

motherhood workbooks

motherhood workbooks have emerged as invaluable resources for mothers navigating the complexities of parenting and self-care. These workbooks offer structured guidance, practical exercises, and reflective prompts that empower mothers to explore their thoughts, emotions, and experiences. The rise of motherhood workbooks coincides with a growing recognition of the importance of mental health and personal growth during the transformative journey of motherhood. This article delves into the various aspects of motherhood workbooks, including their benefits, types, how to choose the right one, and tips for maximizing their effectiveness.

- Understanding Motherhood Workbooks
- Benefits of Using Motherhood Workbooks
- Types of Motherhood Workbooks
- Choosing the Right Workbook
- Maximizing the Benefits of Your Workbook
- Conclusion

Understanding Motherhood Workbooks

Motherhood workbooks are designed to address the unique challenges faced by mothers. They typically combine elements of journaling, self-reflection, and goal-setting. These resources are not only beneficial for new mothers but also for those who have been navigating motherhood for years. The structured approach of a workbook allows mothers to delve deeper into their experiences, providing a safe space to express their feelings and thoughts.

Workbooks often include a variety of exercises such as guided journaling prompts, worksheets for tracking emotions, and activities aimed at fostering mindfulness. By engaging with these materials, mothers can cultivate a greater understanding of their parenting styles, personal needs, and emotional well-being. This process enhances their ability to cope with the demands of motherhood and encourages personal growth.

Benefits of Using Motherhood Workbooks

The benefits of motherhood workbooks are extensive and can significantly impact a mother's life. Here are some of the most notable advantages:

- **Emotional Clarity:** Workbooks provide a structured format for mothers to articulate their feelings, leading to greater emotional clarity.
- **Stress Reduction:** Engaging in reflective exercises can serve as a form of stress relief, helping mothers manage the pressures of daily life.
- **Goal Setting:** Many workbooks include sections for setting personal and parenting goals, allowing mothers to focus on what they want to achieve.
- **Improved Self-Care:** By prompting mothers to consider their own needs, workbooks encourage self-care practices that are often overlooked.
- **Increased Confidence:** As mothers reflect on their experiences and accomplishments, they often gain confidence in their parenting abilities.

In summary, motherhood workbooks can enhance emotional well-being, reduce stress, and foster a sense of purpose in motherhood. They serve as a tool for personal development and empowerment, making them an essential resource for many mothers.

Types of Motherhood Workbooks

Motherhood workbooks come in various forms, each catering to different needs and preferences. Understanding the types available can help mothers select the most appropriate workbook for their journey. Here are some common types:

Reflective Journals

These workbooks focus primarily on self-reflection, providing prompts that encourage mothers to explore their thoughts and feelings. Reflective journals often include space for daily entries, allowing mothers to track their emotional journey over time.

Goal-Oriented Workbooks

Workbooks that emphasize goal-setting guide mothers through the process of identifying personal and parenting goals. They often include exercises designed to break down these goals into actionable steps, making it easier for mothers to achieve them.

Mindfulness and Wellness Workbooks

These workbooks focus on mindfulness practices and wellness strategies. They often include

exercises for meditation, breathing techniques, and self-care routines, helping mothers develop a holistic approach to their mental and emotional health.

Creative Expression Workbooks

Creative expression workbooks encourage mothers to engage in artistic activities such as drawing, crafting, or writing poetry. These workbooks provide a creative outlet for emotions and can be particularly therapeutic.

Choosing the Right Workbook

Selecting the right motherhood workbook is crucial for ensuring that it meets individual needs. Here are some factors to consider when making this decision:

- **Identify Your Goals:** Determine what you want to achieve through the workbook. Are you looking to improve emotional well-being, set goals, or engage in creative expression?
- **Assess Your Preferences:** Consider your preferred style of learning. Do you prefer structured exercises, free-form journaling, or creative activities?
- **Read Reviews:** Research various workbooks and read reviews from other mothers to gauge their effectiveness and suitability.
- **Consider Your Time:** Some workbooks require more time and commitment than others. Choose one that fits your schedule and lifestyle.

By carefully considering these factors, mothers can find a workbook that resonates with them and addresses their specific needs.

Maximizing the Benefits of Your Workbook

To fully benefit from a motherhood workbook, consider the following tips for effective engagement:

- **Set a Routine:** Dedicate specific times each week to work on your workbook, creating a consistent practice.
- **Create a Comfortable Space:** Find a quiet, comfortable area where you can focus without distractions.

