complete on your own which will help you to clarify your goals, both as an individual and as half of a partnership. This is a great book to keep handy at your bedside table or to carry with you and squeeze in a few minutes of relationship work wherever and whenever you can find time. This Workbook will provide you with:

- *Useful insights into what makes any romantic partnership successful and satisfying
- *Strategies, tools, questionnaires, and quizzes to discover, pursue and realize your personal relationship goals
- *Guided questions to help you learn more about yourself and your partner
- *Advanced exercises that aim at improving connection, trust, and intimacy within the couple
- *Suggestions on how to keep the unique relationship you share thriving for many years to come

Regardless of your compatibility--whether you like the same colors, foods, movies, music, hobbies or friends--the health of your relationship will ultimately be determined by your willingness to invest in its future success. Keep asking questions and let yourself be open to unexpected answers. Don't look any further, scroll up, click add to cart and start your journey to a better relationship now

couples workbooks: Relationship Workbook for Couples Christian Silverman, 2020-10-22 If You Want To Save Your Marriage Without Going To Therapy, Keep Reading! Do you feel that your marriage isn't like it used to be? Do you want to reignite the spark and increase your intimacy? Do you want to solve the conflicts that keep undermining your love? As long as you still love each other, your marriage can be saved! If you've been together with your partner for any length of time, you know too well that love has its ups and downs. On some days, you're both in honeymoon mode and just can't get enough of each others. On others, you stare at your partner and wonder where your brain was when you committed to them. A bad day here and there is normal. But what if your life is slowly deteriorating into a nightmare and divorce is starting to look like a sensible solution - even though deep at heart you still love each other? This practical workbook is your DIY guide to fixing

your marriage. Here's what you'll learn: Why mindfulness is more than just a buzzword How to cultivate relationship habits that make both of you happy How to have smoking hot sex despite being married for years The REAL reason why you keep arguing about the same things How to argue with your spouse in a way that actually solves problems Even if you feel that your love is barely alive under the weight of grudges, boring sex and bad communication, your relationship can still be saved - if it's worth saving, of course. Follow the simple steps outlined in the book and your marriage will be as good as new!

couples workbooks: *Couples Therapy Workbook for Healing* Lori Cluff Schade, 2025-06-17 Stop fighting and fall back in love, starting today If you and your partner are struggling to communicate and connect, you are not alone. The Couples Therapy Workbook for Healing is a helpful toolkit containing expert advice and activities to help both of you cultivate stronger attachment bonds and greater relationship satisfaction through Emotionally Focused Therapy. Emotionally Focused Therapy (EFT) is built on practical, concise steps for recognizing and disrupting negative behavior patterns. This couples therapy workbook uses those principles to help you develop the tools to approach your relationship with curiosity, open-mindedness, and readiness to speak, listen, and heal. The Couples Therapy Workbook for Healing includes: A three-part process—Organized to follow the process of EFT, this couples therapy workbook begins by identifying the distress in your relationship, then navigating the emotions that are causing it, and moving toward positive, long-term change. Explore your relationship—This couples therapy workbook offers insightful questions, revealing exercises, self-assessments, and even case studies from other couples who have had success with these techniques. Beyond EFT—You'll also learn about the different ways people form attachments, the power of intimacy and vulnerability, and ways to savor your best moments. If you're looking to reconnect emotionally and overcome relationship obstacles, The Couples Therapy Workbook for Healing can help.

couples workbooks: *The Ultimate Relationship Workbook for Couples* Ari Sytner, 2020-08-18 Forge a stronger connection and fall deeper in love with your partner Learn how easy it can be to strengthen your relationship with just a little practice. This standout among couples therapy workbooks features easy exercises and guided conversations that will help the two of you build a stronger rapport and get ahead of potential roadblocks. Covering everything from relationship roles and trust to finances and sex, this workbook offers a simple but comprehensive exploration of your romantic partnership. Grow together through inspiring, thought-provoking quizzes, journaling prompts, conversation starters, and more. Go beyond other relationship books for couples with: Inclusive advice—Discover insights that can be applied to couples of all kinds: married, engaged, dating, or otherwise. Thoughtful exercises—Learn even more about each other through thoughtful prompts and questionnaires designed to spark further conversations. Key takeaways—Each chapter concludes by highlighting the most important lessons, as well as next steps, making it easy to check in on what you've learned. Strengthen your bond and grow together with help from this straightforward relationship book for couples.