- **Be Honest with Yourself:** Approach the exercises with honesty and openness to gain the most from your reflections.
- **Share Your Insights:** Consider discussing your reflections with a trusted friend or a support group to enhance your understanding.
- **Allow Time for Reflection:** Give yourself time to think about your responses and how they relate to your experiences as a mother.

Implementing these strategies can enhance the effectiveness of the workbook, leading to more profound insights and personal growth.

Conclusion

Motherhood workbooks represent a powerful tool for mothers seeking to navigate the complexities of parenting while maintaining their mental and emotional health. By providing structured guidance, reflective exercises, and creative outlets, these workbooks can significantly enhance a mother's journey through motherhood. Understanding the different types of workbooks available and knowing how to choose the right one can empower mothers to make the most of these valuable resources. With commitment and intention, motherhood workbooks can lead to improved emotional clarity, reduced stress, and a deeper connection to oneself and one's parenting journey.

Q: What are motherhood workbooks?

A: Motherhood workbooks are structured guides designed to help mothers explore their thoughts, emotions, and experiences related to parenting and self-care. They often include exercises, journaling prompts, and reflective activities.

Q: How can motherhood workbooks benefit mental health?

A: Motherhood workbooks facilitate emotional clarity, provide stress relief, and encourage self-reflection, which can improve overall mental health. They also promote self-care practices that are essential for emotional well-being.

Q: Are there different types of motherhood workbooks?

A: Yes, there are various types of motherhood workbooks, including reflective journals, goal-oriented workbooks, mindfulness and wellness workbooks, and creative expression workbooks, each serving different purposes.

Q: How do I choose the right motherhood workbook for me?

A: To choose the right workbook, identify your goals, assess your learning preferences, read reviews, and consider how much time you can dedicate to working on it.

Q: Can using a motherhood workbook improve my parenting skills?

A: Yes, engaging with a motherhood workbook can enhance your self-awareness and emotional understanding, leading to improved confidence and effectiveness in your parenting approach.

Q: How often should I use my motherhood workbook?

A: It is beneficial to establish a routine, dedicating specific times each week to work on your workbook. Consistency can help deepen your insights and reflections.

Q: What should I do if I find it hard to engage with my workbook?

A: If you struggle to engage, try changing your environment, setting smaller goals, or discussing your challenges with a friend or support group for motivation.

Q: Are motherhood workbooks suitable for all mothers?

A: Yes, motherhood workbooks can be beneficial for mothers at any stage of parenting, whether they are new mothers or experienced ones seeking personal growth.

Q: Can I use a motherhood workbook alongside therapy?

A: Absolutely. Many mothers find that using a workbook complements therapy by providing additional tools for reflection and personal development.

motherhood workbooks: The New Motherhood Workbook Michelle Cree, 2025-05-01 Learn how to develop compassion for yourself and your family Having a baby can be a time of joy, but also

one of anxiety and challenge. Although the period of time through pregnancy and infancy is relatively short, mothers have a sense of its importance and often work hard both mentally and physically to get it 'right'. This fascinating and practical self-help book will guide mothers-to-be and new mothers through the maze of parenting advice and confusing feelings that can arise. It explains how a brain state called 'the compassionate mind' has developed through evolution to be a particularly powerful way of helping us to get through the challenges of life with confidence, strength and steadiness. Using this workbook you will learn: · Powerful techniques for creating a sense of support, safeness and joy for you, your baby and your family in which you can all best flourish. · How to understand and attune to the mind of your child to create a secure attachment. · How to create the basis for a compassionate mind in your child so that they can navigate the challenges of life and make positive and healthy relationships. Filled with interactive exercises and practical skills, The New Motherhood Workbook will be a source of support through the perinatal period. THE COMPASSIONATE MIND APPROACH The self-help books in this series are based on Compassion Focused Therapy (CFT, developed by series editor Paul Gilbert). This brings together an understanding of how our mind can cause us difficulties but also provides us with a powerful solution in the shape of mindfulness and compassion. It teaches ways to stimulate the part of the brain connected with kindness, warmth, compassion and safeness, and to calm the part that makes us feel, anxious, angry, sad or depressed.