couples workbooks: *Clinical Handbook of Couple Therapy, Fourth Edition* Alan S. Gurman, 2008-06-24 This authoritative handbook provides a definitive overview of the theory and practice of couple therapy. Noted contributors--many of whom developed the approaches they describe--combine clear conceptual exposition with thorough descriptions of therapeutic techniques. In addition to presenting major couple therapy models in step-by-step detail, the book describes effective applications for particular populations and problems. Chapters adhere closely to a uniform structure to facilitate study and comparison, enhancing the book's utility as a reference and text. See also *Clinical Casebook of Couple Therapy*, also edited by Alan S. Gurman, which presents in-depth illustrations of treatment.

couples workbooks: *Handbook of Family Therapy* Mike Robbins, Tom Sexton, Gerald Weeks, 2004-03-01 This new Handbook of Family Therapy is the culmination of a decade of achievements within the field of family and couples therapy, emerging from and celebrating the dynamic evolution of marriage and family theory, practice, and research. The editors have unified the efforts of the

profession's major players in bringing the most up-to-date and innovative information to the forefront of both educational and practice settings. They review the major theoretical approaches and break new ground by identifying and describing the current era of evidence-based models and contemporary areas of application. The Handbook of Family Therapy is a comprehensive, progressive, and skillful presentation of the science and practice of family and couples therapy, and a valuable resource for practitioners and students alike.

couples workbooks: Living Together Michael J. McManus, Mike McManus, Harriett McManus, Harriet McManus, 2008-03-04 The authors argue that the divorce rate is actually higher among couples who live together before marriage. They take a fundamental position that one can not practice permanence, and unless a marriage is established as permanent, a couple will not approach it the same way. The authors also suggest important principles that give couples the necessary tools for a successful marriage.

couples workbooks: Low-Cost Approaches to Promote Physical and Mental Health Luciano L'Abate, 2007-06-06 Most physical and mental health professionals will agree that their time, space, and funds are generally in short supply, even under optimal conditions. Their participants (clients or patients), too, will admit to similar deficits of time and patience, even with optimal motivation. Overburdened mental health facilities are trying to cope with limited budgets and overworked and underpaid personnel. Low-Cost Approaches to Promote Physical and Mental Health addresses both sides of this shortfall by offering either self-administered or easily administered verbal and non-verbal interventions designed to promote positive health behaviors while requiring little or no outside funding. Editor Luciano L'Abate continues his long tradition of prolific innovations by identifying major changes in today's health care systems and explaining how targeted, prescriptive promotion/prevention strategies can enhance traditional primary, secondary, and tertiary interventions in key behavioral and relational areas: - Nutrition: weight/obesity control, diets, meal planning, vitamins and minerals, herbal supplements - Exercise, expressive movement, relaxation, meditation, and mindfulness - Writing for mental health promotion, from structured protocols/workbooks to less structured focused, expressive, and guided writing, including diaries and autobiographies - Sex, sexuality, affection, intimacy and fear of intimacy - Mother/child bonding as well as couple and family togetherness - Spirituality and forgiveness in dealing with inevitable life hurts and disappointments - Friendships and support groups - Plus leading-edge interventions, including emotional intelligence, animal companionship, and computer technology Reviews of each promotional approach are engaging, effective, and consistent with standard psychological practice for lasting results, either away from or in addition to non-clinical and clinical settings (schools, hospitals, senior/citizen centers, etc.). L'Abate and his fifty colleagues have designed a future-oriented sourcebook for mental and public health professionals who want to maximize their resources—and those of their participants.