motherhood workbooks: Amazing Moms! Dan Griffin, 2025-10-21 The first gender-responsive, trauma-informed curriculum designed specifically for mothers Amazing Moms! Motherhood Curriculum consists of 16 two-hour, co-facilitated sessions that include activities, exercises, and experiential opportunities. The goal of the workshop is to help participants create a vision of the mothers they want to be and to provide them with the awareness, tools, and confidence to achieve that vision. By encouraging participants to connect with the content on a personal level, the curriculum helps mothers enhance their relationships with their children and other family members. The Amazing Moms! program—including a Facilitator's Guide and Participant Workbook—goes beyond other parenting curricula, addressing the complex intersection of female socialization, childhood and adolescent trauma, and relational struggles that can come between mothers and their children. It covers a broad range of topics, including anger and shame, sex and sexuality, discipline, codependency, and self-care. The curriculum will challenge participants and facilitators alike to approach the material with vulnerability to achieve lasting growth. Follow detailed plans for facilitating 16 two-hour sessions on issues related to parenting, designed specifically for mothers. Help participants develop self-awareness and understand how their past trauma influences their emotions and behaviors. Encourage strong mother-child relationships with skill-building exercises and activities. Use techniques to foster safety, trust, openness, and honesty in group settings. This curriculum is for all moms, with children of all ages—especially those who have found themselves in child protective services or some other aspect of the child welfare system.

motherhood workbooks: How to Healthily Transition to Motherhood Becky Gleed, 2020-04-20 Life transitions, especially those encompassed during the perinatal period such as pregnancy and postpartum, can be scary and anxiety provoking! Now is the time to evolve into the healthiest mom for both you and your baby. You deserve to enjoy motherhood and parenthood! I utilize SAMHSA's dimension of wellness model -- emotional, spiritual, intellectual, physical, environmental, financial, occupational, social - to guide you through your healthy transition to motherhood. This is a self-help, tangible guide to help you navigate all dimensions of wellness, everything from recipes to interactive exercises to journal entries to CBT and meditation exercises! Could you or someone you know benefit from a tactical workbook focused on mindful, healthy transitioning to motherhood? Perhaps your best friend is expecting, or your daughter is due next month, or you are the support partner of someone who just had a baby! This interactive, postpartum workbook can make a beautiful gift for a new mama!

motherhood workbooks: Mom Brain Ilyse Dobrow DiMarco, 2021-05-23 Becoming a mother is a joyful rite of passage, but it can also bring overwhelming emotional upheaval, exhaustion, and

self-doubt. And is it any wonder? Motherhood changes everything, right down to a woman's brain chemistry. No one understands mom brain better than psychologist Ilyse Dobrow DiMarco, a mother of two herself who specializes in treating women with young children. In this compassionate guide, Dr. Dobrow DiMarco shares science-based psychological strategies to help moms cope with common challenges and make peace with their transformed identity. Candid, witty stories from her own life and the lives of women she has worked with illustrate ways to tame self-critical thoughts; navigate the new normal of work, marriage, and friendships; and mindfully accept the highs and lows of parenting—even in the toughest moments.

motherhood workbooks: Maternity and Women's Health Care - E-Book Deitra Leonard Lowdermilk, Kitty Cashion, Shannon E. Perry, Kathryn Rhodes Alden, 2014-12-18 The #1 maternity book in the market is getting even better. *Maternity and Women's Health Care*, 11th Edition provides evidence-based coverage of everything you need to know about caring for women of childbearing age. Not only does this text emphasize childbearing concerns like newborn care, it also addresses wellness promotion and management of women's health problems. In describing the continuum of care, it integrates the importance of understanding family, culture, and community-based care. Boasting new medication alerts and updated content throughout, this edition covers the new maternal levels of care, and the revised AAP policy on breastfeeding and infant sleep. Expert authors of the market-leading maternity nursing textbook deliver the most accurate, up-to-date content. Clinical reasoning case studies provide you with opportunities to test and develop your analytical skills and to apply knowledge in various settings. Community Activity boxes focus on maternal and newborn activities that can be pursued in local community settings and illustrate nursing care in a variety of settings. Cultural Considerations stress the importance of considering the beliefs and health practices of patients from various cultures when providing care. Emergency boxes provide information about various emergency situations and offer a quick reference in critical situations. Family-Centered Care boxes highlight the needs and concerns of families that you should consider to provide family-centered care. Medication guides provide an important reference of drugs and their interactions. Nursing care plans include rationales for interventions and provide you with an overview of, and specific guidelines for, delivering effective nursing care. Safety alerts highlighted and integrated within the content draw attention to developing competencies related to safe nursing practice. Signs of potential complications highlight vital concerns, alerting you to signs and symptoms of complications and the immediate interventions to provide. Teaching for Self-Management boxes highlight important information that nurses need to communicate to patients and families for follow-up care.

motherhood workbooks: A Mother Loss Workbook Diane Hambrook, 1997-10-07 To tell you how to use this workbook would be like giving you instructions on how to grieve. Impossible. The only thing we know for sure is that no two people will approach this work in the same way. If there's one thing you should remember as you begin this process, it is this: You are not alone. With that knowledge, you've already begun to heal. --from *A Mother Loss Workbook* Inspired by Hope Edelman's bestselling *Motherless Daughters*, authors Diane Hambrook and Gail Eisenberg have created a sensitive, accessible workbook for women suffering the wounds of early mother loss. *A Mother Loss Workbook* is designed to help the motherless daughter tell the story she needs to tell--her story. Its varied exercises, open-ended questions, writing topics, and activities, drawn from Hambrook's years of work with motherless daughters, provide both careful direction and generous room for self-expression. This book is a safe place where no one will judge a woman, where the work she must do can be done in her own time, at her own pace, and at any stage of mourning. *A Mother Loss Workbook* is an ideal supplement for personal therapy and support groups, but it is an important--and perhaps the only--tool for women just starting their journey or who are hesitant to go public with their feelings. Whether a woman uses it privately or shares it with a group, no matter how long it's been since her mother died, *A Mother Loss Workbook* will guide her toward fully understanding her loss and taking charge of her future.

motherhood workbooks: The Mothers and Daughters of the Bible Speak Workbook Shannon

Bream, 2022-11-01 EXPLORE THE INTIMATE CONNECTION BETWEEN FAITH AND FAMILY God uses mothers and daughters in critical roles throughout the Old and New Testaments. They are often used to change the course of history, but more importantly, these female relationships and roles reveal a deeper depth of God's love for and faithfulness to each of us. This workbook is based on the #1 New York Times bestseller, *The Mothers and Daughters of the Bible Speak*. In these nine lessons, you will consider the parallels between the relationships, experiences, and challenges of women in the Bible as mothers and daughters and your own. You'll reflect on how God focused on their faith and trust—and how He is doing the same with you. Each lesson includes four components: REFLECT invites you to read key moments of each woman's life in the Bible and connect with her story. CONNECT asks you to consider how God in the Old Testament or Jesus in the New Testament responds to each woman and what this discloses about His character and how He responds to you. REVEAL provides an opportunity to identify how God works through the woman's relationship, responses to God, and acts of faith, as well as your similar relationships, responses, and acts of faith. PRAY asks you to prayerfully consider how the woman's story and how her relationship ties into the work God is doing in your life right now. BONUS SECTIONS: MIRACLES where you'll be asked to consider the phenomenal eye witness accounts experienced by mothers and daughters and how those incredible events continue to impact your life today. Lessons include: Jochebed and Miriam Ruth and Naomi Elizabeth and Mary Rebekah Bathsheba Mary, Mother of Jesus Dinah Esther Michal

motherhood workbooks: Depressed Mother Kath James, 1998-05-31 Depression in new mothers is very common, but it is often not simply a case of the baby blues. Most mothers are suffering from general depressive disorders related to their living and/or social circumstances. Examining symptoms and causes of general depression amongst mothers, and its effects on mother-infant relationships, this book gives a comprehensive overview of the causes and effects of depressive disorders, particularly in relation to mothers and their families. It considers preventative measures, including physical treatments and counseling. Worksheets and projects for individual and group use are included. The book aims to empower students to identify the client's needs, prescribe treatment, and provide help and support for the family.

motherhood workbooks: Encountering Christ Workbook Sophia Institute for Teachers, **motherhood workbooks: Anger Management Workbook for Moms** Lena Suarez-Angelino, 2025-06-17 Learn to manage your anger with effective strategies and exercises Cultivate skills for coping with your anger to better express yourself, maintain healthy relationships, and improve your overall quality of life. From identifying unhelpful thoughts to exploring triggers, discover ways to handle your anger and find healthier outlets for it. In this workbook, you'll learn effective strategies for better dealing with your emotions, staying calm in stressful moments, and becoming the best mom you can be. Confidently address your anger—Exercises like deep breathing and writing an apology letter help you develop coping skills. Relate to other mothers—Insightful case studies show you how anger affects moms like you. Learn techniques for processing anger—Look at past behaviors and reactions, recognize how things could have been handled differently, and move forward. Understand your anger and how to handle your feelings in a healthy way.

motherhood workbooks: Motherhood Realized Power of Moms, 2014-04-08 We believe that family life is beautiful and that motherhood is a privilege. But we also believe it is often really hard to see all that beauty when we're in the midst of mothering. So often, we feel like we're spread too thin. We feel like we don't match up. Our hearts want to do more than our hands can manage. And every day, as we cycle through household duties, discipline, errands, conversations, teaching, and hundreds of unexpecteds, we're often left tired, worried, and in need of some extra inspiration and encouragement. Power of Moms is an online community of deliberate mothers. Since 2007, millions of mothers from all backgrounds who are striving to be the best they can be have gathered to our website to learn and grow together. Time and again, our posts receive comments that say something like, I am going to print this out and put it on my nightstand so I can read it again and again. We've been concerned about those nightstands . . . getting all cluttered up with paper. So we've selected dozens of our most popular posts and compiled them neatly into this book just for you. This book

isn't just a book. It's a tangible representation of a living, breathing community of mothers. Motherhood is the hardest job we'll ever love, and it's so much better when we're doing it together.

motherhood workbooks: Award-winning books for children and young adults Betty L. Criscoe, 1990

motherhood workbooks: Motherhood - Philosophy for Everyone Sheila Lintott, 2011-05-09
MOTHERHOOD PHILOSOPHY FOR EVERYONE If you have ever wondered what makes a "good" or a "bad" mother, or if mothers are always right in thinking their babies are beautiful, or indeed, whether mother always knows best, look no further. Without a single nag, Motherhood - Philosophy for Everyone covers these salient philosophical issues, and more, including: The anticipation of impending parenthood compared with the reality Should we tell the occasional lie to our children? What does the Bible actually say about the virgin birth? If we were able to turn our children off, would and should we be tempted by this option? The experience of lesbian mothering The unexpected challenges and complications of being a mother "As in any group of thinkers, some mothers are more ambitiously reflective than others, either out of temperamental thoughtfulness, moral and political concerns, or, most often, because they have serious problems with their children. However, maternal thinking is no rarity. Maternal work itself demands that mothers think..." From Maternal Thinking: Toward A Politics of Peace, Sara Ruddick

motherhood workbooks: *School-age Mother and Child Health Act, 1975* United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Health, 1976

motherhood workbooks: BEYOND RESILIENCE FROM MASTERY TO MYSTERY A Workbook for Personal Mastery and Transformational Change Stephen Murgatroyd, Sarajane Aris, 2017-01-31 People are actively engaged in a life-search for meaning and this search can lead them to take a spiritual perspective of themselves and the world in which they live. Some find this a spiritual journey-a journey towards an inner path enabling a person to discover the essence of their being; or the deepest values and meanings by which people live-through art, music or religion. The ultimate purpose of our spiritual journey is to be an enabling meaning to be found and given for self and others. In Tibetan Buddhism, the ultimate intention and purpose of our personal and spiritual journey is to be of service and benefit to all beings and to bring all beings to 'enlightenment'. Enlightenment is the ultimate step on our journey, whereby we go beyond our everyday consciousness to serve a 'greater whole', where we are in touch with our ultimate, true nature- the essence of our being. We can think of this journey to enlightenment as a journey both for personal mastery and beyond it.

motherhood workbooks: *Motherhood Is Big Enough* Kyriaki Birkeland, 2021-08-21
Motherhood is Big Enough is a Children's Board Book written FOR moms. The words and pictures are simple and bold to reinforce baby's developing cognitive, social and language skills but the message is just for mom. This book provides hope and encouragement for moms who may be overwhelmed with the day to day load of motherhood.

motherhood workbooks: Give and Take Katie Palfreyman, Tara Carpenter Estrada, Hilary Wolfley, 2024-03-13 *Give and Take: Motherhood and Creative Practice* explores the diverse ways contemporary artists navigate the unique tensions of motherhood in all its varied stages. Becoming a mother is a life-changing event that can give mothers greater perspective, drive, and inspiration for making art. But motherhood also takes time and energy from pursuing creative work. This fundamental challenge, this give and take, is explored through this book as it forefronts the art and lives of dancers, playwrights, musicians, visual artists, and creative writers. The book contains thirty-three first person narratives from practicing artists along with written analyses that place these artists' essays within the broader context of arts writing and scholarship about motherhood. The concluding section of the book includes overarching thoughts about how artist mothers can move forward despite structural inequality and cultural bias and includes a resource guide for practical support.

motherhood workbooks: *Hurricanes in Perfect Power* Various, 2023-02-23 A stunning new collection of short stories about motherhood, selected and introduced by Candice Brathwaite.

_____ 'To describe my mother would be to write about a hurricane in its perfect power. Or the climbing, falling colours of a rainbow' MAYA ANGELOU The story of motherhood is an endlessly rich one: it's one of love - and all the highs and lows that come with that world-turning emotion - and, in the purest sense, of life itself. Within these pages, some of the finest writers in the world explore motherhood in wildly varying modes, from single parenthood to sisters coparenting, from the deepest hardships to the biggest celebrations. Selected and introduced by Candice Brathwaite, author of *I Am Not Your Baby Mother*. Stories by Lydia Davis, Anita Desai, Mary Gaitskill, Tessa Hadley, Jamaica Kincaid, Toni Morrison, Ngugi wa Thiong'o, Irenosen Okojie, Casey Plett, Tabitha Siklos, Helen Simpson, Ali Smith

motherhood workbooks: Desperate Sarah Mae, Sally Clarkson, 2013 What if you didn't have to do motherhood alone? Bestselling author and influential blogger Sarah Mae and speaker and author Sally Clarkson explain why you don't have to.

motherhood workbooks: Designing Motherhood Michelle Millar Fisher, Amber Winick, 2021-09-14 More than eighty designs--iconic, archaic, quotidian, and taboo--that have defined the arc of human reproduction. While birth often brings great joy, making babies is a knotty enterprise. The designed objects that surround us when it comes to menstruation, birth control, conception, pregnancy, childbirth, and early motherhood vary as oddly, messily, and dramatically as the stereotypes suggest. This smart, image-rich, fashion-forward, and design-driven book explores more than eighty designs--iconic, conceptual, archaic, titillating, emotionally charged, or just plain strange--that have defined the relationships between people and babies during the past century. Each object tells a story. In striking images and engaging text, *Designing Motherhood* unfolds the compelling design histories and real-world uses of the objects that shape our reproductive experiences. The authors investigate the baby carrier, from the Snuggly to BabyBjörn, and the (re)discovery of the varied traditions of baby wearing; the tie-waist skirt, famously worn by a pregnant Lucille Ball on *I Love Lucy*, and essential for camouflaging and slowly normalizing a public pregnancy; the home pregnancy kit, and its threat to the authority of male gynecologists; and more. Memorable images--including historical ads, found photos, and drawings--illustrate the crucial role design and material culture plays throughout the arc of human reproduction. The book features a prologue by Erica Chidi and a foreword by Alexandra Lange. Contributors Luz Argueta-Vogel, Zara Arshad, Nefertiti Austin, Juliana Rowen Barton, Lindsey Beal, Thomas Beatie, Caitlin Beach, Maricela Becerra, Joan E. Biren, Megan Brandow-Faller, Khiara M. Bridges, Heather DeWolf Bowser, Sophie Cavoulacos, Meegan Daigler, Anna Dhody, Christine Dodson, Henrike Dreier, Adam Dubrowski, Michelle Millar Fisher, Claire Dion Fletcher, Tekara Gainey, Lucy Gallun, Angela Garbes, Judy S. Gelles, Shoshana Batya Greenwald, Robert D. Hicks, Porsche Holland, Andrea Homer-Macdonald, Alexis Hope, Malika Kashyap, Karen Kleiman, Natalie Lira, Devorah L Marrus, Jessica Martucci, Sascha Mayer, Betsy Joslyn Mitchell, Ginger Mitchell, Mark Mitchell, Aidan O'Connor, Lauren Downing Peters, Nicole Pihema, Alice Rawsthorn, Helen Barchilon Redman, Airyka Rockefeller, Julie Rodelli, Raphaela Rosella, Loretta J. Ross, Ofelia Pérez Ruiz, Hannah Ryan, Karin Satrom, Tae Smith, Orkan Telhan, Stephanie Tillman, Sandra Oyarzo Torres, Malika Verma, Erin Weisbart, Deb Willis, Carmen Winant, Brendan Winick, Flaura Koplin Winston
